ANNEXURE-A

PREAMBLE

- 1.0 This preamble forms part of the tender document and schedule of items. The tenderer should read this preamble carefully before filling up the rates for various items. Clauses of this preamble shall be read in conjunction with GCC and other terms of the tender document and shall have precedence over any contrary statement mentioned anywhere in the above documents.
- 2.0 The work shall be carried out as per specifications, descriptions of the items in the schedule and or as per engineer's instructions.
- 3.0 Unless specifically mentioned otherwise in the tender document, the tenderer shall quote for the finished items and shall provide for the complete cost towards supply of materials including consumables, labour & other misc. elements that may be required for carrying out the job including transport, layout, rectification, maintenance till handing over, supervision, overheads, profits etc. including all incidental items complete.
- 4.0 The quantities in this schedule are approximate and may vary to any extent or may be deleted altogether. The rate quoted against each item of the schedule shall remain firm till the contract value remains within "+" or "-" 15%.
- 5.0 The rates shall be quoted both in figures & words in clear legible writing. No overwriting is allowed. All scoring and cancellations should be countersigned and in case of illegibility, the interpretation of engineer shall be final. All entries shall be in English. The rates quoted are inclusive of all taxes and duties, etc.
- 6.0 The tenderer shall be deemed to have studied detailed specifications and terms & conditions of the tender.
- 7.0 Engineer's decision shall be final & binding on the contractor regarding clarification of items in the schedule with respect to other terms & conditions of the contract.
