8.5 The advisory role of IEMs is envisaged as that of a friend, philosopher and guide. The advice of IEMs would not be legally binding and it is restricted to resolving issues raised by a Bidder regarding any aspect of the tender which allegedly restricts competition or bias towards some Bidders. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.

8.6 For ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process or during execution of Contract, the matter should be examined by the full panel of IEMs jointly, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management.

IEMs will tender their advice on the complaints within 30 days.

8.8 The CMD, BHEL shall decide the compensation to be paid to the IEMs and its terms and conditions.

8.9 IEMs should examine the process integrity, they are not expected to concern themselves with fixing of responsibility of officers. Complaints alleging mala fide on the part of any officer of the Principal should be looked into by the CVO of the Principal.

8.10 If the IEMs have reported to the CMD, BHEL, a substantiated suspicion of an offence under relevant Indian Penal Code / Prevention of Corruption Act, and the CMD, BHEL has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the IEMs may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8.11 After award of work, the IEMs shall look into any issue relating to execution of Contract, if specifically raised before them. As an illustrative example, if a Contractor who has been awarded the Contract, during the execution of Contract, raises issue of delayed payment etc. before the IEMs, the same shall be examined by the panel of IEMs. Issues like warranty/ guarantee etc. shall be outside the purview of IEMs.

8.12 However, the IEMs may suggest systemic improvements to the management of the Principal, if considered necessary, to bring about transparency, equity and fairness in the system of procurement.

8.13 The word 'Monitor' would include both singular and plural.

## **Section 9 - Pact Duration**

9.1 This Integrity Pact shall be operative from the date this Integrity Pact is signed by both the parties till the final completion of contract for successful Bidder, and for all other Bidders 6 months after the Contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

9.2 If any claim is made/ lodged during currency of this Integrity Pact, the same shall be binding and continue to be valid despite the lapse of this Pact as specified above, unless it is discharged/ determined by the CMD, BHEL.

10.5 Only those bidders / contractors who have entered into this Integrity Pact with the Principal would be competent to participate in the bidding. In other words, entering into this Integrity Pact would be a preliminary qualification.

10.6 In the event of any dispute between the Principal and Bidder(s)/ Contractor(s) relating to the Contract, in case, both the parties are agreeable, they may try to settle dispute through Mediation before the panel of IEMs in a time bound manner. In case, the dispute remains unresolved even after mediation by the panel of IEMs, either party may take further action as the terms & conditions of the Contract. The fees/expenses on dispute resolution through mediation shall be shared by both the parties. Further, the mediation proceedings shall be confidential in nature and the parties shall keep confidential all matters relating to the mediation proceedings including any settlement agreement arrived at between the parties as outcome of mediation. - 2) All other pertinent issues till date

**Treatment of cases regarding conflict of interest:**

The bidder notes that a conflict of interest would said to have occurred in the tender process and execution of the resultant contract, in case of any of the following situations:

- (i) If its personnel have a close personal, financial, or business relationship with any personnel of BHEL who are directly or indirectly related to the procurement or execution process of the contract, which can affect the decision of BHEL directly or indirectly;
- (ii) The bidder (or his allied firm) provided services for the need assessment/ procurement planning of the Tender process in which it is participating;
- (iii) Procurement of goods directly from the manufacturers/ suppliers shall be preferred. However, if the OEM/ Principal insists on engaging the services of an agent, such agent shall not be allowed to represent more than one manufacturer/ supplier in the same tender. Moreover, either the agent could bid on behalf of the manufacturer/ supplier or the manufacturer/ supplier could bid directly but not both. In case bids are received from both the manufacturer/ supplier and the agent, bid received from the agent shall be ignored. - (iv) A bidder participates in more than one bid in this tender process. Participation in any capacity by a Bidder (including the participation of a Bidder as a partner/ JV member or sub-contractor in another bid or vice-versa) in more than one bid shall result in the disqualification of all bids in which he is a party. However, this does not limit the participation of an entity as a sub-contractor in more than one bid if he is not bidding independently in his own name or as a member of a JV.

**Declaration**

I/We, hereby declares that I/we have read and understood the above aspects, and the I/we confirms that such conflict of interest does not exist and undertakes that I/we will not enter into any illegal or undisclosed agreement or understanding, whether formal or informal with other Bidder(s), in this regard. 22.3	<div>Applicable rates for deduction are as follows:<table><tr><th>S. No.</th><th>Name of supply</th><th>Unit of measurement</th><th>Cost per unit (₹)</th></tr><tr><td>1</td><td>Goose Pipe</td><td>Number</td><td>940</td></tr><tr><td>2</td><td>Wooden Support</td><td>Number</td><td>380</td></tr></table></div>	S. In addition, BHEL has the right to recover the said amounts through its sister concerns, from the payments due to the Transporter in any of the units of BHEL located in any												

SL	Clause
	part of India.
23.4	The Transporter is not allowed to pass the responsibilities connected with the transportation to other agencies/Transporters. The Transporter shall not sublet or transfer the Contract or any part thereof, which tantamount to termination of the Contract and thereby attracting the penalty or forfeiture of security deposit. However, hiring of vehicles and services from other agencies/Transporters is permitted.
23.5	No Transporter should load his consignment in the vehicle of any other authorized Transporter, carrying consignment of BHEL. In such cases no freight charges shall be paid to either of the Transporters

<b>24</b>	<b>DIESEL PRICE VARIATION CLAUSE (PVC)</b>
24.1	The rates agreed between BHEL and the transporter will remain firm during the total period of the contract except the Diesel Price Variation Clause as given below: -
24.2	<b>The freight rate will be divided into two elements viz., (i) Fixed cost 75% and (ii) Diesel cost 25%</b>
24.3	Whatever increase/decrease in the diesel price, PVC will to be applied on this variable portion of the freight rate only. For example, say the diesel rate is increased/decreased by 5.1%, then the diesel variable cost alone will be increased/reduced by 5.1%.
24.4	The rates will be revised only if increase/decrease in diesel price (cumulative) is more than 5%. Further revisions will be done only when the further cumulative variation is more than 5% from the base/reference diesel rate
24.5	Revised Rates applicable at the date of invoice / GC / LR will be considered for freight payment.
24.6	The reference diesel rate shall be the actual diesel rate as on date of Techno-Commercial Bid Opening. The rates of diesel will be calculated on the basis of the rates prevailing at <b>Trichy</b>
24.7	Sample calculations: -
24.7.1	<p>Say for a particular Site the finalized rate is ₹7000/- per MT</p> <p>The fixed cost is ₹5250 (75%) and the variable cost is ₹1750 (25%)</p> <p>Say the base diesel price as on tender opening date is ₹100/ per Liter- and If the base diesel price increases from ₹100/- to ₹105 (5%) rates will not be revised.</p> <p>Further the diesel rate is increased to ₹106 i.e increase is 6% then the variable portion alone will be increased to % i.e. <math>₹1750 + (₹1750 \times 6\%) = ₹1750 + ₹105 = ₹1855/-</math></p> <p>Further if the Diesel price increases to ₹108 i.e 8% increases. In this case rate will not be revised since already increase is given for more than 5% (i.e &gt;5 to 10%)</p> <p>Further if the rate is increases to ₹112 i.e. i.e increase is 12% then the variable portion alone will be increased to 12% i.e. <math>₹1750 + (₹1750 \times 12\%) = ₹1750 + ₹210 = ₹1960.</math></p> <p>At any cost for variation <math>\pm 5\%</math>, the basic freight rate finalized will remain same.</p> <p>The above logic will be applicable for decrease in diesel rate also.</p>
