Scope of work

Name of work: **“Miscellaneous sanitation and cleaning activities in BHEL Jhansi.”**

Scope of work shall consist of:

1. Clearing jungle including cutting of rank vegetation, grass, brush wood, trees and saplings of girth up to 30 cm measured at a height of 1 m above ground level and removal of rubbish up to a distance of 50 m outside the periphery of the area cleared. The clearing of area may be carried out manually or using any mechanical equipments like JCB, Tractor mounted loader etc.
2. Clearing of unwanted vegetation from solar plant area and removing of grasses from below the solar panels and other area in factory by labours using manual tools and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. The work is to be carried out ensuring that panels and other electrical establishments are not damaged/disturbed while cleaning and cutting process. (All tools & plants provided by Contractor)
3. Cleaning of road side drains by removing grass, soil, etc. and removal of rubbish up to a distance of 50 m outside the periphery of the area cleared. The clearing of area may be carried out manually or mechanically.
4. Felling trees of the girth above 30 cm (measured at a height of 1 m above ground level), including cutting of trunks and branches, and stacking of serviceable material and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor).
5. Trimming of trees under around of over head H T and LT lines and dispose of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor)
6. Trimming of trees under around of street light poles and other area and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor)
7. Cleaning of cable trench including opening the trench cover, removing all waste material and dispose of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor)
8. Cleaning of oxidation pond and removing the vegetation and sludge (upto 300 mm depth) and disposal of waste material up to 500 m and stacking of sludge at appropriate place as per the instruction of Engineer-in-charge. (All tools & plants provided by Contractor)
9. Cleaning of drain (Nallah) inside factory area and disposal of material with tractor trolley upto suitable location as per instruction of Engineer-in-charge.
10. Cutting of grass and unwanted vegetation using manual tools in and around shops and office area and disposal of material upto 50 m as per instruction of Engineer-in-charge.
11. Cleaning of RCC roofs and dispose of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor)
12. Cleaning of factory floor using saw dust (Wood dust) and disposal of oil-soaked saw dust into the designated dustbin as per instruction of Engineer-in-charge.

Factory Civil Department**TENDER DOCUMENT****TENDER ENQUIRY NO. : FCX/TW/24/22****DATE:- 23/01/25**

13. Cleaning of gully Chambers and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor).

14. Cleaning of Man holes (Up to 2.0 m depth) and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor).

15. Cleaning of Man holes (Above 2.0 m to 4.0 m depth) and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor).

16. Cleaning of Man holes (Above 4 m depth) and disposal of waste material in suitable bin as per instruction of Engineer-in-charge. (All tools & plants provided by Contractor).

The scope shall also include all associated & enabling works including the cost of labour, tools & tackles and materials except for those to be provided by BHEL free of cost or on chargeable basis as mentioned in the schedule.

The contractor has to submit following equipments at the time of start of work in FCX department:

S. No.	Description	Quantity (Number)
1	Petrol Chain Saw	1
2	Electric Chain Saw	1

These equipment shall be submitted by contractor in order to ensure smooth execution of work without any delay in want to equipment. These equipment shall be submitted on "Returnable Basis" and these shall be returned after completion of currency of contract. In case of any failure in these equipment, contractor shall get them repaired within 15 days. If the damage is irreparable, the contractor has to replace these equipment with this 15 day period.

The contractor has to provide other tools and tackles to the workers as required on need basis for holistic completion work.

The contractor has to depute a "Designated Supervisor" for the work. He must ensure continuous attendance (at least 23 days presence in a month), so that the assigned work can be carried out without any delay. However, in period of less work, the supervisor can be given a break by the contractor but only after consultation and permission from Engineer-incharge.

It is also advised that the bidder shall visit the Jhansi plant and physically see the work area in order to have visualization of the work content involved in the above works.

Note:

The quantity of items in the BOQ can vary to any extent during the execution as per actual requirement.

The Job Card Format is also attached along this tender document. The works are to be completed within the timelines specified in the Job Card at the time of work allotment. Contractor has to submit the filled and signed Job Card post completion of work. If the timelines mentioned in the Job Cards are violated continuously, due to reasons attributable to contractor, BHEL will strict action against the contractor.

Qualifying Requirements

1. Copy of PAN Card to be submitted.
2. Copy of PF registration.
3. Copy of GST Registration to be submitted.
4. Self-Declaration undertaking duly signed with stamp of the bidder on letter Pad of contractor to be submitted.
5. Copy of independent ESI Registration.
6. Signed copy of blank Price bid.
7. Work Experience: Bidder should have experience of executed similar work during last 7 years ending the month previous to the month of issuing tender enquiry either of the following: -

FOR NON MSE REGISTERED BIDDERS

One similar works each valuing not less than the amount equal to Rs 9.04 Lakhs or

Two similar works each valuing not less than the amount equal to Rs 5.65 Lakhs or

Three similar works each valuing not less than the amount equal to Rs 4.52 Lakhs.

FOR MSE REGISTERED BIDDERS (MSE bidders have to submit valid UDYAM certificate covering civil construction/maintenance work related activities)

One similar works each valuing not less than the amount equal to Rs 2.26 Lakhs or

Two similar works each valuing not less than the amount equal to Rs 1.41 Lakhs or

Three similar works each valuing not less than the amount equal to Rs 1.13 Lakhs.

Executed Similar Work means bidder has experience of “Any type of Civil Construction / Maintenance / Renovation Work” of requisite value even if the contract has not been completed or closed (in any PSU / CPSU / State Govt. / Central Govt./ Private Sector).

Documentary proof of execution of work to be submitted in the form of Completion Certificate/ confirmation from the customer/ Bill summery (duly certified by bidder) and WO/PO/LOI/LOA/work agreement) & TDS (Traces form 16A/26AS) for experience in PSU / CPSU / State govt. / Central Govt./ Private sector for successful execution of the requisite value. If the value reflecting in TDS is not matching with the work executed, bidders has to provide linking calculation/documents for the values mentioned in TDS certificate (Form 16/26AS) w.r.t documentary proof for similar work.

Further in case experience is submitted for work done in BHEL, TDS (Traces form 16A/26AS) certificate is not required.

8. Turnover criteria: Turnover criteria: Average Annual financial turnover during the last 3 years ending 31st March 2024, should be at least Rs. 3.39 Lakhs (FOR NON MSE BIDDERS) and Rs. 0.85 Lakhs (FOR MSE BIDDERS). (Bidder to attach audited balance sheet and Profit & Loss Account of last three financial years, ending 31st March 2023, or Certificate of CA as proof of financial T/o for respective years). If T/o details of 3 years are not available, then available years T/o shall be evaluated by dividing it by 3.

Note-1 :- Benefits under Start Up Scheme: Considering critical quality aspects and technical specification implications for this capital work, no relaxation shall be given to Start-up bidders on account of turnover criteria & prior experience.

9. EMD: Documentary proof in support of above eligibility criteria along with EMD shall be submitted along with Techno Commercial Bid. **EMD Value – Rs 22596.00**

10. The documents required for legal entities under whose name and style contractor has participated in the tender are as follows:

(i) Partnership Firm: Partnership Deed & registration certificate issued by office of registrar of Firms.

(ii) Company: Certified copy Memorandum of Association, Article of Association and Incorporation Certificate.

(iii) Society: Registration certificate issued by Registrar of societies.

(iv) Sole Proprietor-ship: Undertaking on oath (Rs. 100 stamp paper) that Proprietor is solely responsible for all rights and liabilities while working under the name and style of Sole Proprietorship firm namely (_____)

11. Bidders are required to submit a self-declaration to avoid cartel formation on their letter head as per the Format enclosed in Annexure A.

GENERAL TERMS AND CONDITIONS OF ENQUIRY FOR WORKS
CONTRACTS (JHS 2055C R02)

UPLOADED IN SEPERATE FILE - PAGE NO 01 TO 14

(To be signed by contractor and submitted along with bid)

TECHNICAL SPECIFICATION

1. The works shall be executed with the directions, instructions, which shall be given to the contractor by BHEL from time to time and as per technical specifications in price schedule and drawings available in the office to give a general idea of the work to be executed and is liable for modifications during the actual execution based on the designs prepared and approved by the Competent authority.
2. If the specifications found wanting relevant technical specifications along with the tender shall be followed. Further missing details relevant CPWD and IS specifications shall be followed. Wherever, there is difference in between CPWD and IS specifications latter shall prevail.
3. For execution of all scheduled items CPWD specifications and relevant IS codes are to be followed. For execution of non-scheduled items specifications enclosed with this tender are to be followed.
4. Specialized works are to be executed by specialized agency with the approval of BHEL.
5. The materials in the scope of contractor shall have to be got approved by the contractor from the Engineer-in-charge before supplying inside the factory area. Testing of these materials (If required) shall be carried out at any BHEL or Govt approved/NABL approved lab whose cost will be borne by the contractor.
6. Contractor shall ensure that quality is maintained in all works connected with this contract all stages as per requirement of BHEL. Contractor shall ensure all inspection, measuring and testing equipment are calibrated by authorized agency/BHEL and valid calibration must be available with them for verification by BHEL.
7. The contractor shall be fully and finally responsible for correctness and quality of his work to the entire satisfaction of the BHEL/Customer.
8. If in the opinion of the contractor any work is insufficiently specified or required modifications, the contractor shall refer the same in writing to the Engineer and obtain his instruction/approval in writing before proceeding with the work. If contractor fails to refer such instance, any excuse for faulty erection, for poor workmanship or delay in completion shall not be entertained.
9. Material reconciliation statement has to be submitted by the contractor as & when required by BHEL.
10. The BHEL reserves the right to deviate either by additions or by deductions from the schedule of items of work given in the tender document after awarding work.
11. The quantity of items in the BOQ can vary to any extent during the execution as per the actual site requirement.
12. In case of any difference between agreement, wording and detailed drawings the interpretation of the BHEL shall be final and binding on the contractor.
13. The final acceptance of work in all items are subject to proper performance regardless of whether the items are paid for or not.
14. If discrepancy in specifications observed between schedule of quantities and general / technical conditions, the specifications in schedule of quantities will have precedence over the general / technical conditions.
15. Water will be supplied free of cost at one point for drinking and construction.
16. Quantity records shall be prepared, maintained and submitted by contractor on regular basis during the course of execution. Test records shall be prepared, maintained and submitted by contractor during the course of execution and as demanded by Engineer-In-Charge. Contractor shall strictly adhere to quality requirements and shall follow the norms mentioned in Field Quality Plan (if applicable). In case of defective work BHEL will have full right to reject the work or part thereof. Such defective work if any, will have to be rectified by the contractor at his own cost. The opinion of Engineer in charge shall be final in this matter. If the defective work is allowed to stand BHEL shall have the

absolute right to reduce the rates for such items and the contractor shall have no claims over such defective work allowed on reduced rates.

- 17** The contractor shall have to make his own storage sheds for materials to be issued by BHEL. If deemed necessary by engineer in charge, the contractor shall make separate store for cement with double lock system. The empty cement bags shall be stocked at one place and at least 90% of them shall be returned to BHEL at BHEL stores in good condition without any additional payment. Therefore, if the total quantity of 90% empty cement bags is not returned by the contractor, the same will be recovered at the rate of Rs 3/- per bag from the bills.
- 18** For all natural minerals used in the work like sand, aggregate etc. royalty certificate (MM-11) must be submitted along with bills. If royalty certificate is not submitted the cost of royalty shall be deducted from contractors bill as per prevailing Govt. order including penalty as applicable.
- 19** Any electric power required for contractors' lighting/machinery for the purpose of work including fabrication work shall be supplied FREE OF COST at one point by the company on the written request of the contractor, subject to the observance of rules and regulations of Electric board / company. If it is observed that power is being wasted, BHEL shall have the right to recover cost of such consumption including arrears. Power will not be allowed for cooking and room (air) heating in winter season: For this purpose, on written application chargeable power can be allowed. The rates shall be the rates applicable for industrial consumption in U.P.

20. ACCOUNTING

- a) Proper method of accounting of steel, TOR steel, cement & scrap material shall be followed. The books of such accounting be offered for auditing by BHEL at pre-decided regular interval.
- b) All debris and surplus materials shall be cleared from the site as and when directed by the Engineer-in-charge. Any temporary structure / stores made by the contractor for the work shall be demolished and site cleared before payment of final bill.
- c) Structural steel wastage /scrap shall be permissible upto 2% of total quantity of issued quantity. The wastage /scrap steel must be return by contract for reconciliation of steel. Wastage scrap beyond 2% will deducted @ Rs.75 per kg.

21. METHODS OF MEASUREMENTS

Except where any general or detailed description of the work in quantities expressly shows the contrary, schedule of quantities shall be deemed to have been prepared and measurements shall be taken in accordance with the procedure set forth in the schedule of rates – specification notwithstanding any provision in the relevant standard method of measurement or any general or local custom. In the case of items which are not covered by the CPWD schedule of rates – specification, measurement shall be taken in accordance with the relevant standard method of measurement issued by the Indian standards institution.

- 22.** All safety related equipments like safety harness, gloves, face shield, helmets, safety shoes etc. required for safe working shall be bought by contractor. Nothing extra shall be paid by BHEL on this account. The work is to be carried out by following all the standard and statutory safety precautions/procedures.
