

**Expression of Interest (EOI) for identification of vendors for Silicon
Impregnating Resin for Class 200 Insulation System.**

BHEL invites Expression of Interest (EOI) from reputed, technically and financially sound vendors for supply of Silicon Impregnating Resin for Class 200 Insulation System. This resin shall be used for manufacturing of 3-phase AC Traction Motors.

Pre-Qualification Requirement (PQR) can be downloaded from website (www.bhel.com). The interested parties may submit their Expression of Interest along compliance of PQR through email within 30 days of the EOI publication date.

Interested vendors may contact following BHEL Bhopal representative for further technical details.
