REASON FOR BRAND JUSTIFICATION-

The PI items for PI 830420042 are required for work head spindle and table of CNC HB and Grinding Machine (5/A/2046 & 5/A/2142). Due to the accuracy required in the machine we choose make like SKF/INA/FAG/NSK/NTN/RHP which have been regularly used in BHEL for CNC HB and Grinding Machine in Rotor and Stator shop TXM-BI-II.
