The tiles shall be applied with 6mm thick Potassium Silicate bedding mortar epoxy based as per IS:4441, 4443 & 4832 and including preparation of surface, application of bitumen primer, curing etc. all complete. The tiles should be abrasion resistant & durable.
2.0	COMPLETION / CONTRACT PERIOD
2.1	The contract period shall be as follows- 1. Supply of material by 7 days from the day issuance of Order 2. Site Mobilization & Fixing of material by 10 days from the day of Supply completion.
3.0	VALIDITY OF OFFER:
3.1	The rates in the tender shall be kept valid for acceptance for a period of 10 days from the date of submission of offer
4.0	REJECTION OF TENDER
4.1	The acceptance of tender will rest with BHEL which does not bind itself to accept the lowest tender or any tender and reserves to itself full rights for rejection of tender without assigning any reasons whatsoever. No deviation from the tender specification shall be acceptable to BHEL.
5.0	MOBILIZATION PERIOD
5.1	The Contractor shall mobilize all necessary resources, personnel, equipment, and materials required for the commencement of the works within three (3) working days from the date of receipt of the Material . Failure to mobilize within the stipulated period may result in penalties, termination of the contract, or other actions as deemed appropriate by the Employer.
6.0	PENALTY CLAUSE
6.1	In the event of any delay attributable to the contractor in completion of assigned job as per stipulated timeline and handing over of facilities with acceptable standards/quality within the period as stipulated in the contract or any extension thereof, the contractor shall be liable to pay Liquidated damage (LD) to BHEL for the delay at the rate of 0.25% of the contract price per week plus applicable GST after completion of timeline.
7.0	TERMS OF PAYMENT:
7.1	Successful bidder shall submit their bill once the job has been completed in all respect. 100% payment shall be released within 15 days of submission of the invoice at site (i.e. against the bill), completes in all respects accompanied by BHEL engineers certified / measurement sheet, jointly signed and EPF compliance certificate from EPF authority
7.2	Mode of measurement shall be as per relevant clauses of technical specification of this tender. In case the same is not available the relevant IS 1200 in conjunction of IS code 3385 shall be adopted. In case the same is also not available, the standard procedure adopted in CPWD shall be adopted. In case the same is also not available in CPWD, the measurement of the work done will be based on the mutual agreement between BHEL and contractor. In all the above cases, the interpretation of BHEL will be final and binding to the contractor.
7.3	All taxes excluding GST (as applicable) & BOCW CESS (as applicable) but including, charges, royalties, any state or central levy and other taxes for materials if any obtained for the work and for execution of the contract shall be borne by successful bidder and shall not be payable extra by BHEL. Any increase of above at any stage during execution of contract, including extension of the contract, shall have to be borne by successful bidder contractor. Bidder's quoted/ accepted rates/ price shall be inclusive of all such requirements.
7.4	GST along with cess (as applicable) legally leviable & payable by successful bidder as per GST law shall be paid by BHEL, extra. Hence, bidder shall not include GST along with cess (as applicable) in their quoted rates/ price.

7.5	No PVC is applicable in the contract.
7.6	No advance payment will be done.
