

Registration of Sub-Contractors for Jobwork

No. BHE:IVP:MM:VenReg:

BHEL is manufacturing Industrial Valves at its manufacturing unit at Goindwal Sahib; Distt. Tarn Taran (Punjab). Various components of valves such as Body, Bonnet-cum-Yoke & wedge castings of Carbon Steel, Alloy Steel and Stainless Steel require machining, drilling, slotting and milling operations. Other components from plates & bar stock also require machining, drilling, grinding & threading.

BHEL is looking for Sub-Contractors who can carry out above operations on Conventional/CNC machines. Parties desirous to do job-work on castings/material supplied by BHEL or desirous to supply fully machined components including material as per BHEL specifications may apply for registration at the following address:

SR. MANAGER(MM)
433, Industrial Complex,
Industrial Valves Plant (IVP),
Bharat Heavy Electircals Limited
Goindwal Sahib, Distt. Tarn Taran (Punjab)-143423
Phone Nos. (01859)-222 036, 039,041 extn : 110,117,121
Fax No: (01859)-222061
e-mail: ts@ivp.bhel.co.in, gss@ivp.bhel.co.in

Detailed specification/drawings can be obtained from the office of Sr. Manager(MM) as above.
Registration forms can be downloaded from our website www.bhel.com/bhel/vender_registration/vender.htm

Registration will be done after successful development by the party. Parties having good infrastructure and certified under ISO 9001 standard shall be preferred. Parties having works close to Goindwal shall be preferred. Parties registered with other BHEL units may submit their registration letter alongwith vendor code and scope of work for which registered for their evaluation.

BHEL reserves the right to accept or reject any application without assigning any reasons thereof.
