Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to bid. If Buyer has selected Purchase preference to Micro and Small Enterprises clause in the bid, the same will get precedence.

2. Purchase preference to Micro and Small Enterprises (MSEs): Purchase preference will be given to MSEs as defined in the Public Procurement Policy for Micro and Small Enterprises (MSEs) Order, 2012 dated 23.03.2012 issued by Ministry of Micro Enterprises and its subsequent Orders/Notifications issued by concerned Ministry. Estimated Bid Value indicated above is being declared solely for the purpose of guidance on EMD amount and for Eligibility Criteria related to Turn Over, Past Performance and Project / Past Experience etc. This has no relevance or impact to be quoted by the bidders and is also not going to have any impact on bid participation. Also this is not going to be determining reasonableness of quoted prices which would be determined by the buyer based on its own assessment and based on competitive prices received in Bid / RA process.

4. Reverse Auction would be conducted amongst first 50% of the technically qualified bidders arranged in the order of lowest to highest. Number of sellers eligible for participating in RA would be rounded off to next higher integer value if number of technically qualified bidders is odd (e.g. if 7 bids are technically qualified, then RA will be conducted amongst L-1 to L-4). In case number of technically qualified bidders are 2 or 3, RA will be between all without any elimination. If Buyer has chosen to split the bidders, then minimum N sellers would be taken to RA round. In case Primary products of only one OEM are left in competition in RA based on lowest 50% bidders qualifying for RA, the number of sellers qualifying for RA would be minimum of one more OEM (directly participated or through its reseller) if available. Further, if bid(s) of any seller with preference is / are coming within price band of 15% of Non MSE L-1 or if bid of any seller(s) eligible for Make in India coming within price band of 20% of non MII L-1, then such MSE / Make in India seller shall also be allowed to participate in RA process.
