To,  
All Bidders

Dear Sir,

**Sub: Amendment –01** of Tender Specification No. BHE/PW/PUR/BST-ELE/424

**Job:** Erection, Testing, and Assistance for Commissioning of Main Plant Electrical & Switch Yard Package at Birsingpur TPS 1x500MW MPPGCL Dist. Umaria (MP)

Please refer Part-I Technical Bid Specification. In addition to the existing scope of work and services, we would like to include the following as scope of contractual responsibilities.

### **I. Providing Installation Supervision Services**

The contractor shall extend various installation supervision services to BHEL site establishment as specified and explained here. These installation supervision services are **in addition** to the scope of work specified earlier in the clauses of Section-4 of special conditions of contract. Such services shall be applicable independently to both Switchyard Package as well as Main Plant Electrical Package.

Separate item rate for these supervision services are not envisaged. Bidder shall include the price of these services in rates being quoted for various items of work as in existing Rate Schedule. Detailed scope of work/services in this regard is being furnished in "**Section-4 (Addendum-01 dated 05/05/2006)**" enclosed herewith.

Bidders shall furnish with Technical Bid month-wise manpower deployment plan for rendering installation supervision services in the format as in "**Appendix-X**" enclosed.

### **II. SECTION-12: Terms of Payment**

Complete Section-12 (Terms of Payment) is being revised in view of the above and being and superseded by the enclosed "**Section-12 (Revision-01 dated 05/05/2006)**".

You are requested to enclose as a part of your Technical Bid copy of this letter along with enclosures duly countersigned on all pages by your authorized signatory and stamped with official seal as a token of your unqualified acceptance of this amendment.

Bidders may also obtain all updated information from the web page <http://www.bhel.com> (Tender Notification → View Corrigendum)

Thanking you,  
Yours faithfully,
