## **CORRIGENDUM- I**

REF No. PSNR:SCT:MANGLAM:383

DT. 17.01.2007

**SUB: Tender for "** work of materials Handling of all items **and** erection, testing, commissioning, trial operations & handing over of 1X17.5 MW STG, Electrical & Instrumentation equipments at Manglam Cement Ltd, Morak, Rajasthan

**REF: Tender No. BHEL:NR(SCT): MANGLAM:CMT:383**

**1.0** LAST DATE OF SALE : 23.01.2007  
DUE DATE : 23.01.2007  
DATE OF OPENING : 23.01.2007

**2.0. Following clause no. 39.13 is hereby appended to the above mentioned NIT;**

"The scope of work will also include providing the services of qualified Engineers for direct supervision of various works covered under this tender exclusively for BHEL. These qualified Engineers shall be provided for 4 (Four) man months and shall be approved by BHEL before deployment. The Engineers shall possess extensive experience (Approx 10 years) in installation and commissioning of Power Project Turbines/ Industrial Turbines of similar rating and shall be guided by BHEL Engineers to ensure smooth work progress as and when/where required /deployed. If the contractor doesn't deploy a suitable engineer for 4 Man-Months or a part thereof, BHEL reserves the right to carry out the deployment at the risk and cost of the Contractor."

This corrigendum will form a part of tender documents and shall be submitted by the bidders duly signed and stamped along with technical bid. All other terms and conditions of the tender (NIT) remain unchanged.
