**All Bidders**

Dear Sir,

**SUB: Clarification-01 of Tender Specification No. BHE/PW/PUR/BSJI-CRH/OJ-55 Regarding Procedure for Submission of Price Bid.**

We have invited offers for the services of six different cranes under the subject tender specification. A bidder is free to offer for any number of cranes as already conveyed in our Tender Specification.

During the process of tender evaluation, it is quite possible that evaluation of Technical Bid could get completed earlier for some of the cranes, while some others could get finalized later. This is because of the varying degree of complexity involved in evaluation of various technical and commercial aspects of each crane.

In order to proceed with the finalization of each crane separately and independently, we proposed as under.

- Bidders shall submit Price Bid for each Crane in separate sealed envelopes.
- Each such Sealed Price Bid shall be identified with the inscription "**Price Bid for HLHR/150MT/100MT/75MT Crane: Crane No. 1 or 2**" as the case may be.
- In case you have already submitted/sent your offer for more than one crane in a manner different from the aforesaid, you are requested to depute your authorized representative at our office immediately (latest by 5:00 pm of 31/12/2005) to ensure compliance of aforesaid.
- In case any bidder submits offer for only a single crane, no such action shall be made with regard to the method of Price Bid submission.

All other terms and conditions of this Tender Specification shall remain unaltered unless and otherwise specifically amended by BHEL on record.

You are requested to submit a copy of copy of this letter duly counter-signed by your authorized signatory and stamped with your official seal as a token of your unqualified acceptance of this clarification.

Thanking you,  
Yours faithfully,

For Bharat Heavy Electricals Limited
