CORRIGENDUM-07

Subject: - Clarification on variation in overall contract values

1. **Over all (%) quantity variation:** The variation on overall package value due to changes in the scope shall be limited to +/- 10%. This is to be considered as a part of NIT which will prevail over the quantity variation clause no.6.0 indicated in the GCC rev 06.

The bidders, who already have submitted their offer, may opt to submit revised bid on account of change in quantity variation clause on or before revised due date & time of offer submission otherwise same shall be considered as accepted without need of change in already submitted offer.

All other terms & conditions shall remain changed.
