#### **2.0 Clause No.37.1 of the NIT to be read as follows;**

“All T&Ps and IMTEs which are required for successful and timely execution of the work covered within the scope of this tender, shall be arranged and provided by the contractor at his own cost in working condition. **BHEL shall provide only two nos. Induction Heating Machines to the contractor on free of hire charges basis** which shall be shared by other subcontractors working for BHEL at site and the allotment done by BHEL Engineer shall be final and binding. **Other than this BHEL will not provide any T&P including crane.** BHEL supplied T&Ps shall be maintained in good working condition during the entire period of use. T&Ps in defective / damaged condition shall be rectified promptly to the full satisfaction of BHEL engineer. Contractor shall maintain records for maintenance of T&Ps issued to them. These shall be made available for Inspection whenever required. In case of any lapses on the part of the contractor, BHEL at its own discretion get the servicing / repair of equipment done at the risk and cost of the contractor with BHEL overheads. Further, if there are breakdowns / damages due to negligence of the contractor, the complete service / repair charges and cost of all the spares damaged with BHEL overheads shall be recovered from contractor’s RA bills. Any loss / damage to any part of BHEL T&Ps shall be to the contractor's account and any expenditure on these accounts by BHEL will be recovered from the contractor's bill in case the contractor fails to make good the loss. The contractor shall return BHEL T&Ps and IMTEs issued to him in good working condition as and when desired by BHEL (on completion or reduction of workload). If contractor delays return of T&P and IMTE, hire charges as applicable shall be levied by BHEL from time, it was requisitioned till the time of actual return.

It shall be responsibility of the contractor to take delivery of T&Ps from stores or place of use by other contractor at project site, transport the same to site and return the same to BHEL store / place as intimated by Engineer in project site in good working conditions after use.”

**3.0 Clause nos. 56.1, 56.2 & 56.3 of the NIT to be read as follows;**

- 56.1** The Contractor shall commence the works within 60 days from the date of issue of letter of intent (unless BHEL decides to fix any other later date) and shall thereafter proceed to carry out and complete the Works continuously, diligently and without delay. Time shall be the essence in the performance of the Contractor of its obligation under the Contract.
- 56.2** **Entire work as detailed in tender specifications shall be completed, in all respect, within 30 months** from the scheduled date of start of work as per the programs / milestones indicated by BHEL from time to time. However, finishing works shall be allowed to be completed upto one month after synchronization of last unit. The Contractor has to mobilise adequate resources to meet BHEL’s commitments to their customer as indicated from time to time. **In case due to reasons not attributable to the contractor, the work gets delayed and additional manpower / resources have to be mobilized so as to expedite the work to meet various milestones, same shall be done within the quoted rates, at no extra cost to BHEL. In the event the contractor fails to respond to these requirements, BHEL shall take appropriate actions in line with the provisions of General Conditions of Contract.**
