

Technical drawing of a rectangular frame. The drawing shows a large rectangle with a width of 20 and a height of 20. The width is indicated by three horizontal dimension lines, each labeled '20'. The height is indicated by three vertical dimension lines, each labeled '20'. The frame is composed of four parallel lines, with small circles representing rivets or bolts at the corners and along the edges. The drawing is oriented vertically, with the width dimension lines at the top and bottom, and the height dimension lines on the left and right sides. The overall dimensions are given as 19 x 8 = 152.
