CORRIGENDUM-1

SUB: Tender for "Construction of all the Civil, Structural & Architectural works of buildings, foundations, & structures including supply of all materials except those proposed to be supplied by BHEL for Main Power Block for 4 x 125 MW Power Plant in Kosti, Sudan".;

Tender No. BHEL: NR(SCT):KOSTI:CIVIL(5):419

1.0 'Qualifying Requirements'

'Qualifying Requirements' at SL NO. 3.1 & 3.2 of the above mentioned tender are hereby amended as follows;

- 3.1 A tenderer who have executed civil works in a Power Station/ Industry/Infrastructure Projects like setting of oil rigs, construction of bridges/flyovers etc. are allowed to have a proper tie-up(s), subject to approval of BHEL, with experienced parties for works similar to those given in 1.1 and 1.2 above. The composition of the Tie-up arrangement and role and responsibility of each constituent must be well defined and the document submitted shall clearly indicate who shall be the lead partner.
- 3.2 The tenderer (Lead Partner) shall give an undertaking that the responsibility of execution of entire work shall lie with him and also that in case of dissolution of Tie up, the Lead Partner shall be liable for completing the work as per the terms of contract without any additional cost to BHEL or without affecting project schedule. Legal documents of tie up agreement, signed by the partners, shall be submitted as a part of technical bid.

All other 'Qualifying Requirements' and other terms and conditions of the tender shall remain unchanged.

This corrigendum shall form a part of the tender and is to be submitted, duly signed and stamped, along with the Technical bid (Part-I).
