

1. **Splitting of Order (distribution of total tender quantity):**

- A- BHEL intended to split the total tendered quantity on **Two Vendors** in the ratio of 65:35.
- B- The proposed distribution to vendors (N) shall be as follows, subject to minimum (N+1) Techno-Commercially qualified bidders.

No. of Vendors (N) available for quantity distribution	L1	L2	L3	Total
1	100			100
2	65	35		100

- C- For ordering to vendors other than L-1, HESG equivalent L-1 rate (i.e. on total delivered cost to BHEL Stores on overall economy) as finalized shall be counter offered to others bidders as per tender ranking. In the case any bidder(s) do not accept the L-1 rate; the counter offer may be extended to others bidders i.e. L-3, L-4 etc
- D- In the event of only one qualified vendor at L-1 rate BHEL may go for ordering for total quantity.
- E- BHEL reserves the right for distribution (%) among two vendors in the ration of 65:35, in case of only two qualified bidders.
