M/S-----

RATE SCHEDULE

Sl. No	DESCRIPTION OF WORK	Rate in Rupees (In figures and words)
1	Lump sum price for complete scope of work of erection, testing, commissioning, trial operation and handing over of 2 Nos GTGs and I No STG sets, as per tender specifications for items indicated in Annexure III A.	
2	Rate in Rupees per MT for complete scope of work of alignment / welding, erection, testing, commissioning, trial operation and handing over of various piping systems (LP) as per tender specifications for items under annexure III B. (Approx. 50 MT)	
3	Rate in Rupees per MT for complete scope of work of erection, testing, commissioning, trial operation and handing over of various auxiliaries as per tender specifications for items under annexure III C (Part I and Part II). (Approx. 2892 MT)	

Notes:

1. The piping systems include pipe, bends, valves, fittings etc, to make the system complete in all respects and payments will be released for the above items as per applicable rates against Item No. 2 of rate schedule. The structure, platforms and auxiliaries required for completion of piping systems will be payable as per applicable rates against Item No. 3 of rate schedule.
2. The rate shall be entered in figures as well as in words. In case of difference in rates between words and figures, the lesser of the two will be treated as valid rate.
3. Quantities indicated against each items are tentative and are liable to vary depending upon the site requirement. The contractor has to erect/commission all items as indicated by BHEL engineer for achieving unit-wise milestones.
4. In case of omission in quoting any rate, the evaluation will be done considering the highest quoted rate obtained against that item but the work, if awarded, will be on the lowest quoted rate obtained against that item.
