

Corrigendum-I

NIT clause	Clarifications	Bidder's confirmation
With reference to clause no. 6 of Tender Enquiry & clause no. 20 of Additional terms & conditions of tender enquiry (additional to GISTC) i.e. Tube shall be formed from the strip having nominal thickness of 0.7112mm (22 BWG) and 0.889 mm (20 BWG) respectively	Clarification of this Clause is as below: “Tolerance of +/- 10% for tubes is on nominal thickness. Similarly, tolerance on the strip procured for forming of the tube shall also be on the nominal thickness of the strip. Bidder shall be asked during execution stage/ dispatch to show PO and TC for the strip procured with nominal thickness of the finished tubes either of the documents must clearly indicate the quantity.”
