**DEPARTMENT: Mechanical Auxiliary
Engineering**

Sheet 1 of 2

RV00

- A) Performance Certificate (along with copy of relevant purchase order) from the end-user for at least two (different customers) successfully executed contracts of coal mill reject/pyrite handling system with minimum system capacity of 5 TPH. Package should have been successfully in use for at least two years in thermal power station unit or in a similar industry/application.

OR

The supplier has been awarded repeat contracts by product specific two same customers for the package for similar industry/ application after 2 years of commissioning or product specific on regular basis after execution of 2 contracts of coal mill reject/pyrite handling system with minimum system capacity of 5 TPH.

To establish above, supplier shall submit the following for BHEL verification

- Supplier's Experience List of offered system on the enclosed format Annexure A.
 - Performance feedback certificates from end user (in English) complying with requirement at S. No A above and indicating salient features like year of commissioning of system, system parameters e.g. material conveyed & system capacity, project name etc., date of issue of certificate and name, designation & contact details of the certificate issuer. The certificates shall be provided along with the relevant un-priced purchase order copies (from the original).
 - Two sets of approved P & IDs and system layout of projects being referred for meeting the technical PQR.
- B) Supplier should be an engineering organization / manufacturer for the Mill Reject/Pyrite Handling System package dealing with the package on regular basis.
- C) Agency agreement needs to be submitted by foreign supplier in case of associating with Indian entity.
- D) Mere submission of above documents does not entitle suppliers for enlistment or issue of tenders and the same shall be subject to BHEL scrutiny and / or physical survey of facilities.
- E) Supplier to submit the documents as per general pre-qualification requirements; however the experience details asked in the general PQR clause number C(iii) shall be submitted as per the format attached as annexure – A.
- F) In case of variance with respect to technical competency/ experience between General PQR and Technical PQR, the latter shall prevail.
- G) Suppliers to also apprise themselves with BHEL/PEM's (GCC) General Conditions of Contract Rev-05, available at unit website www.bhelpem.com and submit acceptance of the same for tenders and Supplier Evaluation, Approval & Review Procedure (SEARP) 2010 On Company website www.bhel.com for enlistment process, format for registration etc.
