9. **Evaluation Criteria in case of more than one L-1 bidder:** In the course of evaluation, if more than one bidder happens to occupy L-1 status for any item, effective L-1 will be decided by soliciting discounts from the respective L-1 bidders. In case more than one bidder happens to occupy the L-1 status even after soliciting discounts, the L-1 bidder shall be decided by a toss / draw of lots, in the presence of the respective L-1 bidder(s) or their representative(s). Ranking will be done accordingly. BHEL's decision in such situations shall be final and binding.

10. **Consignee Location Flexibility:**

10.1 **Item wise destination:** Item wise tentative destinations for respective tendered items (Rate Schedules) will be as per Annexure – C. Please note that while destinations/locations (mentioned in Annexure–C) against tendered quantity of each item (as specified in BOQ) are provided in the tender, there could be a need for diverting the material from one location to another location in exceptional cases. In such cases, **quantities may be redistributed among various Units/Regions/Divisions of BHEL, to a limited extent** and purchase orders may be placed by any Unit/Region/Division of BHEL, as per actual requirements of BHEL. Where a change of consignee location is not feasible at the supplier's end due to logistics challenges, BHEL shall, on a case-to-case basis, consider factoring in the freight cost differential arising from such change in consignee location.

The above provisions shall apply during the validity period of the Framework Agreement, subject to the condition that the item-wise awarded quantity does not exceed 130% of the respective item quantity.

Acceptance of the above conditions is mandatory. Bids not complying with the above shall be liable to rejection.

10.2 **New/Additional Consignee Locations (Outside FA Scope):** Wherever, owing to exigencies & unforeseen requirements, BHEL informs the L1 vendor in specific schedule for requirement of the material to a new consignee location (not covered in FA), BHEL will factor the additional cost towards freight incurred (if any) & issue a fresh Purchase Order, which includes the cost differential, wherein the rate would be Rs 3 per MT per KM. Such ordering for over & above the FA quantity, will be done based on mutual agreement with respective L1 bidders in the tender.

11. **Ordering Quantity Tolerance :** +30 % as per Amendment-02 to TC-MoU.

Supply Quantity Tolerance: +/- 10% for each item in PO as per TC-MoU.

12. **Offer validity:** Offer shall be valid up to 30.09.2026 i.e., Quotations are being invited against tender for finalization of Framework Agreement against which ordering will be done up to 30.09.2026.

13. **Reverse Auction:** Reverse Auction **will not be conducted** against this tender.

by vendors before Part – I bid submission end date/time. Any deviation sheet submitted by vendor along with quotation shall be considered null and void, and vendor's quotation for those items (against which deviation is quoted) is liable for rejection.

All documents as per PO checklist , along with additional documents (if any), must be uploaded on the portal. It is mandatory that tax invoices with a net amount (including taxes) exceeding Rs five lakhs uploaded on the portal are digitally signed using a Class 3 Digital Signature Certificate (DSC) issued by a licensed Certifying Authority.
