

## NOTICE INVITING TENDER

Ref.: OS/25-26/8118/FH/26/026

Date: 26.11.2025

**Sub: Fabrication of Fired Heater against S.O. No. 8118 inside the premises of BHEL-HPVP, Visakhapatnam**

Dear Sir,

Sealed tenders are invited for the subject work in **two-part bid** system from Vendors who are experienced in fabrication of similar jobs and fulfil the eligibility criteria specified below in clause-1. Scope of work and techno-commercial terms and conditions are as follows.

### **1. PRE-QUALIFICATION CRITERIA:**

- 1.1) Bidders must have an experience of successful completion of similar works i.e., **Fabrication of Structural items, Piping / Coils** during last 7 years ending 31<sup>st</sup> October 2025 for a minimum of one project. Bidders shall enclose Work Order, Work Completion Certificate and all other relevant documents from the customer in support of successful and satisfactory completion of the work. The works executed in own name of the individual / firm of the tenderer will only be considered for eligibility criteria.
- 1.2) Average Annual Financial Turnover of the bidder for the last 3 financial years should be a minimum of **₹ 30 Lakhs**. Bidders shall submit Financial turnover certificate for previous three years issued by Chartered Accountant, Audited Profit & Loss Accounts, Balance Sheets and other necessary documents in support of the same.  
*In case audited financial statements are not available for latest financial year, then the applicable audited statements of preceding three financial years shall be considered.*
- 1.3) Bidders shall also enclose the documents of Registration of Firm/ Factory License/ Certificate of Incorporation, EPF, ESI, PAN, GSTIN, UDYAM Registration Certificate (if registered with MSME) etc.
- 1.4) Any Bidder falling under MSE category shall furnish the following details & submit documentary evidence/ Govt. Certificate etc., in support of the same along with their Techno-commercial offer.

Type under MSE	SC/ST Owned	Women Owned	Others (excluding SC/ST & Women Owned)
Micro			
Small			

**Note:** If the bidder does not furnish the above in the tender, offer shall be processed construing that the bidder is not falling under MSE category.

### **2. LOCATION OF WORK SPOT:**

The fabrication work is to be carried out inside the premises of BHEL-HPVP, Visakhapatnam.

### **3. VENDOR'S SCOPE OF WORK:**

Complete Fabrication of various equipments / items of **Fired Heater** which consists of Radiant Section, Radiant Arch, Radiant Floor, Convection Section Modules, Header Box Panels, Convection coils, Off-take Ducts, Cold Air Ducts, Hot air Ducts, Bypass Ducts, Flue Gas Ducts, Hot Flue Gas Ducts, Stack, Supporting structure, Stair Tower with Landings, APH Supporting Structure, Platforms, Staircase, Ladders, Handrails, Branch Piperack structure, Transportation Saddles etc., as per the relevant drawings, Specifications & standards, Painting Schedule, QAP, WPS, Modularization philosophy etc., which includes the following activities but not limited to the same:

- 3.1 Collection of Raw materials & BOCs from HPVP stores and shifting of the same to Fabrication yard including unloading, handing over of finished structural items and loose items like fasteners, gaskets etc., to Logistics dept. inside the plant and finished items / equipments at Fabrication yard including loading onto the trailers.
- 3.2 Fabrication of Radiant Casing in Modules including Supporting Columns, Stiffeners etc., as per drawings and Modularization Philosophy. Radiant casing shall be dispatched to site in modules without insulation as per drawings and Modularization Philosophy.

- 3.3 Fabrication of Radiant Arch and Floor in modules as per drawings & Modularization philosophy.
- 3.4 Fabrication of Tapping Sub-assemblies, Sleeves, Nozzles, Sight doors, Tube Pulling door, Pressure Relief Door, Breeching doors, Access doors, Peephole assembly, Instrument nozzles etc., required for Radiant section as per drawings at HPVP and will be dispatched to site in loose condition.
- 3.5 Fabrication of Convection Section in Modules as per Modularization philosophy which includes the following:
  - a) Fabrication of Convection casing along with supporting structure
  - b) Fabrication of End Tube Sheets (ETS) and assembly of ETS with Convection modules after refractory lining.
  - c) Installation of Intermediate Tube Sheets
  - d) Fabrication, assembly & welding of instrument nozzles, Observation Doors, Breeching Access doors, Lancing doors etc. as per drawings.
  - e) Fit-up, assembly & welding of Convection coils (CS & LAS), Cross-over / Jump-over Coils including NDT like DPT, 100% Radiography, PWHT, Hydrotest as per approved QAP, drawings etc., insertion of coils in convection modules after refractory lining and dry out as per Modularization philosophy.
  - f) Fabrication of Convection Section Header Boxes and Trial assembly with Convection modules before refractory dry out and removal after dry out.
- 3.6 Fabrication of Ducts which includes CS, SS (1 MT approx.) and LAS (13 MT approx.) as per relevant drawings & Modularization philosophy viz., Off-take Ducts, Cold Air Ducts, Hot Air Ducts, Bypass Ducts, Flue Gas Ducts, Hot Flue Gas Ducts including instrument nozzles, supporting structure etc. Trial Assembly of Ducts (system wise) and dismantling & handing over of the same to Refractory Vendor and loading of same for dispatch to site after refractory work.
- 3.7 Fabrication of Heater & Stack supporting structure, APH Supporting Structure, Stair Tower with Landings, Platforms, Staircase, Ladders, Handrails etc., as per relevant drawings.
- 3.8 Fabrication of Stack in sections including Base plate, Stiffeners, Platform support cleats, Helical Strakes, instrument nozzles etc., as per relevant drawings. Fabrication of Stack involves Rolling of Shell, assembly & welding of Externals, assembly and welding of Instrument nozzles etc. Trial Assembly of Stack sections and dismantling & handing over of the same to Refractory Vendor and loading of same for dispatch to site.
- 3.9 Fabrication, Assembly & Welding of Sleeves, Instrument Tappings, Nozzles, SS Retainers plates wherever applicable as per relevant drawings, specifications and standards.
- 3.10 Machining of components / items wherever required as per drawings.
- 3.11 Shifting of Structural items to HPVP shop for Section bending, if required and shifting back to fabrication yard after section bending.
- 3.12 Surface Preparation and application of total no. of coats of Paints as per Painting Schedule, Specifications & Standards excluding Final Finish coat.  
**Supply of all applicable Paints as per approved Painting Schedule from BHEL / customer approved manufacturers is in vendor's scope.** The Paint Manufacturer's certificates for the supply of paints shall be submitted to BHEL-HPVP before application.
- 3.13 Galvanizing is to be done wherever required for Handrails and ladders (fabricated / welded area) as per Painting Schedule.
- 3.14 NDT like DPT, MPT, Radiography, PWHT etc. and Hydro test of coils shall be carried out as per approved drawings, QAP, Specifications and standards. NDT agency deployed by Vendor has to be approved by BHEL-HPVP before deployment.
- 3.15 100% PMI shall be carried out for weldments of Alloy steel and Stainless-steel materials. All alloy steel materials shall be stenciled with PMI OK after satisfactory PMI check.
- 3.16 Assistance for Refractory Lining works like handling / shifting of Modules / sections/ ducts to specified locations, rotation to facilitate application of refractory and assistance for refractory Dry out like arranging the refractory lined equipments as per the approved Dry out plan & schedule as per requirement of Refractory / Dry out contractor.
- 3.17 Suitable extra bracings / Stiffening as required shall be provided to prevent distortion / damage during handling, transportation and erection. Prior to Lifting and handling of Modules involving heavy lifts like Radiant Casing sections, Convection Modules, Stack, Ducts etc. Lifting arrangements and scheme for the same are to be submitted by the vendor for approval.

- 3.18 Rectification of Raw materials such as straightening etc., if any and trial assembly after fabrication wherever required as per Drawings / QAP and rectification of defects, if any attributable to vendors, found after handing over to Logistics dept.
- 3.19 The fabricated items shall strictly conform to the dimensions and tolerances indicated in the drawings. It must be ensured that correct dimensions and deviations, if any, are recorded properly and is made available to BHEL officials or their authorized agencies.
- 3.20 Free issue materials should be collected within 3 days from the date of intimation by Outsourcing without failure. Any delay beyond 3 days shall be considered for levying of LD.
- 3.21 In case of requirement of off-cut materials, the vendor shall arrange for Gas Cutting & manpower at BHEL Stores.
- 3.22 Submission of economic cutting plans for all plate materials, Pipes, Tubes and sections issued by BHEL and obtaining approval of competent authority is mandatory before taking up fabrication. Wherever fabrication is done without proper approved cutting plans, any loss of materials arising due to the same will be recovered as per BHEL recovery rates.
- 3.23 No extra rates are applicable for the additional joints to be made in Plates / Rolled sections / Pipes.
- 3.24 The work is to be executed as per the latest approved Drawings, Group Manufacturing Specification (GMS), Shipping List released for each PGMA, QAP, WPS, Painting Schedule, Standards & Specifications etc.
- 3.25 All indirect materials, consumables like electrodes, filler wire, gases, grinding wheels etc., required for fabrication are in the scope of the Vendor. The electrodes / filler wire shall be of BHEL / customer approved makes only and the vendor shall submit the Batch Test Certificates to BHEL for verification before using on the job.
- 3.26 Identification of all items shall be hard stamped by encircling with paint and stenciled in a specific format with details of Project name, Customer No., Work Order No., PGMA No., DU No., Qty., Weight and match marking etc., for identification and dispatch as per the instructions of the concerned. Completed job without proper identification will not be accepted by HPVP - Stores / Logistics.
- 3.27 Vendors shall have to return the excess / balance materials including off-cuts and total scrap available with them exclusive of process allowance & invisible wastage to HPVP Stores after material reconciliation but before submission of their final bill. In case the same are not returned by the vendors, Recovery shall be made as per BHEL Rates / MSTC rates plus applicable taxes, prevailing at the time of processing of the final bills.
- 3.28 Vendor shall deploy crane suitable upto 14 MT capacity along with Chains / Slings for shifting, fabrication, loading & unloading etc. **However, for heavy components other than which can't be handled by 14 MT crane, BHEL will be deploying one no. of 75 MT Crawler crane for handling of shell sections. Diesel, Oil, Grease etc., required for the operation of BHEL cranes will be Free Issue by BHEL.**
- 3.29 Vendor has to provide exclusively 01 No. of Helper for regular maintenance of BHEL Cranes like cleaning, greasing etc., and for assistance to Crane operators during the entire contract period. Vendor shall make necessary arrangement of vehicle and manpower for collection of Diesel, Oil, Grease etc., from BHEL stores and filling of the same in BHEL Cranes is in Vendor's scope.
- 3.30 Vendors shall engage sufficient man power and resources for fabrication to meet HPVP delivery schedules and augmentation of manpower has to be done by Vendor as and when needed as per instructions of BHEL-HPVP to meet intermediate time lines.
- 3.31 Experienced Site-in-charge and Qualified Engineers & Supervisors shall be deployed for proper co-ordination of the job. **Vendor shall obtain certification of BHEL Engineer-in-charge for the same and submit along with Bills for processing.**
- 3.32 Vendors should deploy Experienced & Qualified QC personnel for carrying out the inspection activities in coordination with BHEL QC inspector / TPIA / customer.  
**Vendor shall obtain certification of BHEL Engineer-in-charge for the same and submit along with Bills for processing.**
- 3.33 Vendors should deploy Qualified NDT personnel (Level III / Level II) at site for carrying out the NDT inspection activities in coordination with BHEL QC –NDT / TPIA / customer. Vendor shall have to engage sufficient man power and resources for fabrication to meet HPVP delivery schedules.  
**Vendor shall obtain certification of BHEL Engineer-in-charge for the same and submit along with Bills for processing.**

3.34 Vendor shall deploy sufficient no. of calibrated Welding machines, baking ovens, holding ovens, Portable Ovens, handling facilities like felt slings, metal slings, D-shackles etc., and measuring instruments duly calibrated must be available with the vendor. All the above equipments must be under working condition and relevant documents for the same are to be made available for verification by BHEL-HPVP / TPI Officials or their authorized agents.

**Vendor shall obtain certification of BHEL Engineer-in-charge for the same and submit along with Bills for processing.**

3.35 Mobilization of suitable Rolling machine and Sufficient No. of Rollers & Idlers required for fabrication of Stack are to be arranged by the vendor.

3.36 Welding is to be carried out by qualified welders only. Qualification of welders shall be carried out by the vendor at HPVP under supervision of BHEL / WT dept. at their own cost including all consumables. However, Test Coupons shall be provided by BHEL as free issue.

3.37 Compressor and other machinery / equipments required for Blasting and Painting are to be arranged by the vendor at their cost. Blast Cleaning and Painting as per Painting Schedule is to be carried out in a closed enclosure. Painting is to be carried out by Painters qualified by HPVP. All the necessary tests like checking of Surface preparation with Profile Gauge, Tape adhesion, Galvanizing DFT for applicable items, Elcho Meter for measuring DFT etc., required during the painting are to be carried out by the Vendor as per approved Painting procedure, QAP, Specifications and standards.

3.38 All the Temporary materials & Bed materials required for fabrication are to be arranged by the vendor at their cost.

3.39 All the Scaffolding materials like Pipes, Clamps, Jallies etc., for temporary platform works required during the complete course of the fabrication, blasting and painting are to be arranged by the Vendor.

3.40 Any modification work due to revision of the drawings during fabrication is to be carried out by the vendor without any additional cost.

3.41 All the measuring instruments used for inspection and testing shall have valid calibration certificates from NABL Laboratory or traceable to national / international standards.

3.42 Loading of finished items onto the trailer and Handing over of the same to Logistics dept.

3.43 Gate passes for the entry of Manpower, Materials, Cranes, Trailers etc., inside the premises of BHEL-HPVP are to be taken care by the contractor.

3.44 Vendors shall abide by all the rules and statutory regulations in force from time to time as per the Factories Act. It is their responsibility to ensure the safety of their workmen and fulfilling the ESI, PF and other relevant statutory regulations.

3.45 Power will be provided at one point to the Vendor as Free Issue. Arrangement of Power Distribution Board with suitable capacity Switch Fuse unit as incomer, all outgoing with necessary safe trips like MCB, ELCB etc., as per the industrial safety norms and their installation, all outgoing cables from Distribution Board, termination at the distribution board, cabling for the distribution of Power & Working Area Lighting. Sufficient Area lighting at the work place shall be arranged by the vendor at their cost.

3.46 Arrangement of Site office, Stores and deployment of Security & Qualified Safety officer at site.

3.47 Vendor to make necessary arrangements to ensure that work is not hampered during rains or Wind storms by deploying suitable rain / wind protection to maintain the committed manufacturing schedule.

3.48 Vendor shall take proper precaution for storage of all free issue materials from damage (or) theft. Any claims for damage (or) theft of materials shall not be allowed. BHEL shall have right to recover the amount for the damaged (or) lost materials due to theft.

3.49 Vendor shall maintain work timing & discipline and shall work in night shift/holidays as per requirement of work without any cost implication.

3.50 Vendor shall arrange additional manpower, equipment, machinery, if any required for completion of work in time without any additional cost implication.

3.51 Vendor shall submit Detailed Schedule including all resource mobilization like manpower, Tools & Tackles, machinery etc. during the commencement of work and Daily Progress Reports to BHEL. Vendor shall attend monthly progress meetings with BHEL / customer for status review and catch up plan.

3.52 Though not mentioned specifically, any other activity which is required for completion of the work is deemed to be included in the scope of work of vendor without any price implication.

**4. BHEL SCOPE:** BHEL – HPVP shall provide the following as free issue:

- 4.1) Drawings, GMS, QAP, WPS, Painting Schedule, applicable Procedures, Standards & Specifications.
- 4.2) Raw materials like full / off-cuts Plates, Pipes & Tubes, Round Bars, Structural items etc., and BOCs like Pipe Fittings, Flanges, Fasteners, Gaskets etc., as per GMS at HPVP stores. Transportation of these materials from BHEL-HPVP stores/shops to Fabrication yard is in vendor's scope.
- 4.3) Section bending of structural items wherever required.
- 4.4) Application of Refractory / Insulation lining of equipments / items as per drawings.
- 4.5) Higher capacity Crane i.e., one no. of 75 MT crane along with operator will be provided by BHEL free of charge for fabrication wherever crane arranged by the vendor will not serve the purpose. However, Riggers required for handling the job shall be provided by the vendor. Diesel, Oil, Grease etc., required for the operation of BHEL crane will be Free Issue by BHEL. Transportation of the same from HPVP stores to fabrication yard is in vendor's scope.
- 4.6) Area required for fabrication, site office and Stores at fabrication yard will be provided free of charge. All other arrangements for site enabling including Jungle Clearance & Surface Levelling etc., if required, shall be done by the vendor only.
- 4.7) Power & Water shall be provided free of charge at one point but further distribution to the desired location is in vendor's scope. In case of power cut / failure, vendor has to make alternate arrangement at vendor's cost. Water available at fabrication yard is to be tested at NABL approved laboratory for its suitability for Hydro-test to meet the Specifications and if not suitable, the required water has to be arranged by the Vendor.

**5. INSPECTION:**

- 5.1) Inspection shall be carried out by M/s. BHEL-HPVP, Vizag / BHEL Authorized Inspection Agency (TPIA) / Customer as per approved QAP. Contractor shall have to offer for Stage wise and Final inspection as per approved QAP and obtain necessary stage wise & final clearances before proceeding for further operations.
- 5.2) Fabrication Vendor shall be solely responsible for preparation and submission of all Inspection Reports & documents duly certified by Inspection Authority along with the finished equipments.
- 5.3) All the documentation related to inspection clearance of M/s. BHEL / TPIA / Customer, Generation of Inspection Reports, Preparation of Final Documents as per BHEL standard formats etc., are included in the scope of vendor and scanned copy as well as hard copy of the same is to be submitted to BHEL-QA.

**Note:**

QAP enclosed with the tender document is only tentative and may be subject to revision due to incorporation of comments of the approving authority. Hence, the approved QAP issued to the vendor after ordering shall only be followed for execution and inspection of the job.

**6. DELIVERY:**

Finished items along with inspection documents and all other certificates are to be handed over to HPVP-Logistics within **3 Months from the date of issue of First consignment of free issue materials or 6 weeks from the date of issue of Last consignment of materials, whichever is later.** The delivery period includes the time involved in collection of all raw materials, cutting plan approval, handing over of finished items at HPVP-Logistics.

**Note:**

- a) In case the delivery period offered by the vendor is more than the tender delivery, Price quoted by the bidder shall be loaded for additional period @1/2 % per week or part thereof for the purpose of evaluation of Bidder Status.
- b) Time schedule is very stringent and Vendor has to deliver the job as per Customer requirement and schedule which will be meticulously monitored by BHEL / Customer. All necessary steps to reduce the cycle time for the individual sub-activities and main activities will be mutually discussed and Vendor has to mobilize additional resources as per time to time requirement to achieve the same.
- c) For intermediate operations of Refractory vendor wherever applicable, the time period from the date of handing over to the date of taking over will be excluded from the delivery period for the purpose of computation of LD.

**7. SITE MOBILISATION:**

Successful bidders shall have to complete site mobilization within one week from the date of receipt of order (or) from the date of intimation for the same by BHEL whichever is later.

**8. PRICE:**

- 8.1) The price shall be quoted in the **Price Bid** as per the Schedule of Quantities & Rates for the detailed scope of work and the quoted price shall be inclusive of all applicable taxes & duties except GST.
- 8.2) **L1 status shall be evaluated based on the total quoted value.**
- 8.3) Bidder has to quote for all the items. Part quotation is not acceptable and such offers shall be rejected.
- 8.4) The prices shall be fixed & firm without any escalation during the entire period of contract and till completion of the work.
- 8.5) GST shall be reimbursable to the vendor as detailed in Clause - 8 and as per Annexure – GST.
- 8.6) Income tax will be deducted at applicable rates from RA & Final bills.

**9. GOODS & SERVICES TAX (GST):**

- 9.1) Bidders shall make a note of the following points of GST before submission of their offer:
  - a) Vendors shall have to mention their GSTIN no. (15 Digits) in their Technical Bid. If any specific exemption is available, a declaration with due supporting documents need to be furnished for considering the offer.
  - b) Semi-finished goods are to be delivered by the Vendors in BHEL, HPVP premises within a maximum period of one year from the date of issue of the material, failing which the whole transaction will be considered as Supply & Sale and GST is required to be paid along with interest (calculated @ SBI Base Rate + 6%) along with penalty, if any, from the date of Challan on the whole value of materials. Hence vendors shall have to ensure that materials issued to them are returned within 365 days.
  - c) After fabrication, the vendors shall have to deliver the Semi - finished Goods by fulfilling the following formalities:
    - i) GST invoice should be raised by the vendors by paying GST on job work charges at applicable rates and by incorporating the HPVP GSTIN no. in the invoice for availing the reimbursement of GST from HPVP.
    - ii) The vendor shall also have to enter in their GST Return -1 (GSTR-1) the details of invoice raised for payment of GST so as to enable HPVP to avail input credit.

**10. REVERSE AUCTION:**

- 10.1) BHEL shall be resorting to Reverse Auction (RA) for this tender. RA shall be conducted among the eligible techno-commercially qualified bidders. Business Rules for Reverse Auction are given at Annexure – V. Refer Guidelines for Reverse Auction which is available on our website, [www.bhel.com](http://www.bhel.com) → supplier registration → Guidelines for Reverse Auction, before submission of offer.
- 10.2) Sealed envelope / Electronic Price bids of all the techno-commercially qualified bidders shall be opened and the same shall be considered as initial bids of the bidders in RA. In case any bidder(s) do(es) not participate in online Reverse Auction, their sealed envelope price bid along with applicable loading, if any, shall be considered for ranking.
- 10.3) BHEL will inform bidders the details of service provider who will provide business rules, all necessary training and assistance before commencement of online bidding. The bidders participating in the Reverse Auction shall have to necessarily submit '**Process Compliance Form**' (PCF) to the designated Service Provider.
- 10.4) Bidders are advised to read the 'Business Rules' (Annexure – V) indicating details of RA event carefully, before reverse auction event.

**11. RISK PURCHASE:**

In case the contractor fails to execute the work within the scheduled time or due to any other reasons, BHEL - HPVP reserves the right to get the same completed through some other party at the risk & cost of the contractor and any additional expenditure incurred due to the same shall be charged to the contractor. Non-performance of contract attracts penal provisions in line with BHEL Guidelines for Suspension of Business Dealings.

**12. VALIDITY OF OFFER:**

The offer shall be valid for a period of **3 months** from the date of Reverse Auction.

**13. GENERAL:**

- 13.1) The bidders shall study the Tender documents, Drawings, Quality Documents and all other relevant documents in detail for understanding the scope of work and the processes involved before submission of offer. Bidders shall get clarifications, if any, from concerned officials on the scope of work or any other details of the tender document, over phone between 09:00 AM and 04:00 PM on any working day (or) through e-mail.
- 13.2) **Conditional / Partial Price Bids** and any other deviations to the tender terms & conditions are not acceptable and BHEL reserves the right to reject such offers without further correspondence. Bidders shall confirm their acceptance to all the terms & conditions of the tender enquiry in the Techno-commercial Bid.
- 13.3) BHEL reserves the right to modify or cancel the tender enquiry at any stage without assigning any reasons thereof.
- 13.4) The General Terms & Conditions, if any, contradicting with the specific terms & conditions given in the tender, then specific terms & conditions shall only be considered.
- 13.5) Other Terms & Conditions, whichever applicable, shall be as per Annexure – III enclosed.
14. The following documents shall form part of the tender enquiry including this Notice Inviting Tender:

**PART - 1: TECHNO-COMMERCIAL BID**

- i) Schedule of Quantities : Annexure – I
- ii) PGMA Details & Breakup of Heater : Annexure – II
- iii) General Terms & Conditions : Annexure – III
- iv) Acceptance to tender terms & conditions : Annexure – IV
- v) Business Rules for Reverse Auction : Annexure – V
- vi) GST Compliance for Indigenous Suppliers : Annexure – GST
- vii) Drawings, QAP, Painting Schedule, Modularization Philosophy etc.

**PART - 2: PRICE BID**

- viii) Price Bid (Schedule of Quantities & Rates)

**15. TENDER SUBMISSION (Through e-Procurement system):**

- 15.1) The tender completed in all respects shall be submitted in **Two parts** (Techno-commercial bid and Price Bid) through online e-procurement portal (<https://eprocurebhel.co.in>) latest by **13:00 Hrs. on 06.12.2025**.

**Note:** Techno-commercial bid along with all the tender documents shall be duly signed & stamped by the bidder on all pages.

- 15.2) Submission of offer by the bidder implies that all the tender documents were read by the bidder and the bidder is aware of the scope and specifications of the job.
- 15.3) **OFFERS SENT IN ANY OTHER FORM WILL BE TREATED AS INVALID AND WILL BE SUMMARILY REJECTED.**

**16. TENDER OPENING:**

- 16.1) Techno-commercial Bids will be opened on **06.12.2025 at 15:00 Hrs.** in online e-procurement portal.
- 16.2) After evaluation of the Techno-commercial Bids, intimation regarding date & procedure of conducting Reverse Auction shall be given by the service provider to all the eligible techno-commercially qualified bidders through an e-mail in advance at an appropriate time.

For Bharat Heavy Electricals Limited,

  
**D. N. MURTHY**  
 Manager (OS)  
 Bharat Heavy Electricals Ltd  
 PVP Visakhapatnam-530 012

**SCHEDULE OF QUANTITIES**

Ref : OS/25-26/8118/FH/26/026

Date: 26.11.2025

**Sub : Fabrication of Fired Heater against S.O. No. 8118 inside the premises of BHEL-HPVP, Visakhapatnam**

Sl. No	Item Description	Qty.	Unit
1	Radiant Casing along with supporting Structure in modules, Radiant Arch and Radiant Floor in modules including sub-assemblies like Sight / Observation doors, Access Doors, Breeching Doors, Pressure Relief Doors, Tube Pulling Door, Peep Hole Assembly, instrument nozzles etc. (excl. Refractory and coils)	68	MT
2	Convection Section in modules form including supporting Structure, Access door, Breeching Door, instrument nozzles, Header Boxes, Lancing doors, Intermediate Tube Sheets, End Tube Sheets etc. (excl. Refractory and coils)	43	MT
3	Stack including stiffeners, Lugs, Access Doors, instrument nozzles, helical strakes etc. (excl. Refractory)	25	MT
4	Convection Coils including Cross overs & Jump overs, Loose fabricated spools and Coil insertion in Convection Modules		
4.1	CS: SA 106 Gr. B	80	Inch Dia
4.2	LAS: SA213 Gr. T9 & SA 335 Gr.P9	1380	Inch Dia
5	Cold Air Ducts, Bypass Ducts, Hot Air Ducts, Flue Gas Ducts, Hot Flue Gas Ducts etc., including stiffeners, instrument nozzles etc. (excl. Refractory) includes MOC: SS - 1 MT approx.	41	MT
6	Structurals like Stair Tower with Landings, Platforms, Staircases, Ladders, Handrails, Pipe & APH Supporting structure, Piperack Structure, Transportation Saddles etc. (Incl. Galvanising of Handrails and ladders at fabricated / welded area only).	69	MT

**Notes :**

- 1) **L1 status shall be evaluated based on the total quoted value.  
Bidder has to quote for all the items. Part quotation is not acceptable.**
- 2) The quantity and weights indicated above are tentative and may slightly vary on both sides depending upon the requirement at the time of ordering / execution. However, payment shall be made for the actual quantities & weights only.
- 3) The bidders are advised to go through all the drawings & documents before quoting the tender.
- 4) The quoted price shall be inclusive of all applicable taxes & duties **except GST**. GST shall be reimbursable to the vendor as detailed in Clause – 9. Income tax shall be deducted at applicable rates from the vendor's bills.
- 5) The prices shall be fixed & firm without any escalation during the entire period of contract and till completion of the work.

**Signature of the Bidder with Stamp**

**GENERAL TERMS & CONDITIONS****1. TECHNICAL DELIVERY CONDITIONS:**

The work should conform to the technical data given in our drawings, GMS, Shipping List Specifications, QAP, WPS etc.

**2. PARTY'S SCOPE:**

The scope of the party shall be as follows: -

- a) All welding equipments, baking oven, tools, jigs and fixtures, measuring instruments duly calibrated, handling facilities, testing facilities etc.
- b) All materials other than those mentioned under "Free Issue Materials", which are required for completion of the work.
- c) All consumables such as electrodes, gases, grinding wheels etc.

**Note: Electrodes of specification mentioned in the drawings / WPS and of BHEL approved brands only shall be used and MTCs of the same shall be submitted to BHEL for verification before use.**

**3. REVISION OF DRAWINGS:**

There may be minor changes in the drawings during execution. In such a case, party should accommodate the same without any extra claim.

**4. WELDING QUALIFICATION:** Qualification of required number of Welders is party's responsibility at their cost.**5. X-RAY:**

All welding shall be of X-ray quality where specified on drawings. Inspection would specify the quantum of X-ray based on drawings / code requirement. Party should strictly follow the WPS and QAP issued by BHEL during welding. Getting the welds radiographed and getting them cleared by inspection is the responsibility of the party.

**6. RECTIFICATIONS / REJECTIONS:**

Any rectification due to defective work, if required, shall be done by the party free of charge with a suitable technology approved before hand by BHEL in writing. The cost of material, if any used for rectification work / rejection work, will be estimated by BHEL and the same shall be debited to party's account. In case any rectification / rework is to be carried out due to defective material supplied by BHEL, the replacement material and consumables will be supplied by BHEL free of Cost.

**7. SECURITY DEPOSIT:**

- a) Vendors shall have to submit a Bank Guarantee for **10%** of the order value in case of **HPVP ADM / Lovagarden site** (or) **25%** of the material cost in case of Vendor works towards Security Deposit and safe custody of free issue materials within 15 days from the date of intimation by Outsourcing dept. The BG shall be valid for the contract period with a claim period of 12 months. This Bank Guarantee shall be released to the contractor after completion of work and on acceptance of the same by BHEL / Owner.

Bidder agrees to submit performance security required for execution of the contract within the time period mentioned above. In case of delay in submission of performance security, enhanced performance security which would include interest (Repo rate + 4%) for the delayed period, shall be submitted by the bidder. Further, if performance security is not submitted till such time the first bill becomes due, the amount of performance security due shall be recovered as per terms defined in NIT/contract, from the bills along with due interest.

- b) **MODE OF DEPOSIT:** Security Deposit may be furnished in the following forms:

- i) Local cheques of Scheduled Banks (subject to realization)/ Pay Order/ Demand Draft/ Electronic Fund Transfer in favour of BHEL.
- ii) Bank Guarantee from Scheduled Banks / Public Financial Institutions as defined in the Companies Act. The Bank Guarantee format should have the approval of BHEL.
- iii) Fixed Deposit Receipt issued by Scheduled Banks / Public Financial Institutions as defined in the Companies Act (FDR should be in the name of the Contractor, a/c BHEL).
- iv) Securities available from Indian Post offices such as National Savings Certificates, Kisan Vikas Patras etc. (held in the name of Contractor furnishing the security and duly endorsed/ hypothecated/ pledged, as applicable, in favour of BHEL).
- v) Insurance Surety Bond.

(Note: BHEL will not be liable or responsible in any manner for the collection of interest or renewal of the documents or in any other matter connected therewith).

**8. PERFORMANCE BANK GUARANTEE:**

Vendors shall have to submit Performance Bank Guarantee (claim period of 12 months) for 10% of the order value covering for the defects liability period. If PBG is not submitted, 10% of the order value shall be deducted towards PBG from the final bill and shall be refundable after performance guarantee period, if no defects are found during this period.

**9. RAW MATERIALS ISSUE:**

Raw materials shall be issued with appropriate processing allowance and invisible wastage over the theoretical requirement of raw materials (**Plates, Sheets, Sections and Pipes**).

**10. TRANSFER / RETURN OF LEFT-OVER MATERIALS:**

Party should maintain proper records for receipt & use of all free issue materials. The left-over materials & scrap as per the material accounting statement shall be returned to HPVP stores along with finished job. Material Transfer Vouchers (MTV) from one order to another or from one vendor to another and Material Return Vouchers should be submitted immediately after transfer / return. The material reconciliation statement shall be submitted by the contractor after verification and certification by BHEL along with the final bill **within 30 days from the date of completion of work**. Otherwise, recovery for the balance materials shall be made from any of their pending bills without further intimation.

**11. MATERIAL RECONCILIATION:**

Orders issued to the vendors have to be completed in all respects including Material Accounting within a maximum of **180 days** from the **date of issue of material** from BHEL - HPVP stores.

**Maximum of 0.5 %** on the requirement of materials (**Plates, Sections and Pipes**) is admitted towards **process allowance and invisible wastage**.

Scrap quantity is permissible up to a **maximum of 1% on Structural (Beams, Channels, Angles, Rods, Pipes etc.), 2% on Sheets, 3% for Plates** on the theoretical requirement of materials.

**If wastage and scrap is beyond the above limits**, it should be fully justified with cutting diagrams etc. which are to be approved in advance by BHEL. **Otherwise, the cost of raw materials beyond approved limits will be recovered from the contractor as per BHEL recovery rates including applicable taxes & duties.**

Material reconciliation including return of balance materials, off-cuts is to be completed within 20 days from the date of completion of the order. The material reconciliation statement shall be submitted by the contractor after verification and certification by BHEL-HPVP along with the final bill **within 30 days from the date of completion of work**. Otherwise, recovery for the balance materials shall be made from any of their pending bills without further intimation,

Repeated occurrence of inordinate delays in returning and settling the material accounting will entail BHEL the right to terminate the contract forthwith or impose a temporary suspension on further loading at the discretion of BHEL.

**12. SCRAP & OFF-CUT NORMS:**

Sl. No.	Description	Scrap Size (in mm)	Off-Cut (in MM)
1.	CS/AS Sheets & Plates	Below 500 × 250	500 × 250 & above
2.	Rolled sections Rod, angles etc. (other than -tubes, pipes)	Below 1000	1000 & above
3.	Tubes & Pipes	Below 500	500 & above
4.	Universal column	Below 1000	1000 & Above
5.	SS Sheets & Plates	Below 500 × 250	500 × 250 & above
6.	SS Structural, Rods, Tubes, Pipes	Below 250	250 & above
7.	Non – ferrous: sheets & plates, rods & tubes	Below 500 × 250 (S & PL), Below 250 (Rods & Tubes)	500 × 250 & above, 250 & above
8.	Big size Scrap	(2500 & above) × (150 to 249)	-

**13. INSPECTION:**

Party shall contact our Quality Control Dept. for stages of inspection before commencement of job and should strictly follow the stages of inspection as per QAP.

**14. WORKMANSHIP GUARANTEE:**

The vendors should give workmanship guarantee for fabricated items for a period of 18 months from the date of last delivery of the order. Any defects due to incomplete work, faulty workmanship found in the fabricated items after delivery during the defects liability period shall be rectified / replaced by the vendor free of cost. Otherwise, the expenditure incurred towards the same will be recovered from the pending bills of vendors.

**15. WORK PROGRESS:**

The fabricator shall furnish a weekly report on the progress of work along with the status of availability of free issue materials and requirement of further materials, if any.

Outsourcing dept. personnel will visit vendor's works from time to time to assess and review the work progress. Free access shall be provided to BHEL or its inspection agency at all reasonable times of the day / night.

In case the progress is not satisfactory or supplies are delayed abnormally beyond the contractual delivery date, BHEL-HPVP, Visakhapatnam reserves the right to cancel the order in part or full or get the balance job in as is where is condition completed elsewhere by another agency at the risk and cost of Fabricator. The value of the work carried out by the party will be assessed by BHEL and the same shall be final. No compensation will be given to the fabricator in case of cancellation of order or diversion of balance job even if the jobs have been processed partly.

**16. DELIVERY:**

Finished items should be handed over to BHEL-HPVP on party's delivery challans along with Job completion certificate / Final Inspection Report from inspection agency / HPVP-QC department.

**17. PENALTY:**

Penalty calculations will be done on DU wise (Dispatchable Unit) delivery. If delivery exceeds the stipulated delivery schedule, penalty @ 1/2 % of the value of each DU per week (or) part thereof subject to a maximum of 10% of the value of each DU will be levied. However, time taken for the following will not be considered as delay on the part of the Sub-Contractor.

- 1) Intermediate operations, if any, carried out by BHEL.
- 2) Waiting time for BHEL / Third party Inspection beyond a normal time of 3 days.

**18. PAYMENT TERMS:**

Payment shall be made against RA Bills within 45 days for MSE (Micro & Small Enterprise), 60 days for Medium Enterprise and 90 days for non-MSEs from the date of submission of Bill.

90% payment will be made after handing over of the finished equipments along with all inspection documents to HPVP shops / Logistics dept. / ADM site / Lova Garden site, duly inspected & cleared by Inspection authority. Balance 10% payment shall be made along with the Final Bill against completion of total order in all respects including documentation.

Vendors shall have to submit the bills in the formats specified by HPVP-Outsourcing and the bills submitted in the specified format along with necessary supporting documents are only admitted for processing. The following documents shall be submitted along with the Final Bill:

1. No Claim Certificate from the contractor
2. No Dues Certificate from BHEL
3. Work Completion Certificate from BHEL
4. Material Reconciliation Statement submitted by the Contractor and certified by concerned authority of BHEL (if applicable)
5. Workmanship Guarantee certificate from the contractor

**19. SECRECY:**

All the documents of BHEL inclusive of Drawings, GMS and Standards made available to the fabricator should be kept in strict confidence and under no circumstance be made available to others or allow others to make use of them. Such documents shall be returned to BHEL on demand after completion of the job. This secrecy clause is binding on the employees of the fabricators also. Violation of the same may lead to suspension of business with the vendor and necessary legal action.

**20. SUB-LETTING:**

In general, sub-letting of jobs will not be permitted. But in special circumstances, this may be allowed. In such case, the party should obtain written approval from BHEL-HPVP, Visakhapatnam before sub-letting.

**21. FACTORY RULES AND REGULATIONS:**

Party shall abide by all the rules and statutory regulations in force from time to time as per factories act. It shall be party's responsibility to ensure the safety of their workmen and fulfilling the ESI, PF and other relevant statutory regulations.

**22. SAFETY:**

- a) Contractor shall adhere to safe construction practices, guard against hazardous & unsafe working conditions and shall comply with the safety rules of BHEL and local authorities. He shall maintain First Aid facilities for all his employees and labour. Contractor's responsibility includes supply of welder kit, all safety items such as safety belts, white and colour glasses, goggles, safety helmets, safety shoes etc.
- b) Contractor and his employees shall follow all fire & safety, security regulations of BHEL.

**23. HOUSE KEEPING:**

During execution of work, the contractor at all times keep the working place and storage area clean and free from accumulation of waste materials, rubbish etc.,

**24. ACCIDENT / DAMAGE / CONDUCT ETC.:**

Contractor will be held responsible for any disorderly conduct / misconduct, indiscipline, theft, smoking etc., on the part of his men. He will ensure summarily eviction of such men from his premises failing which BHEL would remove them from the factory on his responsibility. Any damage to and or loss of equipment, machinery, building etc., to BHEL or BHEL employees, visitors or other contractors resulting from his own or any of his men's negligence shall be liable to be made good by him. Contractor shall be solely responsible for any accident in which you or your men or your equipment may be involved during the execution of contract on account of any reason what so ever.

**25. TERMINATION OF CONTRACT:**

In the event of any failure on the part of the contractor, BHEL reserves the right to terminate the contract by giving a notice of 2 weeks for any of the following lapses and contractual violations: -

- a) Failure to make labour payments in time as per the rules
- b) Failure to progress the job according to the agreed schedule
- c) Failure to mobilize adequate man power, tools & tackles and consumables in time
- d) Failure to adhere to Quality Standards of BHEL
- e) Refused to co-operate with other agencies working in the same area
- f) Failure to resolve labour disputes like strikes etc., within 7 days of occurrence
- g) Failure to comply with statutory regulations applicable at BHEL

BHEL shall also be free to intervene and take necessary remedial measures. All costs incurred with interest and overheads shall be recovered from contractor by such foreclosing or off-loading any part of the contract work.

**26. CONFLICT OF INTEREST AMONG BIDDERS / AGENTS:**

A bidder shall not have conflict of interest with other bidders. Such conflict of interest can lead to anti-competitive practices to the detriment of Procuring Entity's interests. ***The bidder found to have a conflict of interest shall be disqualified.*** A bidder may be considered to have a conflict of interest with one or more parties in this bidding process, if:

- a) they have controlling partner (s) in common; **or**
- b) they receive or have received any direct or indirect subsidy / financial stake from any of them; **or**
- c) they have the same legal representative / agent for purposes of this bid; **or**
- d) they have relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the bid of another Bidder; **or**
- e) Bidder participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all bids in which the parties are involved. However, this does not limit the inclusion of the components/ sub-assembly/ Assemblies from one bidding manufacturer in more than one bid; **or**
- f) In cases of agents quoting in offshore procurements, on behalf of their principal manufacturers, one agent cannot represent two manufacturers or quote on their behalf in a particular tender enquiry. One manufacturer can also authorise only one agent / dealer. There can be only one bid from the following:
  - 1. The principal manufacturer directly or through one Indian agent on his behalf, and
  - 2. Indian/foreign agent on behalf of only one principal,
- g) A Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the contract that is the subject of the Bid, **or**
- h) In case of a holding company having more than one independently manufacturing units, or more than one unit having common business ownership/management, only one unit should quote. Similar restrictions would apply to closely related sister companies. Bidders must proactively declare such sisters' common business/ management units in same/ similar line of business"

**27. TAXES & DUTIES:**

- a) BOCW Cess if applicable is to be paid by Contractor.
- b) In addition to existing taxes, any new taxes, cess, duties, levies imposed by Central/ State Govt. shall be borne by the contractor.
- b) In case, any new tax is imposed instead of existing tax, difference of the amount shall be reimbursed/ recovered on submission of documentary evidence.
- c) Any new tax is imposed by Central/ State Govt. (or) there is any variation in taxes after expiry of delivery / contract period, the same shall be borne by contractor only.
- d) All terms & conditions of the contract in respect of taxes & duties are subject to new taxation laws introduced from time to time by Govt. and Terms & conditions will deemed to be modified in accordance with the provisions of New Laws.

**28. CONTRACTOR's MATERIAL:**

Security of Contractor's Equipment, Tools & Tackles, Machinery etc., is in the scope of Contractor. BHEL is not responsible for the same.

**29. RETURNING OF BHEL MATERIAL:**

All Materials, machinery, equipment etc., of BHEL sent to site from BHEL-HPVP for execution of the Order are to be returned back to BHEL by the Contractor.

**30. OVER RUN COMPENSATION (ORC) / IDLE CHARGES:**

The contractor shall not be entitled to claim and the company shall not be liable to pay any amount on account of overrun compensation and idle charges, the overrun/ idling may be for whatsoever reasons.

**31. DISPUTES:**

Head of BHEL- HPVP Unit will be the final authority for any disputes arising out of this contract. The disputes / arbitration / settlement of contractual or legal issues shall be under the Jurisdiction of Visakhapatnam Court.

- 32.** For this procurement, Public Procurement (Preference to Make in India), Order 2017 dated 15.06.2017 & 28.05.2018 and subsequent Orders issued by the respective Nodal Ministry shall be applicable even if issued after issue of this NIT but before finalization of Contract / PO / WO against this NIT.

In the event of any Nodal Ministry prescribing higher or lower percentage of purchase preference and / or local content in respect of this procurement, same shall be applicable.

- 33.** The Bidder declares that they will not enter into any illegal or undisclosed agreement or understanding, whether formal or informal with other Bidder(s). This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

In case, the Bidder is found having indulged in above activities, suitable action shall be taken by BHEL as per extant policies/ guidelines.

**34. GRIEVANCE REDRESSAL MECHANISM:**

To promote transparency and ensure fair treatment of all bidders, a structured Grievance Redressal Mechanism is in place to address any concerns or issues arising during the tendering process or in subsequent business dealings with the company.

Suppliers/Contractors are requested to follow the below escalation process for grievance resolution:

- 1. **First Level:** Any grievance should initially be addressed to the designated Dealing Officer, whose contact details are provided in the Notice Inviting Tender (NIT) / Contract.
- 2. **Second Level:** If the issue remains unresolved, it may be escalated by lodging a formal grievance through the SUVIDHA Portal: <https://suvidha.bhel.in/suvidha/>. Responses will be provided in accordance with the defined escalation matrix."

**35. ORDER ACCEPTANCE:**

If the order acceptance is not received within 03 days from the date of release of Sub-contract order, it shall be assumed that the same has been accepted by you thereof.

**Signature of the Bidder with stamp**

**Acceptance to Tender Terms & Conditions**

I / We hereby confirm that the Tender documents, Drawings, Quality documents etc. have been studied in detail and we have fully understood the scope of work.

I / We accept to all the Terms and Conditions of the Tender Enquiry without any deviations and the prices quoted are in accordance with the same.

I / We give our acceptance to participate in reverse auction for this tender.

Tender documents duly signed on all the pages by the Owner / authorized representative of the bidder are attached herewith.

**Signature of the bidder with Stamp**

**BUSINESS RULES FOR REVERSE AUCTION (RA)**

This has reference to tender no. **OS/25-26/8118/FH/26/026, dated 26.11.2025**. BHEL shall finalise the Rates for **Fabrication of Fired Heater against S.O. No. 8118 inside the premises of BHEL-HPVP, Visakhapatnam** through Reverse Auction mode. BHEL has made arrangement with an authorized Service provider (details will be shared before reverse auction) for conducting RA. Bidders should go through the instructions given below and submit acceptance of the same.

The technical & commercial terms are as per (a) BHEL Tender Enquiry No. **OS/25-26/8118/FH/26/026, dated 26.11.2025**, (b) Bidders' technical & commercial bid (in case of two-part bid) and (c) subsequent correspondences between BHEL and the bidders, if any.

**1. Procedure of Reverse Auctioning:**

- i) Price bids of all techno-commercially qualified bidders shall be opened.
- ii) **Reverse Auction:** The 'bid decrement' will be decided by BHEL.
- iii) The lowest bidder in sealed envelope price bid shall be shown as current L1 automatically by the system and no acceptance of that price is required. System shall have the provision to indicate this bid as current L1.
- iv) Bidders by offering a minimum bid decrement or the multiples thereof can displace a standing lowest bid and become "L1" and this continues as an iterative process. However, no bidder shall be allowed to lower its bid below the current L1 by more than 5 decrements at one go.
- v) After the completion of the reverse auction, the Closing Price shall be available for further processing.
- vi) Wherever the evaluation is done on total cost basis, after Reverse Auction, prices of individual line items shall be reduced on pro-rata basis.

**2. Schedule for reverse auction:** The Reverse Auction schedule will be intimated to the techno-commercially qualified bidders at a later stage.

**3. Auction extension time:** If a bidder places a bid in the last {...} minutes of closing of the Reverse Auction and if that bid gets accepted, then the auction's duration shall get extended automatically for another {...} minutes, for the entire auction (i.e. for all the items in the auction), from the time that bid comes in. Please note that the auto-extension will take place only if a bid comes in those last {...} minutes and if that bid gets accepted as the lowest bid. If the bid does not get accepted as the lowest bid, the auto-extension will not take place even if that bid might have come in the last {...} minutes. In case, there is no bid in the last {...} minutes of closing of Reverse Auction, the auction shall get closed automatically without any extension. However, bidders are advised not to wait till the last minute or last few seconds to enter their bid during the auto-extension period to avoid complications related with internet connectivity, network problems, system crash down, power failure, etc. The above process will continue till completion of Reverse Auction.

Complaints/ Grievances, if any, regarding denial of service or any related issue should be given in writing thru e-mail/ fax to M/s. {Service provider} with a copy to BHEL within 15 minutes prior to initial closing time of Reverse Auction.

**4. Bid price:** The Bidder has to quote the {...} Price inclusive of Packing & Forwarding charges, all the routine & type tests as per tender scope, taxes, duties, freight and insurance as specified in tender document including loading (if indicated by BHEL due to deviations in technical/ commercial terms) for the Items specified. Details are as shown in Excel Sheet for calculation of total cost to BHEL (To be specified by Unit as per NIT conditions).

**5. Bidding currency and unit of measurement:** Bidding will be conducted in *Indian Rupees per Unit* of the material as per the specifications mentioned in the tender.

In case of foreign currency bids, exchange rate (TT selling rate of State Bank of India) as on scheduled date of tender opening (Part-I bid) shall be considered for conversion in Indian Rupees. If the relevant day happens to be a Bank holiday, then the forex rate as on the previous bank (SBI) working day shall be taken.

6. **Validity of bids:** Price shall be valid for 90 days from the date of reverse auction. These shall not be subjected to any change whatsoever.
7. **Lowest bid of a bidder:** In case the bidder submits more than one bid, the lowest bid at the end of Reverse Auction will be considered as the bidder's final offer to execute the work.
8. Unique user IDs shall be used by bidders during bidding process. All bids made from the Login ID given to the bidders will be deemed to have been made by the bidders/ bidders' company.
9. **Post auction procedure:** BHEL will proceed with the Lowest Bid in the Reverse Auction for further processing.
10. Any commercial/ technical loading shall be separately intimated to respective bidders prior to RA. The excel sheet provided in this regard shall cover all these aspects. Commercial/ technical loading if any, shall be added by the respective bidder in its price during Reverse Auction. Modalities of loading & de-loading shall be separately intimated to the bidders. The responsibility for correctness of total cost to BHEL shall lie with the bidders.
11. Reverse auction shall be conducted by BHEL (through M/s {Service Provider}), on pre-specified date, while the bidders shall be quoting from their own offices/ place of their choice. Internet connectivity shall have to be ensured by bidders themselves.

During the RA process if a bidder is not able to bid and requests for extension of time by FAX/ email/ phone then time extension of additional 15 minutes will be given by the service provider provided such requests come before 5 minutes of auction closing time. However, only one such request per bidder can be entertained.

In order to ward-off contingent situation of connectivity failure bidders are requested to make all the necessary arrangements/ alternatives whatever required so that they are able to circumvent such situation and still be able to participate in the reverse auction successfully. Failure of power or loss of connectivity at the premises of bidders during the Reverse auction cannot be the cause for not participating in the reverse auction. On account of this, the time for the auction cannot be extended and neither BHEL nor M/s. {Service provider} is responsible for such eventualities.

12. **Proxy bids:** Proxy bidding feature is a pro-bidder feature to safe guard the bidder's interest of any internet failure or to avoid last minute rush. The proxy feature allows bidders to place an automated bid in the system directly in an auction and bid without having to enter a new amount each time a competing bidder submits a new offer. The bid amount that a bidder enters is the minimum that the bidder is willing to offer. Here the software bids on behalf of the bidder. This obviates the need for the bidder participating in the bidding process until the proxy bid amount is decrementally reached by other bidders. When proxy bid amount is reached, the bidder (who has submitted the proxy bid) has an option to start participating in the bidding process.

The proxy amount is the minimum amount that the bidder is willing to offer. During the course of bidding, the bidder cannot delete or change the amount of a proxy bid.

Bids are submitted in decrements (decreasing bid amounts). The application automates proxy bidding by processing proxy bids automatically, according to the decrement that the auction originator originally established when creating the auction, submitting offers to the next bid decrement each time a competing bidder bids, regardless of the fact whether the competing bids are submitted as proxy or standard bids. However, it may please be noted that if a manual bid and proxy bid are submitted at the same instant manual bid will be recognized as the L1 at that instant.

In case of more than one proxy bid, the system shall bid till it crosses the threshold value of 'each lowest proxy bid' and thereafter allow the competition to decide the final L1 price.

Proxy bids are fed into the system directly by the respective bidders. As such this information is privy only to the respective bidder(s).

13. Bidders are advised to get fully trained and clear all their doubts such as refreshing of Screen, quantity being auctioned, tender value being auctioned etc. from M/s. {Service provider}.

14. M/s. {Service provider}, shall arrange to demonstrate/ train the bidder or bidder's nominated person(s), without any cost to bidders. M/s. {Service provider}, shall also explain the bidders, all the business rules related to the Reverse Auction. Bidders are required to submit their acceptance to the terms/ conditions/ modalities before participating in the Reverse Auction in the process compliance form as enclosed. Without this, the bidder will not be eligible to participate in the event.
15. Successful bidder shall be required to submit the final prices (L1) in prescribed format (Annexure – VI) for price breakup, quoted during the Reverse Auction, duly signed and stamped as token of acceptance without any new condition (other than those already agreed to before start of auction), after the completion of auction to M/s. {Service provider} besides BHEL within two working days of Auction without fail.
16. Any variation between the final bid value and that in the confirmatory signed price breakup document will be considered as tampering the tender process and will invite action by BHEL as per extant guidelines for suspension of business dealings (as available on [www.bhel.com](http://www.bhel.com)).
17. Bidders' bid will be taken as an offer to execute the work/ supplies the item as per enquiry no. **OS/25-26/8118/FH/26/026, dated 26.11.2025**. Bids once made by the bidder, cannot be cancelled/ withdrawn and bidder shall be bound to execute the work as mentioned above at bidder's final bid price. Should bidder back out and not execute the contract as per the rates quoted, BHEL shall take action as per extant guidelines for suspension of business dealings (as available on [www.bhel.com](http://www.bhel.com)).
18. Bidders shall be able to view the following on their screen along with the necessary fields during Reverse Auction:
  - a. Leading (Running Lowest) Bid in the Auction (only total price of package)
  - b. Bid Placed by the bidder
  - c. Start Price
  - d. Decrement value
  - e. Rank of their own bid during bidding as well as at the close of auction.
19. BHEL's decision on award of contract shall be final and binding on all the Bidders.
20. BHEL reserves the right to extend, reschedule or cancel the Reverse Auction process at any time, before ordering, without assigning any reason, with intimation to bidders.
21. BHEL shall not have any liability to bidders for any interruption or delay in access to the site irrespective of the cause. In such cases, the decision of BHEL shall be binding on the bidders.
22. Other terms and conditions shall be as per bidder's techno-commercial offers and other correspondences, if any, till date.
23. If there is any clash between this business document and the FAQ available, if any, in the website of M/s. {Service provider}, the terms & conditions given in this business document will supersede the information contained in the FAQs. Any changes made by BHEL/ service provider (due to unforeseen contingencies) after the first posting shall be deemed to have been accepted if the bidder continues to access the portal after that time.
24. Bidder shall not divulge either his Bids or any other exclusive details of BHEL to any other party. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action *as per extant BHEL guidelines for suspension of business dealings (as available on [www.bhel.com](http://www.bhel.com))*, shall be initiated by BHEL.

**Signature of the Bidder with Stamp**

**GST COMPLIANCE FOR INDIGENOUS SUPPLIERS**

1. In Response to Tenders for Indigenous supplier will be entertained only if the vendor has a valid GSTIN which should be clearly mentioned in the offer. If any specific exemption is available, a declaration with due supporting documents need to be furnished for considering the offer.
2. Supplier shall mention their GSTIN in all their invoices and invoices shall be in the format as specified/prescribed under GST laws. Invoices shall necessarily contain Invoice number (in case of multiple numbering system is being followed for billing like SAP invoice no, commercial invoice no etc., then the Invoice No which is linked/uploaded in GSTN network shall be clearly indicated), item description as per PO, Quantity, Rate, Value, applicable taxes with nomenclature (like IGST, SGST, CGST & UTGST) separately, HSN/ SAC Code, etc.
3. All invoices shall bear the HSN Code for each item separately (Harmonized System of Nomenclature)/ SAC code (Services Accounting Code).
4. A declaration to the effect that all invoice particulars are/were uploaded in the GSTN network/ portal & all tax liability as per GST rules and regulations have been and will be discharged, shall be mentioned in the invoice. If not mentioned in the invoice, a separate declaration shall be submitted as per the requirement of BHEL.
5. All documents like Test Certificate, LR copy, Guarantee/Warrantee certificate, work completion certificate, any other document mentioned in PO, shall be sent along with the vehicle/consignment where ever applicable. For all consignments received within the calendar month, input credit will be availed within that month in line with monthly returns filing cycle. In case of any discrepancy in the document or non-submission of documents mentioned in the PO, then BHEL will not be able to accept or account the material, in such case availing of tax credit will be deferred to next month or so.
6. In case of discrepancy in the data uploaded by supplier in the GSTN portal or in case of any shortages or rejection in the supply, then BHEL will not be able to avail the tax credit and will notify the supplier of the same. Supplier has to rectify the data discrepancy in the GSTN portal or issue credit note (details to be uploaded in GSTN portal) for the shortages or rejections in the suppliers, within the calendar month notified by BHEL.
7. For any such delay in availing of tax credit for reasons attributable to supplier (as mentioned above), interest (calculated @ SBI Base Rate + 6%) along with penalty if any will be deducted for the delayed period i.e. from the month of receipt till the month tax credit is availed, from the running bills.
8. Under GST regime, BHEL has to discharge GST liability on LD recovered from suppliers/contractors. Hence applicable GST shall also be recoverable from suppliers/contractors on LD amount. For this Debit note will be issued by BHEL indicating the respective supply invoice number.
9. This is to inform that GST portion of invoice, shall be released only upon Vendor declaring such invoice in his GSTR-1 and receipt of goods and Tax invoice by BHEL and Confirmation of payment of GST thereon by vendor on GSTN portal. Alternatively, BG of appropriate value may be obtained from vendor which shall be valid At least one month after the confirmation of date of payment of GST by vendor on GSTN portal and receipt of Tax invoice and receipt of goods, whichever is later. Above is subject to receipt of goods/service and tax invoice thereof along with vendor declaring invoice in his return and paying GST within timeline prescribed for availing ITC by BHEL.
10. That in case vendor delays Declaring such invoice in his return and GST credit availed by BHEL is denied or reversed subsequently as per GST law, GST amount paid by BHEL towards such ITC reversal as per GST law shall be recoverable from vendor/contractor along with interest levied/ leviable on BHEL.

***Note: The above will be followed strictly for processing vendor payments to ensure GST Compliance.***
