PRE-QUALIFICATION CRITERIA		
	Particulars	Bidder's Confirmation Please indicate deviations, if any
1	The offer shall be submitted only by the original wafer manufacturers. Any offers received from parties other than original wafer manufacturers shall be rejected. (Name of wafer manufacturer, complete address & contact details with email address, website to be mentioned)	
2	Vendor should have a minimum of 500 MW/annum in-house PV-grade multi-crystalline wafer manufacturing capacity.	Multi-crystalline wafer manufacturing capacity in MW/annum: _____
3	Vendor should have supplied at least 1 million pieces of 156/ 156.75 mm multi crystalline solar silicon wafers to Solar cell manufactures located in India/other than country of origin of solar wafers, during the period from 1.1.2016 to 31.05.2018.	Documentary evidence to be provided (AWB/ BL/ delivery details/ Client certificate, etc)
4	Wafer supplied shall be suitable for processing solar cells with average efficiency > = 18%.	Certificate from customer for 18% average cell efficiency to be enclosed.
5	Price variation clause: Price variation clause will be applicable for the unit rate in PO to take care of market trend in solar wafer price. The unit price in PO will be varied as the variations in the average price of 156 mm High Eff multi solar Wafer, as per www.pvinsights.com, displayed under the heading "Solar PV wafer Weekly Spot Price". The reference price will be average price of 156 mm High Eff multi solar Wafer as on Techno-commercial bid opening date. The unit rate in PO will be allowed to vary (increase/ decrease) for each lot of supply, in the ratio of 1:1 for variations (increase/ decrease) in average price of 156 mm High Eff multi solar Wafer prevailing on invoice date with respect to the reference price. The bidder has to submit the price in the enclosed price bid format. For example: If there is a change in average price of 156 mm High Eff multi solar Wafer by 2 % between the rates on date of technical bid opening and that on date of supply as per www.pvinsights.com, the unit price in PO (price/ No) will be changed by 2 %. Note: Fluctuations in currency exchange will not make any effect in the price variation clause	Agreed / Not Agreed

Signature of Tenderer with Seal

SPECIAL TERMS FOR THE TENDER

The special terms and conditions mentioned below supersedes the instruction to bidders/ Seller (Doc no: BHEL: EDN: ITB SHOP: Rev02) and general conditions of contract for purchase (Doc no: BHEL: EDN: GCC SHOP: Rev00), for contradictory clauses if any.

1. Quotation shall be submitted in two part bid

Part 1: Unpriced offer i.e. “Techno-commercial Bid” with filled in BHEL Standard commercial terms and conditions along with purchase specification, integrity pact, etc if any in a sealed envelope and must be super scribed as **“Techno-commercial Bid” and RFQ number.**

Part 2: Priced offer i.e. “Price Bid” containing price summary in a separate sealed envelope and must be super scribed **“Price Bid”.**

Both these envelopes shall be enclosed in a single sealed envelope super scribed with RFQ number and due date of tender and any other details as called for in the tender document

2. BHEL standard terms of payment**For Indian bidders:**

100% direct payment with 45 days credit from the date of receipt of material for Door delivery BHEL stores

For foreign bidders:

100% against sight draft with 45 days credit on negotiation of complete set of documents.

For any deviations in payment terms, loading factor will be applicable as below.

Sl No	Deviation in payment terms	Loading
For Indian Bidders		
1	Payment against documents through bank with consignment door delivered to BHEL stores (without consignee copy of LR) and 45 days credit period. Deleted.	2%*
For Foreign bidders		
1	100% Sight Draft	1 %
2	100% Usance LC with 45 days credit	2.5 %
3	100% LC at Sight	4.5 %

~~* All bank charges shall be to seller's account. If bank charges of BHEL banker are to BHEL's account then additional loading of 2% on the quoted basic value is applicable.~~

NOTE:

LC charges are to respective accounts.

Offer/ s with payment terms other than BHEL standard payment term or deviated Payment terms with loading indicated above, are liable for rejection.

3. BHEL Standard terms of delivery :**For Indian bidders:**

Door Delivery BHEL EDN Stores

For foreign bidders:

CIF ICD Bangalore

4. The rate quoted shall be price per wafer.

5. **Price variation clause** will be applicable for the unit rate in PO to take care of market trend in solar wafer price. The unit price in PO will be varied as the variations in the average price of 156 mm High Eff multi solar Wafer, as per www.pvinsights.com, displayed under the heading "Solar PV wafer Weekly Spot Price". The reference price will be average price of 156 mm High Eff multi solar Wafer as on Techno-commercial bid opening date. The unit rate in PO will be allowed to vary (increase/decrease) for each lot of supply, in the ratio of 1:1 for variations (increase/ decrease) in average price of 156 mm High Eff multi solar Wafer prevailing on invoice date with respect to the reference price. The bidder has to submit the price in the enclosed price bid format.

For example: If there is a change in average price of 156 mm High Eff multi solar Wafer by 2 % between the rates on date of technical bid opening and that on date of supply as per www.pvinsights.com, the unit price in PO (price/ No) will be changed by 2 %.

Note: Fluctuations in currency exchange will not make any effect in the price variation clause.

6. **Delivery Schedule:** BHEL requires wafers to be delivered at a rate of 10,00,000 Nos/ Month commencing from 4 weeks from PO date.
7. **Quantity Splitting:** BHEL reserve the right to Split the order quantity in the ratio of 50:30:20 to L1, L2 and L3 vendors respectively, in case L2/L3 accept to supply as per L1 'cost to BHEL' price. In case, L2/L3 does not accept to supply as per L1 price, the counter offer will be extended to subsequent vendors. In case no subsequent vendor accept to supply in L1 price, balance quantity will be ordered on L1 only. The decision of BHEL shall be final on this matter.
8. **Evaluation of offers:** L1 vendor (lowest Bidder) will be decided based on 'Cost to BHEL' value after considering the applicable loading factors and other costs including packing & forwarding, applicable duties, taxes, etc if it is in the scope of BHEL.
9. **Changes in Statutory Levies:** If any rate of Tax are increased or decreased, a new tax is introduced, an existing tax is abolished or any change in interpretation or application of any tax occurs in the course of execution of the contract, which was or will be assessed on the bidder in connection with performance of the contract, an equitable adjustment of the contract price or deduction there from, as the case may be. However, these adjustments would be restricted to direct transactions between BHEL and the bidder/ agent of foreign bidder (if applicable). These adjustments shall not be applicable on procurement of raw materials, intermediary components, etc. by the bidder/ agent.
10. In case of changes in scope of the tender and/ or technical specifications and commercial terms & conditions by BHEL during techno commercial evaluation, the same will be communicated only to the bidders who are participated in the tender. The techno-commercially qualified bidders will be asked for submitting impact price bid, if any is applicable.
11. Offers with non-acceptance of BHEL terms, are liable for **rejection**.
