### NOTICE INVITING TENDER

BHEL Power Sector, Northern Region invites bids for the following item required at BHEL Thermal Power Project Sites, Distt.: Jhajjar (Haryana) in India:-

Enquiry No.	Item Description	Last Date of Tender Submission & Opening
<b>BHEL/PSNR/SCP/ OPR/ E-1737</b>	<b>SUPPLY AND SUPERVISION FOR ASSEMBLY AND COMMISSIONING OF 360 MT CAPACITY PORTAL GANTRY CRANE AS PER SPECIFICATIONS FURNISHED IN ANNEXURE-I AND GENERAL ARRANGEMENT DRAWING ANNEXURE-II OF TENDER ENQUIRY. QUANTITY REQUIRED - ONE NO.</b>	<b>01.08.2009 3.30 PM (IST)</b>

### QUALIFYING REQUIREMENTS / PAST EXPERIENCE OF BIDDERS:-

- (i) BIDDER SHOULD HAVE BEEN MANUFACTURING AND SUPPLYING PORTAL GANTRY CRANES OF 300 MT 'OR' HIGHER CAPACITY FOR AT LEAST LAST THREE YEARS.
- (ii) BIDDER SHOULD HAVE SUPPLIED MINIMUM TWO UNITS OF 300 MT 'OR' HIGHER CAPACITY OF SAME MAKE PORTAL GANTRY CRANES AND THAT SHOULD HAVE BEEN IN OPERATION ANY WHERE IN THE WORLD.
- (iii) THE OFFERED CRANE MODEL SHOULD BE FROM CURRENT MANUFACTURING RANGE.

### **NOTES:**

1. The bidder shall either be Manufacturer of the offered crane or their authorized dealer. In case the bidder is an authorized dealer, they shall submit authorization of the manufacturer along with the technical bid. The bidders shall enclose details/documents in support of their offers in line with qualifying requirements as given above, in their technical bid (Part-I).
2. The Tender Documents comprise of following;
  - (1) Technical specifications.
  - (2) Special Terms & Conditions.
  - (3) General Terms & Conditions.
  - (4) Rate Schedule (Price Bid)
  - (5) Format for B.G
3. Tender Documents with complete details are hosted in this web page. Bidder(s) intending to participate may download the tender document from **the web site (www.bhel.com)**.

4. Bidder(s) may also collect hard copy of tender documents from this office. Tender documents (non transferable) will be issued free of cost on all working days between 09.30 Hrs. to 12.30 Hrs up to **31.07.2009**. Request for issue of tender document should clearly indicate Tender No. and item description
5. Tenders must be submitted to the undersigned latest by **01.08.2009** before opening of technical bids commences. Technical bids shall be opened at 15.30 Hrs. on 01.08.2009.
6. **Earnest Money Deposit (EMD)** : Refundable, Non-interest bearing **EMD of Rs. 2,00,000/-** (Rupees Two Lacs only) from Indian bidders or US dollar 5000/- (US Dollar Five Thousand only) from foreign bidders shall be deposited by Account Payee Pay Order 'OR' Demand Draft in favour of " Bharat Heavy Electricals Limited" payable at Delhi/Noida.
7. Tenders not accompanied with Full Earnest Money Deposit, as indicated above, will not be considered.
8. The port of delivery for these cranes shall be Kolkata/Haldia or Mumbai in India.
9. All corrigenda, addenda, amendments and clarifications to this Tender will be hosted in this web page and not in the newspaper. Bidders shall keep themselves updated with all such amendments.
10. BHEL reserves the right to accept or reject any or all tenders without assigning any reason whatsoever (BHEL reserve the right to reject any offer in case of any deviation from tender specifications).
12. BHEL takes no responsibility for any delay/loss of documents or correspondences sent by courier/post.
13. Purchase Preference will be given to CPSUs as per Guide lines of Govt. of India.

**DGM/SCP**

**TECHNICAL SPECIFICATIONS**  
**(360 MT CAPACITY PORTEL GANTRY CRANE)**

**A. PRINCIPAL DIMENSIONS:**

1. Spans: 26.70 Meters( In three suitable sections for easy transportation)
2. Height of main column: 21.60 Meters ( in four segments)
3. Short column starting height: 17.20 Meters
4. Top height of girder: 25.00 Meters

**Permissible tolerance: - 0.05 Meters**

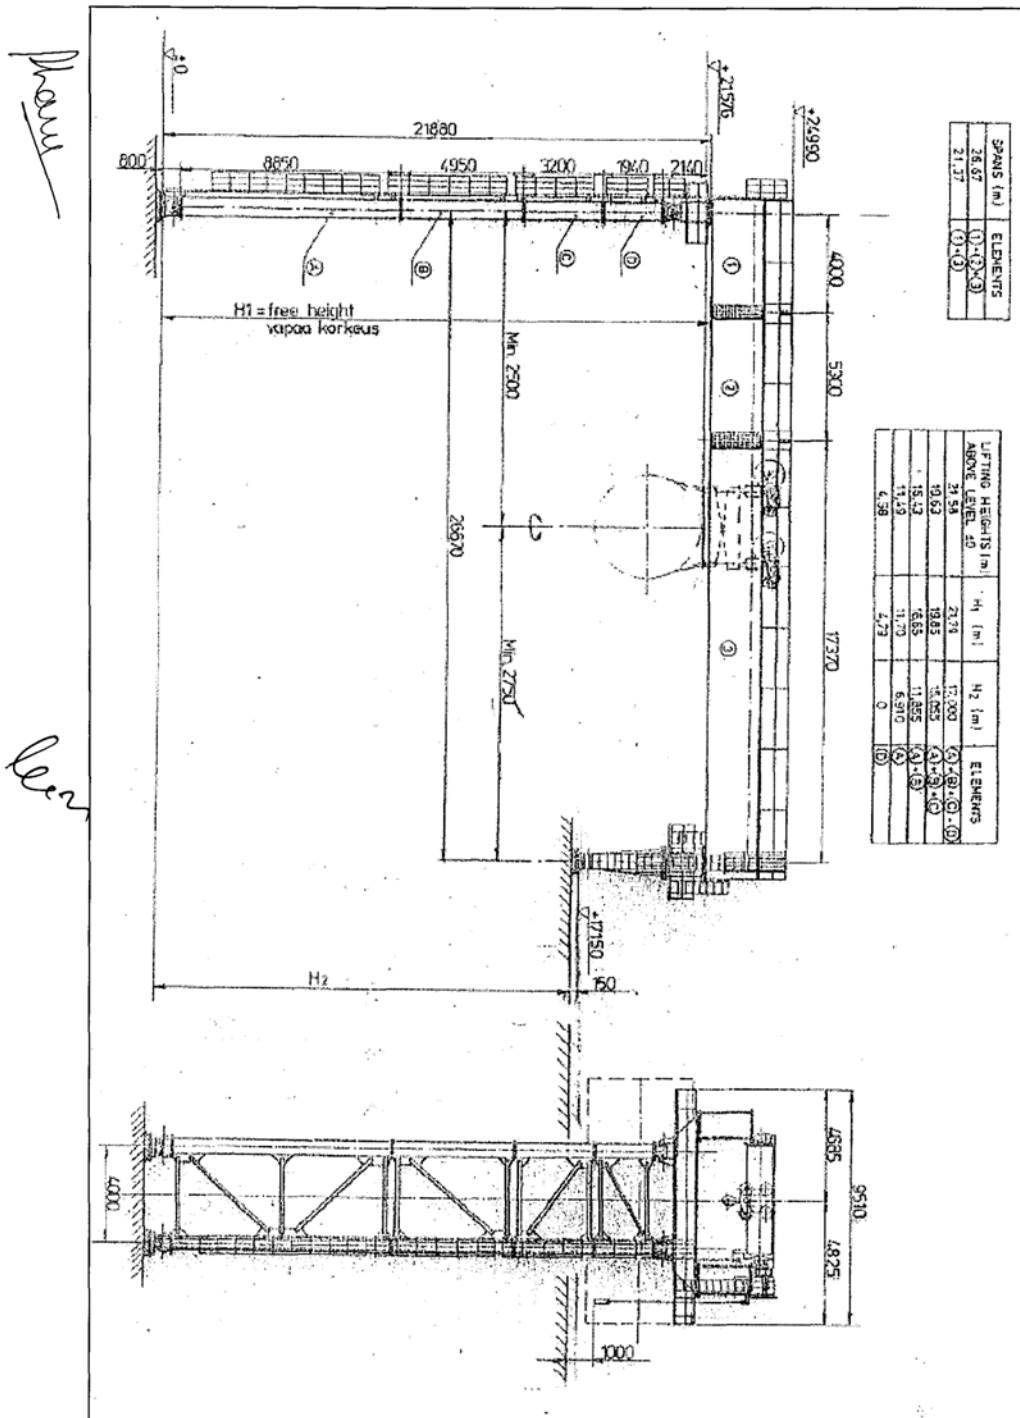

**B. OTHER REQUIREMENTS:**

1. Drives: (1) Main hoist (2) main hoist micro (3) transverse (4) transverse micro.
2. Safety Feature: 1) Phase sequence protection (2) Over load / Thermal protection (3) Over hoisting and transverse limit protection.
3. Load test and over load test shall be carried out as per manufacturer's standards at their works.
4. Spares required for two years operation.
5. 360T Double Girder Special Gantry Crane as per IS 3177 or FEM or equivalent International Standards. The cranes supplied shall be of latest technology with high performance, safety, ease in maintenance, good appearance, best quality and perfect after sale service.
6. Proper routing & clamping of copper piping must be ensured.
7. Supplier shall provide Cables, Limit switches; Control panels, Junction Boxes, Siren, indication lamp and 4 nos. floodlights on bottom of Girder other necessary accessories with crane.
8. Supplier shall provide the crane is Remote operated. RRC (Radio Remote Controller) shall be of push button or Joystick type. There should not be any frequency interference between remote controllers to ensure safety.
9. Supplier shall provide 2 Nos. of power indication lamps (LED type). It will work when cranes under operation.
10. Supply of a tool box along with tools like torque wrench, portable hydraulic jack, hand grease gun, set of spanners, screw drivers, hammers multi meter, megger ,tong tester etc. required for maintenance of crane. One set of toolbox with tools and tackles shall be supplied for each crane.
11. **DESIGN BASIS (Structural Details):** The crane bridges shall be of welded double web wide BOX construction and shall be designed as per IS: 807 / FEM / and or AISE NO. 6-1991. The materials of construction shall be weld-able mild steel in compliance with the relevant standard. However, high strength weld able structural steel also may be used wherever required in compliance with the relevant standards.

Vertical deflection caused by rated and all dead load should not exceed 1/900 of crane

Span.

12. **Lifting hooks:** Standard Ramshorn hooks shall be used conforming to DIN 15402 .The hooks shall be with trapezoidal section. All hooks shall be provided with closing finger and swivel lock arrangement. Hooks shall be tested as per statutory requirement and certificate furnished. Hook Looking system to be provided in Hook Block Assembly.
13. **Wire ropes:** The rope construction should be 6x36 IWRC TS 200 kgs / square mm. Fleet angle of the rope in any operating position shall not exceed 4 deg.
14. **Brakes:** The brakes shall be provided for all motions on the high-speed pinion shaft of the gear train. All Brakes must be DC Electro Magnetic Disc Brakes.  
The Brakes provide shall have the following features:
  - External adjustments as well as automatic wear compensation
  - Prior information for replacement.
15. **Lubrication:** The lubrication nipples are collected into logical groups for easier lubrication. One or two set of nipples are to be in trolley and two on the bridge, one on each end carriage.
16. **System Voltage:** The power at the down shop leads will be available at 440 V, 3-phase, 4 wire, 50 Hz for with 4th wire being the earthed conductor. The equipment selected shall be suitable for voltage variation of +10%, -15% and frequency variation of 50 Hz, +5%, -6%. However, drive system for high capacity cranes shall be selected for voltage operating range of 70% to 110% of rated supply. Also this shall operate satisfactorily in case of a voltage dip up to 30% for duration of 500 milliseconds.
17. **Inspection and testing:** The equipment will be inspected as per the tests pre-identified in the Approved Quality Assurance Plan (QAP), relevant approved drawings, specification, data sheet etc. Within three weeks from the award of the Contract, Supplier shall prepare and submit. QAP format for Purchaser's approval.
18. **Functional test and full load test at factory:** The cranes shall be assembled at shop and tested for full load and 25% over load test. Total Mechanical (except wire rope) & Electrical Equipments (all the electric equipment including cable inside the girder and cabin, motor for each mechanism) are to be erected and functionality tests are to be done. Equipment shall be inspected for structural control assembly, wheel alignment, etc.  
Apart from the above, equipment shall be tested for the vibration, Noise, Temperature rise, hardness, etc. as applicable.

ANNEXURE - 11  
General Arrangement Drawing for 360T Gantry Crane

## **SPECIAL TERMS AND CONDITIONS**

Sealed tenders in Duplicate in two part bid system i.e. Part-I – Techno-Commercial bid alongwith EMD and Part-II - Price bid are invited for supply, supervision of installation and commissioning of **ONE NUMBER 360 MT CAPACITY PORTEL GANTRY CRANE** as per detailed specifications furnished in Annexure-I, so as to reach us before the date of opening. **The tenders (Part I only) will be opened at 3.30 PM (IST) on 01.08.2009.**

The tenderers are advised to submit the bid in conformity with the following: -

### **1. Offer should be submitted in two part bid system as under;**

#### **1.1 (Part – I) --Techno-Commercial bid alongwith EMD. It should include the following: -**

- i) **'EMD' by Demand Draft in favour of M/s Bharat Heavy Electricals Limited, Delhi/Noida failing which the offer is liable to be rejected.**
- ii) **Technical specifications of the offered cranes** along with necessary catalogues, drawings, load charts and technical literatures for engine, torque converter, load moment device, pumps and motors of the offered crane.
- iii) **List of essential spares as required** for two years operation.
- iv) **Documents** in support of qualifying requirements given in the 'NIT'
- v) **Authorization from the manufacturer** of offered crane in favour of the dealer, in case the bidder is a authorized Indian dealer.
- vi) **Details of safety devices / controls** to be provided in the crane as standard and as optional.
- vii) **Shipping detail** for road transportation.
- viii) **Rate Schedule (Un-Priced)**—with a confirmation that all the items of the Rate Schedule of this NIT have been quoted.
- ix) **Details of service facilities** available in India for 'After Sales Service'.
- x) **Acceptance** to commercial terms and conditions and the technical specifications.
- xi) **Deviation statement** from tender conditions (In case the deviation is not acceptable BHEL, reserves the right to reject the offer).

#### **1.2 Part II (Price bid) :-**

- i) As per Rate Schedule format enclosed (**Annexure-III**)
- ii) The bidders should fully understand scope of supply and their responsibilities under the tender specifications before quoting. **The bidders are required to quote the rates as per rate schedule only, in part-II price bid. Conditional price bid or price bid with any deviation are liable to be rejected.** No cutting / erasing /overwriting shall be done in the price bid.

**2. Following should be super scribed on the envelopes of the two parts of the Bid.**

**Part I: Techno-Commercial Bid along with EMD:-**

Tender for:

Tender No. :

Due on:

**Part II (Price bid)**

Tender for:

Tender No. :

**3. Both Part I and Part II should be individually sealed and super scribed as indicated above and shall be enclosed in one main envelope duly sealed and super scribed as:**

**Tender for:**

**Tender No.:**

**Due on:**

**Containing Part I and Part II of the offer.**

**4. The tenders should be sent sufficiently in advance so as to reach before the due date and time. BHEL shall not be responsible in case of delay in receipt of tenders.**

**5. Inspection and Supervision of Installation & Commissioning & Training: -**

The supplier shall offer the cranes for inspection and for load test at manufacturer's works as per international norms and mutually accepted quality plan. The tests shall be carried out in presence of BHEL engineers or its nominated representative.

Installation and commissioning of cranes at site will be under supervision of competent engineer from the manufacturer. The Load test and Acceptance Test shall be carried out on assembly / commissioning of cranes at site in presence of engineers from manufacturer and equipments will be taken over on successful completion of such tests. At site, load test shall be carried out with available load.

Training: - For each crane, necessary training for operation & maintenance shall be given to BHEL personnel free of charge at site.

**6. The delivery required within Six months from date of P.O. However, tenderers should indicate the best possible delivery period.**

**7. Offers should be valid for a period of 180 days from the date of Techno-Commercial bid (Part-I) opening.**

**8. Service support of the equipment under purchase is of utmost concern. Tenderers shall elaborate on the service network and spare parts availability, which are to be ensured to maintain the equipment after initial commissioning and completion of warranty period. In case service/spare parts facilities are not available in India, tenderers shall indicate the maximum possible time in making the services available from places outside India.**

**9. The equipment being offered should be of robust design and suitable for operations in Indian climatic conditions such as saline atmosphere, ambient temperature upto 50<sup>0</sup> C. The electrical and controls should be tropicalised to withstand such climatic conditions.**

**10. In case the equipment is offered from outside India, the tenderers shall also submit following information alongwith techno-commercial bid (Part-I) :-**

- a) Gross / Net weight of Equipment along with accessories in Kgs.
- b) Volume of cargo in packed condition in Cubic Meter.
- c) Number of packages and their individual weight/volume in MKS system, along with tentative shipping list.
- d) Name of the nearest load port and its distance from works.
- e) Approx. Voyage time from load port to the port in India.
- f) Ocean freight from load port to the port in India. **To be furnished in Rate Schedule format – Annexure- II**
- g) Name and address on whom Order is proposed to be placed.
- h) In case of payment through Letter of Credit, names of Beneficiary and Banker with account details.

**Notes:**

- (i) Letter of Credit can be opened only in the name of the original foreign supplier/manufacturer and it should be same on whom Purchase order is also to be issued. **Indian suppliers shall not be paid through L/C.**
- (ii) **For evaluation of bids, since the bids are expected to be in different currencies, the exchange rate shall be considered as ‘T.T. selling rate’ of State Bank of India on the date of Techno-commercial Bid Part-II opening. In case of Holiday, rates for previous day shall be considered.**
- (iii) All LC processing charges, except opening charges with our Bankers, shall be borne by the beneficiary i.e. the supplier.

**11. Payment Terms:** The supplier shall adhere to the following payment terms for each crane :-

- a. 80% of ex-works/FOB value of crane and spares against dispatch documents.

The set of despatch documents for 80% payment shall be as follows

- Three Original of tax Invoices (Invoice). The invoice to clearly indicate detail of spares and lubricants/consumables (Required for commissioning of crane) despatched along with each crane.
  - Full set of Clean on Board Bill of Lading- In-Original (In case of foreign supplier)
  - One original and one copy of Packing List
  - Certificate of Country of Origin issued by appropriate authorities. (In case of foreign supplier)
  - Load Test Certificate of the Crane at Manufacturer Works, duly certified by BHEL or its Authorised Agency or its waiver.
  - Warranty Certificate for the goods
  - Manuals of crane model supplied alongwith documents at Sl. no. 23 of Technical specifications of this NIT.
  - Certificate confirming, “Goods supplied are new”.
- b. 100% Taxes and Duties against dispatch documents
  - c. 100% Ocean freight and Insurance charges, as applicable, on receipt and custom clearance of the total consignment (crane and spares) in case of foreign supplier.
  - d. 100% payment of custom duty, CVD, custom clearance & handling charges, etc., as may be applicable, after custom clearance against submission of documentary proof.
  - e. 10% of ex-works/FOB value of crane and spares on installation, testing and commissioning of crane at site.

- f. Balance 10% of ex-works/FOB value of crane and spares along with Supervision charges for assembly, testing and commissioning of crane at BHEL site within 30 days of commissioning / acceptance test at site against performance bond / Bank Guarantee of 10% of order value.

**NOTES:-**

**(i) Tenderers are required to specifically confirm acceptance of these payment terms in their techno-commercial offer.**

**(ii) No advance shall be paid.**

**12. Warranty:-**

The crane offered shall carry a warranty for a period of 12 months from the date of installation at site or 2000 hrs. of operation, whichever occurs earlier. **Rectification / replacement required during the warranty period will be arranged by the supplier, free of cost including to and fro transport charges and import duty/excise duty/other taxes/insurance etc payable on replacement items.**

- 13** The supplier shall provide three free service visits of their service engineer during the warranty period. Each visit shall be of at least two days duration at site. These free visits shall be in addition to deployment of service engineers by the supplier to attend to break downs, if any, during the warranty period.
- 14.** All lubricants / consumables (except fuel) required for successful commissioning of the crane shall be supplied along with the crane without any extra cost.
- 15. No separate Indian agent's commission will be payable. Bidder shall confirm this specifically in their techno-commercial bid.**
- 16.** On acceptance of techno-commercial and price bids, **BHEL reserves the right to conclude the contract either on FOB 'OR' on C&F OR CIF basis at its sole discretion.**
- 17.** In case of any contradiction between General Terms & Conditions and Special Terms & Conditions, the latter shall prevail.
- 18. Unsolicited rebate/discount shall not be accepted after bid opening.**
- 19.** All sheets of the offer should be duly signed and stamped by the tenderers and should be submitted along with the Part-I bid.

**DGM/SCP**

## **GENERAL TERMS & CONDITIONS**

1. Manufacturer's name, their trade mark and brand, if any should invariably be mentioned in the tender and illustrative leaflets in duplicate giving technical particulars etc. should be attached to the tender, to facilitate consideration of the offer.
2. Materials should be of best quality and correct to specifications, relevant DIN/ISO/ANSI standard or any other equivalent INTERNATIONAL standard specification.
3. Correct date of affecting supplies in the event of an order from this office should be recorded in the tender.
4. Please note that **No advance shall be paid** and our terms of payment are as per **clause 11** of "**SPECIAL TERMS AND CONDITIONS**" (enclosed).

In case of payment through LC, Bank charges other than LC opening charges will be to the Beneficiary's account.

5. Bharat Heavy Electricals Limited does not bind itself to accept the lowest tender, but reserves to itself the right to accept or reject all or part of any tender at its discretion.
5. **No enhancement of rate, whatsoever the cause, will be allowed once the offer is accepted and the order is placed.** Withdrawal of the offer after it is accepted or failure to make the supply within the schedule period will entail cancellation of purchase order and forfeiture of earnest money (EMD) and or purchase at the risk and cost of supplier.
6. **Security Deposit :** For each crane, the successful bidder shall furnish a **Security Deposit (SD) in the form of bank guarantee/DD** for an amount equivalent to 10% of the order value (FOB/Ex Works value) of each crane for the satisfactory execution of the Purchase Order(PO) in accordance with the terms and conditions and delivery specified in the PO. The BG shall remain valid till completion of delivery period plus two months. The supplier shall extend the validity of the BG in case of delay in delivery. The bank guarantee (BG) shall be submitted **from a Bank as per the list enclosed 'OR'** from any other scheduled Bank in India. However, discretion of its acceptance shall lie solely with BHEL. The SD shall be submitted within 15 days from the date of acceptance of Purchase Order/L.O.I. The above BG shall be returned after receipt of 'Performance Bank Guarantee' as mentioned against SL NO. 13 below.
7. The quantities of each item to be purchased may vary according to actual requirement at the time of placement of order.
8. Supply against orders will be subject to the General Conditions of Contract prevailing in **Bharat Heavy Electricals Limited**.
9. Where Sales Tax/VAT is payable extra it will only be paid if registration numbers both under local sales tax/VAT and Central Sales Tax are specifically mentioned on the invoice. Tenderers should invariably quote their sales tax/VAT Registration No. in the offer.
10. **Liquidated Damages:** It is clearly understood between the parties to the contract that the delivery of the goods specified in the purchase order should be made within the time limit prescribed. Where the seller supplies or dispatches the goods beyond the delivery period specified, the purchaser will have no obligation to accept the goods. If accepted, liquidated damages at the rate of ½% (half percent) of the value of goods in arrears per week subject to a maximum of 5% (Five percent) of order value, will be levied at the discretion of the purchaser, without prejudice to any other relief or compensation due to the purchaser under any other condition to the contract.

11. **Risk Purchase:-** Alternatively, the purchaser at his option, will be entitled to terminate the contract and to purchase elsewhere at the risk and cost of the seller either the whole or any part of the goods which the supplier fails to deliver or dispatch within the time stipulated as aforesaid, or if the same were not available, the best and the nearest available substitute therefore. The seller shall be liable for any loss which the purchaser may sustain by reason of such risk purchase in addition to L.D. at the rate mentioned in clause 10 above.
12. **Inspection:** All goods and work are subject to our inspection either at your works or after delivery as may be agreed. The decision of BHEL shall be final. Rejected goods will be returned to the supplier at his cost including freight on original shipment. The tenderers shall also offer load test/over load test of the crane at manufacturer's works in presence of engineers from BHEL. Load test shall also be carried out with available load at site as per load chart of the crane.
13. **Performance Bank Guarantee :-** Each crane will be guaranteed by the tenderer against any manufacturing defect, bad workmanship, bad material used etc., for a period of 12 months from the date of commissioning at site or 2000 hrs of operation whichever is earlier. Any material found defective or fails within the guarantee period due to any of the above reasons within this period will have to be replaced by the supplier free of cost, and any other charges including to and fro transportation charges etc. will also be borne by him. **A Bank Guarantee from bank (separate BG for each crane) as per enclosed list of banks or any other scheduled bank in India, and equal to 10% of the order value and valid upto 12 months from the date of Installation and commissioning of each crane at site for the satisfactory performance of the crane shall be furnished at the time of claiming final 10% payment.** Discretion of acceptance of BG from any other scheduled bank in India shall lie solely with BHEL.
14. **Insurance:** - Wherever specifically agreed to, the supplier will insure at his cost the goods for all transit risks including 90 days storage risk from the date of delivery of the goods at the final destination.  
In all other cases, supplier must furnish particulars of dispatch i.e. station of dispatch and destination, name of the goods, number of cases and their weights, value of the goods including all taxes, duties, levies and freight etc. for each consignment immediately after the dispatch of goods. Failure to do this will make the supplier responsible for making good any loss which might have otherwise been recovered from insurers.
- Note: However, the supplier shall still remain responsible for defective parts or short supply and defective packing.**
15. **Metric System:** - Suppliers are requested to give metric measurements while quoting.
16. **Arbitration :** All disputes between the parties to the contract arising out of or in relation to the contract, other than those for which the decision of the Engineer or any other person is by the contract expressed to be final and conclusive, shall after written notice by either party to the contract to the other party, be referred to sole arbitration of the General Manager or his nominee. The arbitration shall be conducted in accordance with the provisions of the Arbitration and Reconciliation Act, 1996/the Rules of Conciliation and Arbitration of the International Chamber of Commerce, Paris. The place of Arbitration shall be New Delhi (India).
17. Any suites in respect of this contract shall have the jurisdiction of the courts of New Delhi (India) only.

DGM/SCP.

**ANNEXURE-III****RATE SCHEDULE**

<b>Sl.No.</b>	<b>DESCRIPTION</b>	<b>PRICE</b>
1.	TOTAL F.O.B./EX-WORKS PRICE FOR SUPPLY OF ONE NUMBER 360 MT CAPACITY PORTEL GANTRY CRANE ALONG WITH ESSENTIAL SPARE PARTS AS PER DETAILED SPECIFICATIONS FURNISHED IN ANNEXURE-I AND AS PER SUPPLIER'S OFFER.  <b>NOTES:</b> (i) Imported crane supplier shall quote F.O.B price whereas indigenous crane supplier shall quote Ex-Works price for crane. (I) Bidders shall enclose the list of spares along with their technical bid (Unpriced) (II) The list of spares shall also be enclosed along with Price Bid (Part-II), indicating price of each item covered in the list.	
2.	SHIPPING (OCEAN) FREIGHT UPTO THE PORT IN INDIA. (FOR IMPORTED CRANE SUPPLIER) (I) FOR DELIVERY OF CRANE TO MUMBAI PORT <b>OR</b> (II) FOR DELIVERY OF CRANE TO KOLKATA/HALDIA PORT	
3.	INSURANCE (MARINE) CHARGES FROM MANUFACTURING WORKS UPTO PORT IN INDIA. (FOR IMPORTED CRANE SUPPLIER) (I) FOR DELIVERY OF CRANE TO MUMBAI PORT <b>OR</b> (II) FOR DELIVERY OF CRANE TO KOLKATA/HALDIA PORT	
4.	CUSTOM DUTY, COUNTER VEILING DUTY, CUSTOM CLEARANCE, PORT HANDLING & DOCUMENTATION CHARGES ETC. (FOR IMPORTED CRANE SUPPLIER) <b>OR</b> EXCISE DUTY, CST (FORM C SHALL BE PROVIDED BY BHEL) ETC.	
5.	INLAND FREIGHT CHARGES FOR DELIVERY AT JHAJJAR	
6.	INLAND TRANSIT INSURANCE CHARGES FOR DELIVERY AT JHAJJAR	
7.	SUPERVISION CHARGES FOR ASSEMBLY, TESTING & COMMISSIONING OF CRANES AT SITE.	
8.	CENVAT BENEFIT TO BHEL AGAINST EXCISE DUTY	
9.	<b>GRAND TOTAL COST TO BHEL(TOTAL OF 1 TO 7 MINUS 8)</b>	

**DELIVERY (F.O.B. / EX-WORKS/ INDIAN PORT/ F.O.R.DEST. SITE): --- (IN MONTHS)**

**VALIDITY OF OFFER:**

**NOTES:**

- Bidders are required to quote for each and every item from 1 to 7 as indicated above. Please indicate **NA** against items not applicable.
- Any other charges, if not specified above, may also be indicated.

3. Incomplete offer received may not be considered.
  
4. The Rate shall be entered in figures as well as in words. In case of difference in rates between words and figures THE LESSER OF THE TWO will be treated as valid rate.
  
5. The Rate Schedule (unpriced) shall be enclosed by the bidders in their technical bid (Part-I), confirming specifically that all the items of the Rate Schedule have been quoted.
  
6. CENVAT/MODVAT credit: The quotation must indicate Tariff item number and rate / value of Excise Duty applicable and CENVAT credit available to BHEL. In such case, party should raise Cenvatable Invoice as per Excise Laws/Rules. The amount of CENVAT Credit available to BHEL will be considered while evaluating the bids.

(Signature and Seal of Tenderer)

(To be stamped in accordance with Stamp Act)

BANK GUARANTEE TOWARDS CONTRACT PERFORMANCE

.....(Rupees.....crores.....lacs.....thousand.....hundred only)  
without cavil or argument, demur, reservation, recourse, contest and/or without any reference to the Sub Contractor. Any such demand made by the Main contractor on the Bank shall be conclusive and binding notwithstanding any difference between the Main Contractor and Sub Contractor or any dispute pending before any court, tribunal, arbitrator or any other authority.

This guarantee shall remain in full force upto and including the -----day of .....200 (....days after the date of successful completion of defects liability period) and shall be extended from time to time for such period as may be desired by the main contractor.

The Bank also agrees that the Main contractor at its option shall be entitled to enforce this guarantee against the Bank as a Principal Debtor, in the first instance without proceeding against the sub contractor notwithstanding any security or other guarantee that the Main Contractor may have in relation to the sub contractor's liabilities.

The Bank further agrees that the guarantee herein contained shall remain in full force during the period that is taken for the performance of the contract and it shall continue to be enforceable until

all the dues of the Main contractor under or by the virtue of this contract have been fully paid and its claim satisfied or discharged or until the Main contractor discharges the guarantee in writing.

We further agree between us and the main contractor for the purpose of this guarantee any notice given to us by the Main contractor and any amount claimed in such notice by the Main contractor and any amount claimed in such notice by the Main contractor shall be conclusive and binding on us notwithstanding any differences between the Main contractor and Sub Contractor or dispute pending before any court Tribunal, Arbitrators or any other authority. We further agree that this guarantee shall not be affected by any change in our Constitution or that of the Sub Contractor. We also undertake not to revoke this guarantee during the currency. This guarantee shall not be determined, discharged or affected by the liquidation, winding up, dissolutions or insolvency of the Sub Contractor and shall remain valid, binding and operative against the Bank.

The Main contractor shall have the fullest liberty without affecting his guarantee to postpone from time to time the exercise of power vested in them or any right which they might have against the Sub Contractor and to exercise the same at any time in any manner and either to enforce or to fore bear to enforce any covenants contained or implied in the contract between the Main Contractor and the Sub Contractor or any other course or remedy or security available to the Main Contractor. The Bank shall not be released from its obligations under these presents by any exercise by the Main contractor of its liberty with reference to matters aforesaid or any of them or by reasons of any other act of forbearance or other acts of omission and commission on the part of the Main Contractor or any other indulgence shown by the Main contractor or by any other matter or thing whatsoever, which under law would, but for these provision, have the effect of relieving the Bank.

Notwithstanding anything containing herein above our liability under this guarantee is limited to ....% (.....percent) of the total contract price i.e.....  
.....upto Rs.....(Rupees.....only)

This guarantee shall remain in full force upto and including the .....day or.....200 (...days after the date of successful completion of defects liability period), unless extended further, from time to time for such period as may be desired by the main contractor and it shall remain in full force upto and including .....days after the extended date. Any claim under this guarantee must be received by us before the expiry of its period of validity including extended validity date, if any, and if no such claim has been received by us within the said validity period, the Main Contractor's rights under the guarantee will cease. However, if such a claim has been received by us within & upto the validity date/extended validity date all the Main contractor's rights under the guarantee shall be valid and shall not cease until we have settled the claim.

"Any claim or dispute arising under the terms of this document shall only be enforced or settled in the Courts of at New Delhi/Delhi only".

IN WITNESS whereof the.....(Bank) has hereunto set and subscribed their hands the day, month and year first above written.

Signed for and on behalf of the Bank  
(with the seal of the bank)
