**B) Some of the Bidders sought clarifications in regard to the published tender specification. The clarifications issued by BHEL are as below;**

Sl. No	Reference clause of Tender Document	Clause no.	Existing provision	Bidder's query	BHEL's clarification
1	TCC	BOQ Item No. C2609	Earth work in filling upto any depth below ground level for grading to proper grade and level in layers not exceeding 300mm compacted thickness so as to achieve at least 85% relative density as per IS-2720 (Part-XIV) with approved pond ash (pond ash to be arranged by bidder) and compacted as specified including re-excavation of stacked earth, all lifts, dewatering if required, sorting, spreading, breaking clods, watering, ramming/compaction by manual/mechanical means, dressing, finishing to required lines, grades and slopes, tesing etc all complete as per specification, drawing and as directed by the engineer-in-charge	As stated in the item description, pond ash is required to be supplied by the contractor. We kindly request BHEL authorities to confirm the approved source and provide clarification on the lead/distance for the approved pond ash that needs to be supplied by the contractor.	Contractor has to arrange Pond Ash from DVC Ash Pond Area which is within 10 km from existing DVC Thermal Power Plant, Koderma.

**Corrigendum - 1 dated 28/11/2024 to CPC Tender No. BHEL/CPC/KOD/RD DRN/25/042**

Sl. No	Reference clause of Tender Document	Clause no.	Existing provision	Bidder's query	BHEL's clarification
2	TCC	BOQ		The weightage allocated for all the concrete, earthwork and all other supply and service related items are very low compared to the present market scenario. Even the items which have smaller quantities will also have huge impact because of these weightages. Considering the project location and various other factors, it is requested BHEL to increase the weightage for all the items as per the present market scenario. In fact, it is requested to modify the weightages clause, BHEL can provide their estimated rates and ask the agencies to quote over all percentage.	Tender conditions shall prevail

**Note:**

- 1) All other terms and conditions against this NIT shall remain unchanged.
- 2) This corrigendum is to be submitted duly signed and stamped along with the Techno-commercial bid (Part- I).
