Sub: **Corrigendum** – Intimation – Reg.

Ref: Our Enq. No. **M2/13/6000001795/VK1**, DT: 11.09.2013

With reference to our tender enquiry cited, **it is to inform you that Amendments are made in the Technical Specifications for the Clause No. 02(amended) & 20.6 (added). Amendments to the clause nos. are clearly given in the enclosed Annexure-1. Amended specifications incorporated with the above specified amendments are also enclosed for your reference.** We request you to submit your Offer/Impact on Price Bid (as specified below) considering the above changes within the due date of **06.03.2014 by 11.00 AM .**

1. **Vendors who have already submitted their Offers:** Please submit the impact on the originally submitted Price bid along with the confirmation to amendment (by Signing & Stamping the Annexure-1). Annexure-I shall be enclosed in separate cover and Impact on Price Bid in the separate cover. Please specify “Impact on Price Bid” on the Price bid cover and enclose both the covers in the cover superscripted with the Tender reference no.

Special Note: If Vendors have already quoted considering the Winding Material as Copper (amended Clause no. 02), they need not submit any impact on Price Bid. However, they have to submit confirmation to the Annexure-1 (by signing & stamping) and shall submit directly to the undersigned through Hard copy or through E-Mail. If we do not receive any confirmation from the Vendors who have already participated within the due date, no further extensions will be given and their earlier Price bids only can be considered for further evaluation subject to Vendor’s confirmation to the issued Corrigendum.

2. **Vendors who have not submitted their Offers earlier:** Please submit your fresh offer considering the proposed amendments within the due date. For detailed Instructions (How to participate), Enquiry and BHEL Commercial Terms & Conditions, please download tender documents from www.bhel.com under Tender Notifications column bearing NIT No.: 14889.

Yours faithfully,

For BHARAT HEAVY ELECTRICALS LIMITED.
