**BHARAT HEAVY ELECTRICALS LIMITED
SOLAR BUSINESS DIVISION, BENGALURU
CORRIGENDUM - Description**

**Name: Navit Mahajan
Designation: Dy. Manager
BHEL SBD Bangalore**

The following changes have been made while issuing corrigendum for the AITRC:

1. Fine of Oversized Consignments with height more than 2.4m will be reimbursed by BHEL on submission of relevant documents and with prior permission of BHEL. Changes are made in Price and Un-priced bid: **Package 1: MGV – Multi Axle Goods Vehicle / Articulated Vehicle – Trailer and MGV – Multi Axle Goods Vehicle / Articulated Vehicle – Trailer: ODC.**
2. The percentage allocation of Package 2: MGV – Multi Axle Goods Vehicle / Articulated Vehicle – Trailer has been revised. Average distance for MGV – Multi Axle Goods Vehicle / Articulated Vehicle – Trailer (SPV) has been changed from 500km to 250 km and 1000km to 750km.
3. In Part Load, heading has been corrected from Average Number of Vehicles to Average Tonnage.
4. PPP-MII Certificate format is revised for Value: More than 10 Crores. – Format No. 16.9 Page No. 63 of Part – A of Tender Document Part – A
5. Format related to Land Border Sharing is added.

It may also be noted that:

1. The bidders can quote for Package 1 or Package 2 or both. However, bidders quote should inclusive for all line-items in the Package including Part-Load.
2. Bidders have to quote total amount for each package. Bidders should not mention the Line item wise rates anywhere in the tender. The same will be calculated by BHEL based on percentage allocation and the total package amount quoted by bidders.
3. Bidders registered as Micro or Small Scale enterprises are exempted from submission of EMD. Medium enterprises are not exempted. BHEL may seek additional documents apart from Udyog Aadhaar Registration / Udhyam Registration certificate to validate the MSE status of bidder.
4. Bidders are requested to attached this corrigendum, revised unpriced and priced bid along with tender.
