	helper etc. at BHEL-PSER, 1X120 MW, IEL Jamshedpur Site, Jharkhand, duly certified by Construction Manager- BHEL-PSER, 1X120 MW, IEL Jamshedpur Site, Jharkhand.
6.2.3	Mobilization period shall remain unchanged in case of purchase of new crane.
6.2.4	Contract period of the crane shall be for <b>02 (Two)</b> months from the start date of contract.
6.3	The start date of contract shall be reckoned from the date of complete commissioning and successful load test of crane, duly certified by Construction Manager- BHEL-PSER, 1X120 MW, IEL Jamshedpur Site, Jharkhand irrespective of their date of successful mobilization.
6.4	In case of exigency / site requirement, the contract period may be further extended on same terms & conditions depending upon actual site requirement and the same shall be intimated by BHEL to you 1 month before expiry of contract period of the particular crane.
6.5	The monthly rate, the prescribed rate schedule/price schedule shall remain firm though out the contract period excluding the extended period (if any).
6.6	Agreed monthly hire charges shall remain firm throughout the contract period as indicated in the tender. However, the monthly hire charges during the extended period shall be 90% of the monthly hire charges agreed for the regular contract/hiring period. No other revision of the rates shall be admitted during the extended periods.
6.7	The cranes with operator, helpers and service / maintenance staff shall remain available for minimum cumulative 12 hours / day (any part of the day) inclusive of 1-hour lunch break.
6.8	De-mobilization: complete dismantling of a particular crane and transportation out of the same crane with all its accessories from site to be done by you within 15 days from the date of intimation for de-mobilization by Construction Manager- BHEL-PSER, 1X120 MW, IEL Jamshedpur Site, Jharkhand, for the particular crane.  De-mobilization of cranes shall be calculated as per above.
6.9	If the performance of crane is not satisfactory, the contract shall be liable for termination without prior notice.
7.0	<b>CONSIGNEE</b> Consignee address for the crane is as follows- CONSTRUCTION MANAGER, BHEL-PSER, 1X120 MW, IEL JAMSHEDPUR SITE, JHARKHAND.
8.0	<b>TERMS OF PAYMENT</b>
8.1	You shall submit the RA bill once in a month at the end of each month. 100 % payment shall be released from the respective BHEL site within 30 days of submission of the invoice (i.e. against the RA bill) complete in all respect accompanied by BHEL engineer's certificate with the following documents, subject to its completeness & correctness in all respect.
8.2	GST invoice in triplicate based on monthly rental charge rates as per Rate schedule, including extended hour running charges, if any, as per log book entry and hourly fuel charges on 'engine on' condition running of the crane as per record, to be maintained by you (as stated in relevant clause), shall be submitted for getting certified by BHEL site engineer.
8.3	Applicable GST shall be released to you upon compliance with the following conditions:
8.3.1	The goods or services covered under the invoice must be received in full, along with the corresponding valid tax invoice by BHEL.

8.3.2	<p>Following GST compliances must be ensured within the timelines prescribed for availing input tax credit (ITC) under GST law:</p> <p>a) You declaring such invoice in form GSTR-1, and it being auto-populated into form GSTR2B of BHEL through the common portal.</p> <p>b) Confirmation of GST payment by you to the government, verified through the filing of your form GSTR-3B for the corresponding month or quarter.</p>
8.3.3	<p>Not with standing anything contained above, GST amount may be released along with the payment against tax invoice, provided:</p> <p>a) Exposure of BHEL against such GST amount is sufficiently covered by the security deposit / bank guarantee / any other amount due to you at the time of releasing such GST payment.</p> <p>b) Such relaxation to be allowed till the subsequent month i.e. till the GST compliances are done by you against the given tax invoice.</p> <p>c) As long as the GST compliances are ensured on your part, this practice of releasing GST payment may be continued.</p>
8.4	<p>50% (fifty percent) of mobilization and de-mobilization charges for crane (as mentioned in Sl. No. 2.0 of Price Bid/Rate schedule) shall be payable against mobilization and balance 50% (fifty percent) of mobilization and de-mobilization charges for crane shall be payable against de-mobilization. Mobilization &amp; de-mobilization charges as applicable, shall be paid after certification of BHEL site engineer.</p>
8.5	<p>BHEL may release payment through electronic mode, for which you shall comply with necessary requirement prior to payment as per prescribed format.</p>
9.0	<p><b>LIQUIDATED DAMAGES (LD)</b></p> <p>Since time is the main essence of the contract, crane to be mobilized at site within the time limit prescribed in Sl. No. 6.2.1 above and mobilization shall be considered as defined in Sl. No. 6.2.1, 6.2.2 and 6.2.3 above. In case you mobilize the crane beyond the period specified in Sl. No. 6.2.1 above, BHEL will have no obligation to accept the crane and reserves the right to levy liquidated damages at the rate of 0.5% (half percent) of the crane wise contract price for delay per week or part thereof without prejudice to any other relief or compensation due to BHEL under any other conditions of the order subject to a maximum limit of 10% of the contract price.</p> <p>Here, LD shall be applicable for the delay attributable to you. The contract price shall be the awarded contract price of particular crane for the purpose of LD calculation.</p> <p><b>However, the total LD amount for the contract shall not exceed 10% of the total awarded contract price.</b></p>
10.0	<p><b>PRICE VARIATION COMPENSATION (PVC) &amp; OVER RUN COMPENSATION (ORC)</b></p> <p>Not applicable.</p>

<b>13.0</b>	<b>STATUTORY REQUIREMENTS</b> You shall ensure that all statutory requirements pertaining to contract execution, e.g. inland labour laws etc are complied with at site.
<b>14.0</b>	<b>FORCE MAJEURE CONDITIONS</b>
14.1	"Force Majeure" shall mean circumstance which is: (a) beyond a party's control, (b) The party could not reasonably have provided against before entering into the contract, (c) Having arisen, such party could not reasonably have avoided or overcome, and (d) is not substantially attributable to the other party. Such circumstances include but not limited to  i) Exceptionally adverse climatic conditions at the site which are unforeseeable having regard to climate data available or published in the country for the geographical location of the site. ii) War, hostilities (whether war be declared or not), invasion, act of foreign enemies. iii) Rebellion, terrorism, revolution, insurrection, military or usurped power, or civil war. iv) Riot, commotion or disorder by persons other than your personnel and other employees of you and sub-contractors. v) Strike or lockout not solely involving your personnel and other employees of you and sub-contractors. vi) Encountering munitions of war, explosive materials, ionizing radiation or contamination by radio-activity, except as may be attributable to your use of such munitions, explosives, radiation or radio- activity. vii) Natural catastrophes such as earthquake, tsunami, volcanic activity, hurricane or typhoon, flood, fire, cyclones etc.
14.2	The following events are explicitly excluded from Force Majeure and are solely the responsibilities of the non-performing party: (a) any strike, work-to-rule action, go-slow or similar labour difficulty (b) late delivery of equipment or material (unless caused by Force Majeure event) and (c) economic hardship.
14.3	If either party is prevented, hindered or delayed from or in performing any of its obligations under the Contract by an event of Force Majeure, then it shall notify the other in writing of the occurrence of such event and the circumstances thereof within 15 (fifteen) days after the occurrence of such event.
14.4	The party who has given such notice shall be excused from the performance or punctual performance of its obligations under the Contract for so long as the relevant event of Force Majeure continues and to the extent that such party's performance is prevented, hindered or delayed. The Time for Completion shall be extended by a period of time equal to period of delay caused due to such Force Majeure event.
14.5	Delay or non-performance by either party hereto caused by the occurrence of any event of Force Majeure shall not  i) Constitute a default or breach of the Contract. ii) Give rise to any claim for damages or additional cost expense occasioned thereby, if and to the extent that such delay or non-performance is caused by the occurrence of an event of Force Majeure.

14.6	BHEL at its discretion may consider short closure of contract after 1 year of imposition of Force Majeure in line with extant guidelines. In any case, you cannot consider deemed short-closure after 1 year of imposition of Force Majeure.
<b>15.0</b>	<b>SPECIFIC TERMS</b>
15.1	For recording the hours of operation with engine on condition, you are required to maintain a separate register at site, which shall be certified by BHEL site engineer before release of payment for monthly fuel charges. The rates as derived in price schedule shall remain firm throughout the entire contract period including the extended period (if any).
15.2	There is no provision for any advance payment by BHEL for mobilization / de-mobilization etc.
15.3	The crane operation shall be executed under the usual conditions prevailing in major power plant construction and in conjunction with numerous other operations at site. You and your personnel shall co-operate with all BHEL personnel, BHEL's customer, customer's consultants and all other contractors, coordinating the crane movements with others and work in a manner that shall not delay or hinder the progress of work of the project.
15.4	You shall execute the work in most substantial and workmanlike manner. The materials and equipment of BHEL by the crane shall be handled with care and diligence, while same are handled by the crane.
15.5.1	For unloading, assembly, disassembly & loading of the crane, BHEL or BHEL's erection contractor shall provide suitable assisting crane(s) with operator, whereas you shall arrange necessary fuel for assisting crane(s), slings, d-shackles, etc. at your own cost. For rearrangement, extension, reduction, etc. of boom and jib as per job requirement during the hiring period, BHEL or BHEL's erection contractor shall provide suitable assisting crane(s) with operator, whereas you shall arrange necessary slings, d-shackles, etc. at your own cost. No claim in this regard will be entertained by BHEL.
15.5.2	During mobilization for transportation of the crane to site, BHEL shall not provide road permit/waybills. You have to provide an undertaking in the techno commercial bid that if you are successful then you shall arrange road permit for transportation of the crane to site on your own and not ask BHEL for any help in this regard.
15.6	Towards fulfillment of the relevant safety norms, you are required to submit valid test certificate for the cranes to be deployed at site. On deployment, load test is to be conducted at site for which necessary load materials shall be arranged by you.
15.7.1	Operation, maintenance, fuel (engine on condition) and all consumables for regular daily running of the cranes as per the working hours mentioned are to be provided by you. The agency should provide adequate number of operators, helpers and maintenance personnel to ensure trouble-free uninterrupted operation, services and maintenance of the cranes at site. In case you fail to provide the required consumable, filters, etc. in time, BHEL reserves the right to supply the same and deduct the cost from your bill with 30% overhead.
15.7.2	Crane operators shall be well experienced (minimum 03 years experience) with same type of crane operation.  Documentary proof shall be submitted to BHEL before start of work.
15.7.2	You shall provide all lubricants, spare parts, filters and other necessary consumables that are

	necessary to fulfil the scope of services under the specification within the accepted rates.
15.7.3	You are required to bring sufficient numbers of steel plates/mats for placement under jacks / crawlers & wherever applicable for placement of cranes during job at site on its own without any cost to BHEL.
15.7.4	Sufficient numbers of steel plates/mats for placement under crawler for movement of cranes at site will be provided by BHEL/ BHEL contractor free of cost on sharing basis.
15.8	Normally the maintenance / greasing activities in the crane shall be done by you during recess period or in Sunday/ site holiday so that no working day is lost for outage of the cranes. However, any breakdown/ repair of the crane shall be immediately attended by you at your own cost & risk. You are to maintain stock of adequate spares & consumables with the required tools & tackles at site for this purpose.
15.9	A log book giving full operation/ maintenance/ downtime if any details for the crane separately shall be maintained by you at site and regularly endorsed by BHEL site engineer through his signature on daily basis or as per the site procedure.
15.10	In case of operator's absence, you shall arrange alternative immediately for continuation of site work so as not to hamper the time scheduled erection program.
15.11	If any particular crane becomes idle / non-operational due to failure attributable to it's own mechanism or due to any of the reasons as per your scope, the idle / non-operational hours for making the crane ready will either be deducted from the monthly rental charges of the particular crane on pro-rata basis of the accepted monthly lump sum rental charge divided by 26 days, further divided by 12 hours or shall be compensated by working the lost hours during extended hours or on holidays, at the discretion of BHEL site engineer. BHEL's decision in this regard shall be final & binding on you.
15.12	Liquidated damage shall be applicable for delay attributable to you in crane mobilization of the particular crane at site & BHEL at its discretion, you not to participate forthcoming tender for same type of crane in any part of BHEL.
15.13	Holidays shall be as observed by BHEL at site and Sundays shall be considered as holidays. However, in exigency, the crane(s) may be required to be operated on Sundays and such holidays.
15.14	Cumulative working hours per day for crane shall be for 12 (Twelve) hours inclusive of one-hour lunch break daily, excluding Sundays & scheduled holidays. For any crane working beyond working hours, or on Sunday/ holidays with prior permission of concerned BHEL site engineer, you shall be paid on pro- rata rental charge as stated below, based on certification of the BHEL site engineer.
15.15	Hourly rate for working beyond cumulative working hours and working on Sundays and holidays = 25 % of monthly rental charges per crane as per price schedule divided by 26 and further divided by 12 (i.e. 25% of monthly rental charges/ (26 x 12)). <b>Fuel charges for hourly running of the crane with engine on condition shall be paid separately as per relevant items of Rate schedule.</b>
15.16	In case there is a total failure of any crane, you should replace the same and bring substitute crane within a deadline of 20 days from outage of the crane, which shall be treated as idle period and no rental charges payment shall be made for this period for the particular crane. In the case of your failure to do so, BHEL shall make alternative arrangements at your risk & cost.

15.17	Necessary insurance coverage for the cranes including third party liability and for the workmen (covering workmen's compensation act, etc.) Engaged by you are to be taken at your cost and copy of the same should be submitted to BHEL at site before work commencement. If any accident / injury occurs to any other persons / public due to proven negligence / non-adherence to relevant safety and other precautions on your part / your employees, you shall remain liable to pay necessary compensation and other expense, as decided by appropriate authorities / as per statutory norms.
15.18	You shall follow & comply with all safety rules of BHEL and their customer, relevant provisions of applicable laws pertaining to safety of workmen, employees, plant and equipment as may be prescribed from time to time without any demur, protest or contest or reservation. In case of any conflict between statutory requirement and safety rules of the client referred above, the later shall be binding on you unless the statutory provisions are more stringent.
15.19	Any loss or damage to BHEL or customer's property due to negligence of the crew employed by you is attributable to you. BHEL shall not be responsible for any accident / injury to your crew / staff during operation or otherwise. You have to assume full responsibility of the safety of your crew / staff and to comply with the security / safety regulations of BHEL and others at site.
15.20	BHEL shall provide space free of cost to you at site, where you may maintain a container / office / store for working facility of your personnel and keeping / storing of your required hand tools, spares, slings, consumables etc. As necessary. Watch & ward / safety and security of the crane at site shall be your responsibility.
15.21	You have to make your own arrangement for accommodation, transport and other amenities like medical etc. for your crew / staff at site at your own cost.
15.22	All the statutory requirements as called for by the labour laws like: PF, BOCW etc. and other statutory authorities are to be met by you and proof of compliance should be made available to BHEL.
15.23	You shall have to comply the statutory documents requirement and have to arrange entry gate passes for your crew / staff at the construction plant site. Necessary support in regard to forwarding of documents shall be given by BHEL.
15.24	Electrical power / illumination for your crane operation / maintenance works at site shall be provided by BHEL at free of cost basis. However, the crane should have it's own lights for movement / working in the working area at site.
15.25	You shall comply with the plant security regulations in force at site in entry, exit, movement & working inside the plant premises. You shall also ensure that all persons engaged by you for the work behave properly with BHEL and their client. In case of any reported misbehavior, you shall immediately withdraw such employee / person from work.
15.26	You may note that deployment of crane to any site against the present tender can not be correlated / linked with any previous or ongoing disputes aroused under any other contract with BHEL/ BHEL's customer and any such linkage on your part shall be treated as breach of contract.
15.27	You may please note during mobilization of crane for movement of heavy consignments weighing more than 20MT & width more than 10.5 FT., advance road survey and logistic planning shall be done by you or your transporter.
15.28	For transportation of crane to the site, all the formalities of statute are in your scope and as it is

	expected the crane shall be self-propelled (move on its own on wheel). The relevant updated registration documents & permission to travel shall be especially ensured by you.
15.29	Compliance of all formalities related to statutory labour laws, like: labour license, labour insurance, PF registration for your deployed workmen, BOCW registration etc. Shall be in your scope. BHEL shall not pay any of your claim on these accounts.
<b>16.0</b>	<b>HEALTH SAFETY &amp; ENVIRONMENT</b>
16.1	You shall have to comply safety requirements of BHEL / Customer as per "HEALTH, SAFETY & ENVIRONMENT PLAN FOR SITE OPERATIONS BY SUBCONTRACTORS" (HSEP14 REV. 02, DEC. 21, 2022) as applicable.
16.2	Apart from that you have to follow the safety procedures issued by customer (IEL) from to time and published along with the tender. In case of any conflict between the safety procedures issued by customer (IEL) and BHEL's safety procedure / HSE norms, the safety procedures issued by customer (IEL) shall prevail.
16.3	You have to arrange for L1/L2/L3 training for all human resources working at site, as per instructions from customer / BHEL time to time. Charges towards arranging such training will be reimbursed by BHEL time to time, on submission of relevant documents by you.
<b>17.0</b>	<b>GUARANTEE</b>
	Not applicable.
<b>19.0</b>	<b>LAW GOVERNING THE CONTRACT AND COURT JURISDICTION</b>
	The contract shall be governed by the Law for the time being in force in the Republic of India. Subject to clause 20.1.1 of this contract, the Civil Court having original Civil Jurisdiction at Kolkata for PSER, shall alone have exclusive jurisdiction in regard to all matters in respect of the Contract.
<b>20.0</b>	<b>ARBITRATION &amp; CONCILIATION</b>
<b>20.1</b>	<b>ARBITRATION:</b>
20.1.1	Except as provided elsewhere in this Contract, in case Parties are unable to reach amicable settlement (whether by Conciliation to be conducted as provided in Clause 20.2 herein below or otherwise) in respect of any dispute or difference; arising out of the formation, breach, termination, validity or execution of the Contract; or, the respective rights and liabilities of the Parties; or, in relation to interpretation of any provision of the Contract; or, in any manner touching upon the Contract (hereinafter referred to as the 'Dispute'), then, either Party may, commence arbitration in respect of such Dispute by issuance of a notice in terms of section 21 of the Arbitration & Conciliation Act, 1996 (hereinafter referred to as the 'Notice'). The Notice shall be addressed to the Head of the Power Sector Region issuing the Contract and shall contain the particulars of all claims to be referred to arbitration in sufficient detail and shall also indicate the monetary amount of such claim. Within 60 days of receipt of the complete Notice, the Head of the BHEL Power Sector Region issuing the Contract shall offer names of three proposed Arbitrators to the invoking Party advising to choose any one of the three names to be appointed as Sole Arbitrator. On getting confirmation from the invoking Party regarding the Arbitrator chosen from among the names so offered, the Head of the BHEL Power Sector Region issuing the Contract, shall appoint such chosen person as the Sole Arbitrator for conducting the arbitration. The language of arbitration shall be English.

	<p>The Arbitrator shall pass a reasoned award.</p> <p>Subject as aforesaid, the provisions of Arbitration and Conciliation Act 1996 (India) or statutory modifications or re-enactments thereof and the rules made thereunder as in force from time to time shall apply to the arbitration proceedings under this clause. The seat of arbitration shall be <u>Kolkata</u> (the place from where the contract is Issued). The Contract shall be governed by and be construed as per provisions of the laws of India. Subject to this provision 20.1.1 regarding ARBITRATION, the principal civil court exercising ordinary civil jurisdiction over the area where the seat of arbitration is located shall have exclusive jurisdiction over any DISPUTE to the exclusion of any other court.</p>
20.1.2	<p>The cost of arbitration shall initially be borne equally by the Parties subject to the final allocation thereof as per the award / order passed by the Arbitrator.</p>
20.1.3	<p>Notwithstanding the existence of any dispute or differences and / or reference for the arbitration, you shall proceed with and continue without hindrance the performance of its obligations under this Contract with due diligence and expedition in a professional manner unless the dispute inter-alia relates to cancellation, termination or short-closure of the Contract by BHEL.</p>
20.2	<p><b>CONCILIATION:</b></p> <p>If at any time (whether before, during or after the arbitral or judicial proceedings), any Disputes (which term shall mean and include any dispute, difference, question or disagreement arising in connection with construction, meaning, operation, effect, interpretation or breach of the agreement, contract), which the Parties are unable to settle mutually, arise inter-se the Parties, the same may, be referred by either party to Conciliation to be conducted through Independent Experts Committee (IEC) to be appointed by competent authority of BHEL from the BHEL Panel of Conciliators.</p> <p>Notes:</p> <ol style="list-style-type: none"><li>1. No serving or a retired employee of BHEL / Administrative Ministry of BHEL shall be included in the BHEL Panel of Conciliators.</li><li>2. Any other person(s) can be appointed as Conciliator(s) who is / are mutually agreeable to both the parties from outside the BHEL Panel of Conciliators.</li></ol> <p>The proceedings of Conciliation shall broadly be governed by Part-III of the Arbitration and Conciliation Act 1996 or any statutory modification thereof and as provided in Procedure 2.3 to the GCC of tender. The Procedure 2.3 together with its Formats will be treated as if the same is part and parcel hereof and shall be as effectual as if set out herein in the GCC of tender.</p> <p>You hereby agree that BHEL may make any amendments or modifications to the provisions stipulated in the Procedure 2.3 to the GCC of tender from time to time and confirms that it shall be bound by such amended or modified provisions of the Procedure 2.3 with effect from the date as intimated by BHEL to it.</p>
20.3	<p><b>No Interest payable to you</b></p>
