Notice Inviting Tender

5. The offer shall be submitted as per the instructions of tender documents and as detailed in this NIT. Non acceptance of any term may lead to rejection of quotation.
6. **This tender is for Rate contract (Frame Work Agreement) and shall be valid for one year from date of finalization of tender. BHEL shall release PO within validity of rate contract for supply of M S Casing MDVs and Orifices.**
7. **Supplier should have online inspection facility for inspecting the material online.**
8. **Following Price Variation clause shall be applicable for this tender.**

The rates finalized will be subjected to price variation as per the PV formula indicated below. Price variation computed in Rs/Kg will be applied for each of the item pro-rata. Unit weight as indicated in BHEL drawing will be applicable for calculation.

Basis for fixing indices/ Base rates:

Base of Data: Joint Plant Committee (JPC) constituted by Govt of India

Material Base: Rate of MS Plates of 10 MM as published in "JPC" (Delhi) Rates

PV Formula:

Price variation in Rs per Kg of casing wt = 1.0 (Difference in Plate Rate for 10 mm Thickness)

$$= 1.0 (P_i - P_o)$$

P_i: The Average rate of MS Plate of 10 mm of the previous month of Placement of Order date published in JPC **excluding GST**

P_o: The Base Rate of MS Plate Given in TE excluding GST i.e **Rs 52.911**

Average JPC price for Month of June is 75.870/Kg (Inclusive of GST),

$$\text{So, } P_o = 75.870/1.18 = 64.297 \text{ per Kg}$$

The purpose of providing the base rate is for intended use of calculating PV only. The above is Delhi price. However the vendor has to take into consideration the steel availability rate at their place, difference in rates if any & other related expenditure is in supplier's account. No claim on account of purchase of steel at different rates as indicated in JPC will be entertained by BHEL during finalization or execution of contract.

Operation of PV Clause

MATERIAL MANAGEMENT

Notice Inviting Tender

- Rate taken for PV calculation shall be exclusive of GST of rate of plate 10 mm at Delhi.
- BHEL shall be released PO after calculating rate per Kg as per above formula considering average JPC price of 10 MM plate of previous month e.g if PO is released in month of July, Average JPC of Month of June shall be taken.
- Supplier does not need to submit PV bill.

(II) Item Description and Scope of Supply:

Estimated Quantity of MS Casing MDVs and Orifices (TE-026)		
Sl No	Item	Qty (MT)
1	MDV(Valve Body)	115
2	Orifices	41
