9. The Tender shall be signed by the Authorized Signatory Only.
10. The Tenderer should accept all terms & conditions of the tender unconditionally. Tenders with deviations from terms and conditions shall be rejected.
11. **Tenderers are requested to go through the scope of work, visit the site/location etc. and get fully acquainted with the work place and prevailing working conditions to get all their doubts clarified regarding the subject work before submitting the offer.** Engineer-in-charge's decision will be full and final in the event of any doubt. Any queries regarding this tender may be clarified from Manager (HR-TAX), Tel – 0120-6027803, mobile No.-8800957694 or at e-mail: omender@bhel.in.

B. GENERAL TERMS & CONDITIONS: -

- 1) BHEL will not be responsible for the delay under any circumstances for non-submission of Tenders ONLINE.
- 2) BHEL has the right to reject all or any of the tenders and accept any tender(s) irrespective of its / their being the lowest / highest.
- 3) If any information/ documents submitted by the tenderer are found false/fake at any stage, the tender will be cancelled.
- 4) The offer of the bidders who are on the banned list as also the offer of the bidders, who engage the services of the banned firms, shall be rejected. The list of the banned firms is available on BHEL web site www.bhel.in
- 5) The Tenderers are required to quote for the complete scope of work. Tenders for part of the work or incomplete in any respect are liable to be rejected.
- 6) Rates/amount/percentage quoted by the bidder will be firm for the contract period or extended period of contract. No price variation and escalation due to increase in labour / material cost will be allowed.
- 7) The Rates/amount/percentage quoted by the bidder are deemed to be inclusive of all and any other incidental works required to complete the work and inclusive of all the taxes including GST.
- 8) The rate should be indicated both in words and figures. All entries in the Tenders must be written in ink or typewritten. Over-writing should be avoided. Corrections, if any, should be attested with signature by the bidder.
- 9) The evaluation currency for this tender shall be INR (Indian National Rupee).
- 10) **VALIDITY OF RATES:** The rates in the Tender shall be kept open for acceptance for a minimum period of 60 days from latest due date of offer submission (including extension, if any). In case BHEL (Bharat Heavy Electricals Ltd) call for negotiations, such negotiations shall not amount to cancellation or withdrawal of the original offer which shall be binding on the tenderers.
- 11) **WATER & ELECTRICITY:** Water and electricity shall be supplied to the contractor by BHEL subject to the following conditions: -
 - i) Water & Electricity shall be provided free of cost.
 - ii) Contractor shall make his/ their own arrangement of water/ electricity connection and laying of pipelines/ connection from existing main of source of supply as directed by Engineer in charge.
 - iii) BHEL do not guaranty to maintain uninterrupted supply of water/ electricity and it will be incumbent on the contractor to make alternative arrangement for proper supply of the same at his/ their own cost in the event of any break down in the government water/ electricity mains so that the progress of his/ their work is not held up for the want of the same. No claim of damage or refund will be entertained on account of such break down.
- 12) **STORES AND MATERIALS ON SITE:**
 - i) The contractor shall, during the progress of work, provide, erect and maintain at his own expense all necessary temporary work-shops, stores etc. required for the proper and efficient execution of work. The location & size of the store shall have the approval of the Engineer-in-Charge and the contractor shall at all times keep them tidy in a clean and sanitary condition to the entire satisfaction of the Engineer-in-Charge.

- ii) All materials for the work are to be deposited by the contractor only in places to be indicated by the Engineer-in-Charge.
 - iii) The safety & security of the contractor's materials will be the responsibility of contractor himself. BHEL will not provide any compensation due to theft or loss of contractor's materials.
 - iv) The stores provided by the contractor will not be utilized as the accommodation for the workers or for any other purpose.
 - v) Contractor will remove the temporary stores/ structure before claiming the final bill.
- 13) **EVALUTION CRITERIA:** The criteria of evaluation of techno-commercial bids shall be on the basis of documents submitted by the tenderers. Estimated rates have been disclosed in the tender documents and percentage rate tenders are invited. Accordingly, the basic amount as per basic rates has been calculated against each item. **Bidders have to quote a single overall percentage, (+) above, (-) below or at par with the tender rates in above Price format. The same quoted percentage will be applied on every item of the BOQ. Evaluation of Price Bid will be done on overall L-1 rate inclusive of all including all taxes and duties. The decision of BHEL will be final in this regard.** In the course of evaluation, if more than one bidder happens to occupy L-1 status, effective L-1 will be decided by soliciting discounts from the respective L-1 bidders. In case more than one bidder happens to occupy the L-1 status even after soliciting discounts, the L-1 bidder shall be decided by a toss/ draw of lots, in the presence of the respective L-1 bidders(s) or their representative(s). Ranking will be done accordingly. BHEL's decision in such situations shall be final and binding.
- 14) **COMPLETION PERIOD:** The total work completion period will be for four (04) months from the dated of award of work order.
- 15) **QUANTITY VARIATION:** The excess variation in quantity of any item mentioned in the BOQ may vary 25 % and can be reduce upto any extent as per site requirement as per the direction of Engineer in charge during execution of work due to site requirement but the total executed value of work shall be within the work order value. **Further, the total value of work can be reduced upto any extent as per site requirement.**
- 16) **TAXES AND DUTIES:**
- a) To enable BHEL to avail GST input tax credit, contractor shall submit GST compliant Tax invoice containing all the particulars as stipulated under invoice Rules of GST Law. Payment shall be made to the contractor only after submission of GST complaint Tax invoice. The successful bidder shall raise GST compliant invoice affixing GSTIN of BHEL's unit availing the services.
 - b) BHEL reserves the right to protect its interest against any loss on account of availability of GST credit.
 - c) GSTIN of BHEL is "09AAACB4146P2ZC".
 - d) Any new/ change in statutory levy as and when made applicable by the Government shall become applicable against documentary evidence.
 - e) Payment to the contractor will be subjected to TDS as per rules in force from time to time. The Tax Deduction at Source (TDS) shall be done as per the provisions of Income Tax Act & GST, as amended from time to time and a certificate to this effect shall be provided to the contractor by BHEL.
 - f) Invoice submitted should be in the format as specified under GST Laws viz. all details as mentioned in Invoice Rules like GSTIN registration number, invoice number, quantity, rate, value, taxes with nomenclature – CGST, SGST, IGST mentioned separately, HSN (Harmonized System of Nomenclature) Code/ SAC (Services Accounting Code) Code etc.
 - g) The vendor shall ensure strict compliance under GST Act & Rules so that input tax credit is available to BHEL. In case of any loss to BHEL on account of non-compliance by vendor, the same shall be to vendor's account. BHEL has a right to take necessary steps to protect its interest at the time of release of payment.

17) PAYMENT TERMS:

- a) No advance payment or the payment for mobilization of work will be made to the Contractors. Running bills payment (If demanded by Contractors) excluding GST portion, against the work executed shall be made to the Contractor. GST amount shall be released only after confirmation from GST portal that such invoice has been declared in GSTR-1 return filed by contractor and is available in GSTR-2B of BHEL within the stipulated time for the relevant period and tax amount thereon has been paid by contractor to Govt. within the stipulated time period as per GST Law. However only one running bill will be accepted in a month. **The payment of 90 % of running bill will be made and 10 % will be withhold, which will be released along with full & final bill.**
- b) The payment of final bill will be made only after obtaining certificate of satisfactory completion & satisfactory quality of the work as per tender by the Engineer-in-Charge, clearance of the site & clearance of all the liabilities on Contractors' part. No claim will be entertained after signing the final bill.
- c) No payment shall be made for the work done without the permission of Engineer-in-Charge.
- d) Bills raised by the Contractors shall be certified by the official in-charge of BHEL and the payments will be made against running/ final bill excluding GST portion, within 90 days for Non MSME (whereas 60 days for Medium Enterprises and 45 days for Micro & Small Enterprises) by NEFT/ RTGS from the date of receipt of in-discrepant bill subject to conditions mentioned at S. No. 16 (i.e. Taxes & Duties). The Contractors shall not be entitled to any interest with respect to any money, which may be due to him from BHEL.
- e) Payment shall be made for the actual executed quantity of work after recording joint measurement on Measurement Book (MB) by Engineer-in-Charge.
- f) Measurement shall be recorded in measurement book (MB) maintained by the Engineer-in- Charge who shall make entries regarding the work executed by the contractor under different items of bill of quantity (BOQ). These entries will be counter-signed by the contractor.
- g) All recoveries due from contractor for the month/ period shall be effected in full from the corresponding running bills unless specific approval from the competent authorities is obtained to the contrary.
- h) The measurement shall be taken jointly by persons authorized on the part of BHEL and by the Contractor.
- i) The contractor shall provide assistance with appliances and other things necessary for measurement without extra charge.
- j) If the contractor / his representative fails to attend when required for measurement, the Engineer-in-Charge shall have power to proceed by himself to take measurements and in that case, these measurements shall be accepted by the contractor as final.

18) PROGRESS OF WORK AND L. D./ PENALTY FOR DELAY:

- a) The project is time bound and works shall have to be carried out at desired pace throughout the execution period so as to complete the work in the stipulated time.
 - b) In case there is a delay attributable to contractor in completing the work in stipulated time i.e. four (04) months from the date of award of work, L.D. will be imposed @ ½ % (i.e. 0.5 %) per week or part thereof of delay. However, the total penalty due to delay will be up to maximum 10% of total contract value.
- 19) SUBLETING:** The Contractor shall not sublet, transfer or assign the full work or any part thereof to any other person/company/organization. In case it is found that the work has been subletted, the contract shall be terminated immediately & Security Deposit shall be forfeited.
- 20) The contractor should have PF code number & ESI code number before the start of work.** However, in case of not having any or both the documents, the contractor shall arrange & submit the documents before claiming first running bill.
- 21) MAINTENANCE PERIOD:** - The contractor will be responsible for the quality of the work and Period of guarantee/ maintenance shall mean the period of One year which will be calculated from

the date of actual completion of the works certified by the Engineer-in-charge in accordance with conditions of the contract. The period of maintenance shall always be reckoned from the date of completion of the whole of the works as accepted / taken over by Engineer-in-charge.

- 22) Regular meeting (fortnightly or as decided by BHEL) shall be held between BHEL and contractor to review the issues related to progress, penalty, quality and any other aspect.
- 23) The contractor shall have to deploy sufficient number of skilled, semi-skilled and unskilled manpower for quality and timely completion of the work.
- 24) No excuses like hindrance because of extreme weather conditions, non-availability of labour and material etc. will be entertained for not completing the work in time.
- 25) All necessary precautions with respect to safety at site and environmental aspects and their impacts shall have to be taken by the contractor for activities performed by his workers.
- 26) In case of any dispute, the decision taken by BHEL Management will be final and binding on the contractor.
- 27) No party shall be permitted to tender for work in BHEL in which any of their near relatives is an employee connected with the award and execution of the contract. They shall also intimate the names of persons who are working with them in any capacity or subsequently employed by them and who are near relatives of any employee of the BHEL. Any violation of this condition which comes to the Notice of the BHEL after the contract is awarded will entitle the BHEL to treat the contractors as having committed a breach of contract and to exercise all the rights and remedies available to the BHEL on account thereof.

28) **SECURITY DEPOSIT:**

- a) The total amount of Security Deposit will be 5 % of the contract value. The security deposit should be collected before start of work by the contractor.
- b) Security deposit may be furnished in any one of the following forms:
 - i) Cash (as permissible under the Income Tax Act)
 - ii) Local cheques of Scheduled Banks (subject to realization)/ Pay Order/ Demand Draft/ Electronic Fund Transfer in favour of BHEL
 - iii) Bank Guarantee from Scheduled Banks/ Public Financial Institutions as defined in the Companies Act. The Bank Guarantee format should have the approval of BHEL
 - iv) Fixed Deposit Receipt issued by Scheduled Banks/ Public Financial Institutions as defined in the Companies Act (FDR should be in the name of the Contractor, a/c BHEL)
 - v) Securities available from Indian Post offices such as National Saving Certificates, Kisan Vikas Patras etc. (held in the name of Contractor furnishing the security and duly endorsed/ hypothecated/ pledged, as applicable, in favour of BHEL)
(Note: BHEL will not be liable or responsible in any manner for the collection of interest or renewal of the documents or in any other matter connected therewith)
 - vi) At least 50% of the Security Deposit, should be collected before start of the work. Balance of the Security Deposit can be collected by deducting 10% of the gross amount progressively from each of the running bills of the Contractor till the total amount of the required Security Deposit is collected.
- c) The security deposit will be released only after completion of Guarantee/ Maintenance period.
- d) The Security Deposit shall not carry any interest.
- e) Failure to pay the security deposit shall be treated as failure to discharge the duties under the contract and shall result in cancellation of the contract and the contractor shall be liable to compensate BHEL for any losses incurred by BHEL. BHEL reserves the right to appropriate any part / whole of the amount of the security deposit without prejudice to other claims against the contractor for losses suffered by BHEL due to failures on the part of the contractor, due to termination of contract or contractor becoming disqualified because of liquidation / insolvency.

The decision of BHEL in respect of such losses, damages, charges, expenses or costs, shall be final and binding to the contractor.

- f) In case of delay in submission of performance security, enhanced performance security which would include interest (Repo rate + 4%) for the delayed period, shall be submitted by the bidder.
- 29) The bidder along with its associate/ collaborators/ sub-contractors/ sub-vendors/ consultants/Service providers shall strictly adhere to BHEL Fraud Prevention Policy displayed on BHEL website <http://www.bhel.com> and shall immediately bring to the notice of BHEL Management about any fraud or suspected fraud as soon as it comes to their notice.
- 30) **TERMINATION OF CONTRACT:** BHEL may terminate the contract earlier by giving not less than thirty day's written notice of termination to the successful tenderer, if the successful tenderer does not remedy a failure in performance of their obligation under the contract or without assigning any reason, within thirty days after being notified and without prejudice to the rights of the Company to recover any amount becoming due under this Contract. In such a case, the Contractor shall not be entitled to any compensation thereof. The decision of BHEL about the failure on the part of the Contractor shall be final and binding on the Contractor.
- 31) **TERMINATION OF CONTRACT ON DEATH:** Without prejudice to any of the rights or remedies under this contract, if the contractor dies, the accepting officer shall have the option of terminating the contract without compensation to the contractor's survivors.
- 32) **RECOVERY FROM CONTRACTOR:** Whenever under the contract, any sum of money shall be recoverable from or payable by the contractor, the same may be deducted from any sum then due or which at any time thereafter may become due to the contractor under the contract or under any other contract with BHEL or from his security deposit, or the contractor shall pay the claim on demand without any terms & conditions.
- 33) **POST TECHNICAL AUDIT OF WORK AND BILLS:** BHEL reserves the right to carry out a post payment audit and technical examination of the work and final bill including all supporting vouchers, abstracts etc. and to enforce recovery of any sums becoming due as a result thereof in the manner provided into the proceeding sub-paragraph provided however, that no such recovery shall be enforced after three years of passing the final bill.
- 34) **ARBITRATION / CONCILIATION:** In the event of any dispute arising between the parties hereafter referred as BHEL and Contractor in respect of or connected with this contract, General & Special terms & conditions of tender, then the same shall be referred to Arbitration and Arbitrator will be nominated by the Head of Administration of BHEL Corp. Office, New Delhi, whose decision shall be final and binding on both the parties. However, any differences or doubt pertaining to meaning/ interpretation of any phrase word used in terms or in the schedule of services, their nature and manner of rendering of such services shall be the excepted matter and be referred to the Head of Administration of BHEL Corp. Office, New Delhi, whose decision shall be the final and binding. The provisions of Arbitration and Conciliation Act, 1996 or any statutory modification and re-enactment thereof will apply to such arbitration provided however, in all matters the venue of proceedings will be Delhi and only Delhi or appropriate Courts will have jurisdiction over the same.
- 35) **RIGHTS OF BHEL:** BHEL reserves the following rights in respect of this contract during the original contract period or its extensions if any, as per the provisions of the contract, without entitling the contractor for any compensation.
- To withdraw any portion of work and/or to restrict/alter quantum of work as indicated in the contract during the progress of work and get it done through other agencies to fulfil BHEL's commitment to its customer or the date of completion is advance due to other emergent reasons/ BHEL's obligation to its customer.
- Where the contractor fails to deploy adequate manpower to meet the contractual target, BHEL reserves the right to deploy manpower to meet such shortfall, through any other agency for expediting activities in the interest of the project. Supplied manpower shall be put on job by the contractor. Fulfilling of all obligations towards payments and other statutory compliances related to such

manpower shall be the contractor's responsibility. In case of contractor's failure to fulfil his obligations in respect of such manpower, BHEL shall be entitled to take action as provided herein.

36) **BREACH OF CONTRACT, REMEDIES AND TERMINATION:**

In case of breach of contract, wherever the value of security instruments like performance bank guarantee available with BHEL against the said contract is atleast 10% of the contract value, the same be encashed. In case the value of the security instruments available is less than 10% of the contract value, the balance amount be recovered from other financial remedies (i.e. available bills of the contractor, retention amount, etc. with BHEL) or legal remedies be pursued. The balance scope shall be got done independently without Risk & Cost of the failed supplier/ contractor.

Further, levy of liquidated damages, debarment, termination, de-scoping, short-closure, etc., shall be applied as per provisions of the contract.

Accordingly, the tender/ contract terms shall be structured in such a way to ensure recovery of an amount equivalent to 10% of the contract value in case of breach of contract.

- 37) For this procurement, the local content to categorize a supplier as a Class I local supplier/ Class II local Supplier/ Non local supplier and purchase preference to Class I local supplier, is a defined in Public Procurement (Preference to Make in India), Order 2017 dated 19.07.2024 issued by DPIIT. In case of subsequent orders issued by the nodal ministry, changing the definition of local content for the items of the NIT, the same shall be applicable even if issued after issue of this NIT, but before opening of Part-II bids against this NIT

38) **SPECIAL CONDITIONS RELATED TO THE WORK**

- The subject work shall be carried out up to the satisfaction of Engineer-in-charge. The work will be carried out as per BOQ enclosed and as per latest CPWD Specifications and relevant IS codes for all the works. In case of any doubt regarding the specification and its quality of work, Engineer in Charge's clarification and decision will be final and binding on the contractor.
- The proposed work shall include cutting, laying and jointing of sewer pipes, proper alignment and gradient, testing, and restoration of the disturbed area, strictly as per approved specifications and standard practices. This work of interconnection of sewer pipe work from flats to manholes ensures smooth functioning of the sewerage system.
- The detailed scope of work is mentioned in Annexure-I.**
- All materials, tools & tackles shall be arranged by the contractor. No materials shall be issued from BHEL.
- The work will be done up to the satisfaction of engineer in charge. If the quality of work is not up to the mark re-work will be done without any extra claim.
- The work will be done as per the convenience of existing infrastructure. Any misconduct with the residents & other staff will not be tolerated.
- Any damage of other than specified' due to the negligence of contractor's worker, the recovery will be done from the contractor.
- After completion of the work in a building the contractor will remove all unwanted material/ rubbish from the site with no extra claim.
- All tools & tackles will be arranged and provided by contractor at his own cost. No tools or testing equipment will be provided by the BHEL.
- The contractor will have to make his own arrangement for transportation of water to the site of work from nearest available water point in township at no extra cost. Contractor has to ensure storage of water during non-supply hours at no extra cost.

- 39) **CARE OF BUILDINGS:** Care shall be taken by the contractor to avoid damage to the existing buildings during execution of work. He shall be responsible for repairing all the damages and restoring the same to their original finish at his cost.

- 40) **QUALITY OF MATERIALS:** All materials supplied by the contractor shall be new. They shall be such design, size and materials as given in BOQ and to satisfactorily function.

- 41) **INSPECTION OF MATERIALS:** All the materials delivered by the contractor at site shall be inspected and verified by Engineer-in-charge before use.
- 42) **WORKMANSHIP:** Good workmanship is an essential requirement to be complied with. The entire work shall conform to sound engineering practice. In case of bad workmanship re-work will be done by the contractor on no extra claim.
- 43) **SUPERVISION OF WORK:** The contractor will deploy sufficient numbers of Supervisors/Engineers of appropriate qualification and experience to ensure proper execution of work. They will carry out instructions of Engineer-in-charge and other senior officers of BHEL during the progress of work.

C. CONTRACTOR'S OBLIGATION:

- 1) Contractor shall supervise the Work allotted to him to be carried out by his workforce. The contractor shall visit the site every day to ensure the work is carried out in fast pace for completion within schedule time.
- 2) Contractor to ensure that the workforce deployed in the premises of BHEL are physically and mentally fit and do not have any criminal record. Such employees should possess requisite skill, proficiency, qualification, experience etc.
- 3) The workforce deployed by the contractor shall be hail and healthy and should not be suffering from any communicable diseases.
- 4) Contractor to accept full and exclusive liability for the wages, Allowances, PF, ESI, for the workforce deployed by the contractor and other obligation referred under the law at present and any future taxes imposed by the Government / Local Bodies.
- 5) BHEL will have no liability whatsoever concerning the persons deployed by the contractor for the purpose. The contractor shall keep the Company indemnified against all losses or damages or liability arising out of or imposed in the course of employment of persons by the contractor.
- 6) Statutory requirement of the local authority / State Govt. / Central Govt. shall be responsibility of the contractor.
- 7) The contractor will be solely responsible for any unlawful act of their workforce while on duty. In case of theft or loss of Company's property take place due to the negligence or carelessness of workforce, the contractor will be responsible and shall make good of the same.
- 8) The Contractor shall duly comply with all acts, laws, or other statutory rules, regulations, bye-laws applicable or which might be applicable to with regard to the performance of the contract included herein or concerning this Agreement but not limited to Environmental Pollutions Acts, Minimum Wages Act- 1948, Contract Labour (Regulation & Abolition) Act, 1970, Industrial Dispute Act, 1947, Workmen's Compensation Act 1923, Employees' State Insurance Act 1948 (to the extent as may be applicable, if any), Employees' Provident Fund and Misc. Provisions Act, 1952 and the amendments made thereafter to these Acts / Laws and from time to time take such steps as may be deemed necessary in this regard. The Contractor shall keep the Company Indemnified against all penalties, claims and liabilities of every kind under or for any violation of such acts, laws or regulations etc. by him or his workers.
- 9) In case, while on duty and during the course of engagement in work premises of the Company under this Agreement, if any of the Contractor's workforce suffers with any injury / indisposition due to accident or other natural calamities, the Contractor shall ensure that immediate and adequate medical aid viz., first -aid and subsequent treatment facilities are provided to the person(s) concerned free of cost without fail. In addition, the Contractor shall also be liable for meeting with statutory liabilities like ESI etc. in respect to his workers.
- 10) The Contractor shall be fully responsible for the timely payment of wages, Allowances, Bonus or any other benefits payable under the aforesaid Acts, Laws and regulations to the workforce engaged by him at the work premises of the Company. Contractor shall also be fully responsible for timely deposit of PF and ESI with the appropriate authority including submission of return of PF & ESI and issue of PF slip issued by the PF Authority. The Company shall not be responsible for these

payments or any other liability on this account. The Contractor shall also indemnify and compensate the Company for any liability incurred by the Company, if any, including costs incurred thereon. In that event the nominated officer of the Company shall be entitled to recover the amount so paid, from the contractor, including forfeiture of the Security Deposit; and, if the sum so payable and / the Security Deposit is less than the Company's claim, it shall be lawful for the Company to recover the balance amount as a debt from the Contractor.

- 11) The Contractor shall indemnify and compensate the Company, if the Company as Principal Employer under the Contract Labour (Regulation and Abolition) Act, 1970 becomes liable to assume any liability towards the workforce engaged by the contractor. In that event, the provisions relating to recover as provided in relevant clauses of the said Act shall be applicable in Toto.
- 12) The Contractor shall be held responsible for any damage / loss to the work premises /or the properties of the Company (i.e. missing or broken fittings, equipments, furniture etc. and loss of such things) caused due to the negligence of his work force and shall have to replace the same at his own cost. The decision of the Engineer-in-charge shall be final and binding on the Contractor.
- 13) The contractor shall hand over a copy of all legal and statutory documents and records to BHEL for fulfilling any future requirement with the statutory authority.
- 14) The contractor shall abide by all the rules / regulations / status imposed by the Govt. or other concerned authorities. The contractor will be responsible for workmen's compensation & other requirements of local Municipalities / Govt. or any other law regulating bodies
- 15) Contractor to maintain appropriate records of his employees deployed to carry out the job (s).
- 16) Contractor to get all his employees insured against all type of risks at his own cost.
- 17) Contractor to ensure that all precautions are taken for safety of his employees and equipments.
- 18) In the event of termination of contract for any reason whatsoever, the contractor shall withdraw all his employees from the site of BHEL. In case contractor decides to terminate services of his employees, he should settle all terminal dues including retrenchment compensation.
- 19) The contractor must comply to all statutory labour law regulations applicable to this contract like minimum wages act, timely payment of wages etc. including taking of insurance cover etc. for workers employed for this contract. Any obligation on account of the above will be the liability of the successful tenderer.
- 20) In case of any objection from any statutory / local authority, the contractor has to liaison with them for smooth progress of work.
- 21) The Contractor shall ensure proper conduct and behavior of the workforce engaged by him on the site and shall remove with immediate effect, the engagement of such person(s) who does/do not conduct himself / themselves properly or misbehave(s) with the residents of township or the staff of Estate office.

ANNEXURE - I**Technical Conditions of Contract****(For Sewer Line Connection from Building GTs to Noida Authority Main Sewer Line)**

1. The scope of work under this estimate is **limited to providing sewer connections from the existing / newly constructed Gully Traps (GTs) near BHEL buildings to the nearest manholes to be constructed by the Noida Authority on township roads.**
2. The contractor shall arrange **all tools, plants, machinery, labour, equipment and safety arrangements** required for execution of the work.
3. The **main sewer line along township roads shall be laid by the Noida Authority**, and this work shall be executed **in coordination with the Noida Authority team.**
4. The contractor shall connect the building sewer outlets / gully traps to the nearest Noida Authority manhole through RCC sewer pipelines as per approved alignment and levels.
5. RCC sewer pipes used in the work shall conform to **IS 458 (NP2 class)** and shall be **ISI marked.**
6. Pipes shall be laid **true to line and gradient** to ensure smooth flow of sewage and avoid stagnation.
7. Pipe joints shall be made with **cement mortar (1:2)** and properly sealed to ensure **watertight joints.**
8. All excavation work shall be carried out **carefully to avoid damage to existing underground utilities** such as:
 - a) Water supply lines
 - b) Sewer lines
 - c) Electrical cables
 - d) Jio Fibre/ Airtel Fibre
 - e) CCTV/ Telephone cables
 - f) Gas pipelines
 - g) Storm water drains etc.
9. Before starting excavation, the contractor shall **locate existing utilities using suitable detection methods** and shall obtain clearance from the Engineer-in-Charge.
10. Excavated earth shall be **stacked safely away from trench edges** to prevent collapse.
11. All excavated materials shall be **stacked in an orderly manner away from trench edges** to prevent collapse.
12. Cement concrete bedding of **1:4:8 mix** shall be provided under the sewer pipes wherever specified.
13. Brick masonry for manholes shall be done with **first class burnt clay bricks in cement mortar 1:4.**
14. Inside plastering of manholes shall be **12 mm thick cement plaster in CM 1:3 with neat cement finish** to ensure smooth flow.
15. **C.I. / SFRC manhole covers** shall conform to **IS 12592.**
16. All pipes shall be **tested for alignment, gradient and leakage before backfilling.**
17. Backfilling of trenches shall be carried out in **layers not exceeding 200 mm thickness**, properly watered and compacted.
18. Any dismantling of existing road surface required for laying sewer pipelines shall be **restored to its original condition after completion of work.**
19. All dismantled materials, surplus earth and debris shall be **disposed of at approved municipal dumping locations.**
