3. The prospective bidders who have downloaded the tender documents from our website are requested to send their acknowledgement and willingness to participate in the tender to the undersigned, through fax or email.
4. Offers should be strictly in accordance with the Tender Specifications and General Instructions to Tenderer enclosed herewith.
5. Clarifications, if any, can be obtained from the undersigned but such requests should be submitted well before the due date for submission of tenders. Due date for submission and opening of tenders will not be extended on such grounds.
6. Contractors are required to quote only for loading and transportation from WBSEB stores up to BHEL site store for material/equipment covered under Annexure-II (Material/Equipment already stored in WBSEB stores)
7. Unloading at site ,handling, shifting to and from BHEL site store, proper storage, assembly, installation, pre-commissioning and commissioning part of material covered in Annexure-II are included in the Annexure-I (Main scope).
8. **PLEASE REFER ANNEXURE-A** for terms of payment for material covered under Annexure-II (Material/Equipment already stored in WBSEB stores).
9. Technical Bid will be opened in the office of undersigned. If required, technical discussions will be held with only those bidders who have taken any deviations. Bidders representative may be present during technical bid opening for technical discussion, if required. The price bids will be opened subsequently, after Technical Bids of all the Tenderers have been evaluated and freezed. Bidders should quote their most competitive rates as there will not be any price negotiation. However if felt necessary by BHEL, price negotiation will be held with lowest bidder (L-1) only. IT WOULD BE PREFERRED THAT YOUR OFFER IS WITHOUT ANY DEVIATION w.r.t. TENDER SPECIFICATIONS AND THE SAME MAY BE CLEARLY MENTIONED ON THE COVERING LETTER ACCOMPANYING THE TECHNICAL BID. Offers with deviations are likely to be rejected. However if the bidder insists on any technical or commercial deviations, from the specification and/or tender conditions, the price implication if any, of withdrawing the deviations must be submitted along with the price bid in a separate sealed envelope superscribed "Price Implication for withdrawal of deviations". No price implication for withdrawal of deviation shall be accepted at a later date, after the opening of technical bid.
9. The purchase preference for central P.S.U.s shall be given as per the prevailing Government policy.
10. **The Bidders are advised to visit Site to have better understanding of job.**
11. In case an offer is not being submitted by the prospective bidders against this tender, they may send their "regret" letter to this office, for information.

Thanking you,

Yours faithfully,
for and on Behalf of BHEL,

(R.LODWAL)
DGM (TBSM)
