

BHARAT HEAVY ELECTRICALS LIMITED

FAX NO. 040-23776320

EMD PAID / NOT PAID

TENDERING PROCESS

A. Tender box will be kept in Construction Department
For dropping Filled Tenders

B. Tender documents are issued in two bid system.

1. Technical bid

2. Price bid

C. Tender opening

On the day of tender opening, only technical bids will be opened and evaluated. After scrutiny and acceptance of the technical bids, price bids of accepted parties only will be opened and date of opening of price bids will be intimated separately.

The technical bid consists of technical schedule requiring documentary proof. In case the agency has not satisfied all the conditions along with documentary proof, the tender will be rejected.

Technical and price bids must be in separate covers and superscribed as "Technical bid" and "Price Bid" separately with item Nos. clearly written on the covers. Tenders received mixed (with price and technical bids) will be rejected. Every page of the price bid document shall be signed by the tenderer at the bottom of the page.

In case of tender application and tender documents downloaded from web site, the tenderer shall pay cost of tender documents and EMD for item of work he is tendering separately by means of two separate DDs (in favour of Accounts Officer BHEL R&D, Vikasnagar, Hyderabad 500 093) one towards cost of tender documents and second towards EMD. Both DD's shall be enclosed along with the Technical bid. DD's may be drawn for cost of tender documents up to last date of receipt of tenders.

This agreement made this day the _____ of _____ between Bharat Heavy Electricals Ltd., having its registered Office at New Delhi, Unit: Corporate Research & Development Division, Vikas Nagar, Hyderabad-500 093 (hereinafter called the First Party) of one part and _____ (hereinafter called the contractor) of second part.

Where as the first party is desirous of _____

(name of work) at Site at Vikasnagar, Hyderabad – 500 093 of Bharat Heavy Electricals Limited, Corporate Research & Development Division, situated at about 9 KMs West of Secunderabad City, more particularly described in the Schedule including drawings and specification attached herewith.

Whereas in pursuance of the said contractor's tender being accepted, the first party has decided to give the aforesaid work to the said contractor.

Where as the said contractor has agreed to execute the assigned work subject to the conditions herein contained in these presents and the works shown upon the said drawings and specifications at the approved rates embodied in schedule – A (bill of quantities) attached herewith.

And whereas the contractor has agreed to the retention by the first party of the Earnest Money Deposit of Rs.1,00,000.00 paid by him when he submitted his tender as part of the security for the due fulfillment of the contract to the satisfaction of the first party.

And whereas the contractor has also persued the copy of the CPWD standard specifications and its Addenda volume, BHEL General Conditions of Contract, thereto maintained in the Sr.DGM (RES & Projects) Office and is bound by all the standard Specifications for items of work described by a standard specifications number in schedule 'A' and by all the conditions and clauses of the standard preliminary specifications detailed in the agreement.

And whereas the contractor has agreed to execute upon and subject to the conditions set forth in standard specification indicated in schedule – A and in the standard preliminary Specification and such other conditions as are contained in all the specification and such other conditions as are contained in all the specification forming part of this contract (hereinafter referred to as the 'said conditions'), the work shown upon the drawings and described in the said specifications and set forth in schedule – A as the " Probable quantities" and comply with the time of completion as mentioned in the Tender Notice.

Now these present witness that in consideration of the Schedule-A as also of agreement of good and faithful service to be rendered and performed by the contractor in the execution of the said work, subject to the stipulations hereinafter expressed.

Now its hereby agreed as follows:

1. That the contract shall come into force with retrospective effect from _____
_____ the date on which the site or premises was handed over to the contractor.
2. That it is agreed between the parties that the non exercise of any of the powers conferred on the authorities of the first party, will not in any manner constitute waival of the conditions here to contained in these presents and the liability of the contractor either of part of future compensation shall remain unaffected.
3. That not withstanding anything mentioned earlier by either party, only the conditions included in the agreement shall prevail.
4. That the expenses of completing and stamping the agreements shall be paid by the contractor.
5. The contractor will be responsible for complying with the statutory provisions under various Labour Acts such as workers compensation Act, Minimum wages Act, PF, ESI contributions etc., in case BHEL R&D, as a principal has to pay an amount to any agency for non-fulfillment of any of the provisions of the above referred Acts, I/we authorise BHEL to deduct the amount from my/our bills or I/we will pay the amount to BHEL R&D.

In witness there of the parties have respectively set their signatures in the presence of:

Prelaminated particle board with decorative lamination on both the sides.(573)	90.00	Sq.M		

TOTAL AMOUNT

NOTE:

1. Cement,Mild steel and Tor steel required theoritically will be supplied FREE OF COST at BHEL(R&D) stores.
2. Excess/Short consupction of above said materials will be accounted at penal recovery at the time of FINAL/RUNNING BILL as per normas of CPWD Schedules and Specifications.
3. The penal recovery rate for CEMENT Rs .4600.00 per M.T.
MILD STEEL Rs.54000.00 per M.T.
TOR STEEL Rs.54000.00 per M.T.

CONTRACTOR(S)

ACCEPTING OFFICER

SCHEDULE – 'B'**ISSUE OF STORES TO THE CONTRACTOR**

S. NO	Particulars	Unit	Issue Rate Rupees
1.	Cement non-refundable bags	M.T.	FREE
2.	Mild steel rounds all diameters	M.T.	FREE
3.	Tor steel/Ribbed steel all diameters	M.T.	FREE

- A. The materials listed above will be issued at BHEL/R&D/Stores. It will be the responsibility of the contractor to submit his demand for stores in writing at least seven days in advance of the actual requirement.
- B. Issue of all stores is subject to the extent of their availability at the place of issue noted above. The Contractor should make his own arrangements for any or all of the materials shown above in case the BHEL desires so. The contractor shall not be entitled to any claim or compensation for non supply of the materials or delay in the supply of stores under any circumstances.
- C. The materials will be issued only during the working hours on Tuesday and Friday. The Contractors shall have to transport them to site of work at his own cost as soon as these are issued to him.
- D. Where cost of stores issued if any is recoverable from the contractor, recoveries will be made from the running bills for the gross quantity issued and not on actual consumption on the basis of the net measured quantity on finished work.
- E. The contractor shall, from time to time, render proper accounts of all materials issued to him by BHEL. If he fails to do so, no further issued of the materials will be made to him and he shall be held responsible for any delay in the execution of the work which may occur on this account.
- F. Only Cement, Mild Steel & Tor Steel items are issued free of cost to the contractor the contractor will have to make good at his own cost any loss or damage to part or whole of the item issued to him as above.

- G. All surplus materials whether issued free of cost or on cost or on cost recovery basis are to be returned to the BHEL stores in good Condition. Quantities of materials consumed in excess of the actual requirement shall be charged for at punitive rates which listed below.

The decision of the Sr. Engineer/Manager (Civil) as to the extent to which materials have been rendered surplus have been consumed in excess of the actual requirements shall be final and binding on the contractor.

H. **I) CEMENT:**

For the purpose of determining the actual requirement of cement, the theoretical consumption of cement as per CPWD norms shall be considered by the Sr. Engineer. As per CPWD norms the following are the variation allowed in Cement consumption.

- A > Work costing upto Rs. 2,00,000-00 : +/-5%
- B > Work Costing from Rs. 2,00,000-00 to Rs.5,00,000-00 : +/-4%
- C > Work costing above Rs. 5,00,000-00 : +/-3%

II) **STEEL:**

Steel will be issued by weight duly weighing at Store as stocked by Bharat Heavy Electricals Ltd., The surplus steel is represented by the difference between the quantity received and the quantity required and utilised on the work with an allowance of 5% towards scrap. This scrap will be the property, of the contractor, who will be responsible for their removal from the site in good time as Directed by the Sr. Engineer. The cut pieces retained as scrap shall be short than one metre in length.

Any variation in weight of steel issued should be brought to the notice of the Engineer-in-charge without any delay in writing for consideration.

PUNITIVE RATE FOR EXCESS/SHORT CONSUMPTION

- | | |
|---------------|----------------------|
| 1. CEMENT | Rs. 4,600-00 per M.T |
| 2. MILD STEEL | Rs. 54000-00 per M.T |
| 3. TOR STEEL | Rs. 54000-00 per M.T |
