ANNEXURE-A

PREAMBLE

- 1.0 This preamble forms part of the tender document and schedule of items. The tenderer should read this preamble carefully before filling up the rates for various items. Clauses of this preamble shall be read in conjunction with GCC and other terms of the tender document and shall have precedence over any contrary statement mentioned anywhere in the above documents.
- 2.0 The work shall be carried out as per specifications, descriptions of the items in the schedule and or as per engineer's instructions.
- 3.0 Unless specifically mentioned otherwise in the tender document, the tenderer shall quote for the finished items and shall provide for the complete cost towards supply of materials including consumables, labour & other misc. elements that may be required for carrying out the job including transport, layout, rectification, maintenance till handing over, supervision, overheads, profits etc. including all incidental items complete.
- 4.0 The quantities in this schedule are approximate and may vary to any extent or may be deleted altogether. The rate quoted against each item of the schedule shall remain firm till the contract value remains within "+" or "-" 15%.
- 5.0 The rates shall be quoted both in figures & words in clear legible writing. No overwriting is allowed. All scoring and cancellations should be countersigned and in case of illegibility, the interpretation of engineer shall be final. All entries shall be in English. The rates quoted are inclusive of all taxes and duties, etc.
- 6.0 The tenderer shall be deemed to have studied detailed specifications and terms & conditions of the tender.
- 7.0 Engineer's decision shall be final & binding on the contractor regarding clarification of items in the schedule with respect to other terms & conditions of the contract.

ANNEXURE-B

### Special Terms & conditions of the job

These Special Conditions shall be read and construed along with General Conditions of Contract and in case of any conflict or inconsistency between the General & Special Conditions of Contract; the content in this specification shall prevail.

#### **1. SCOPE OF WORK:**

Supply, fabrication, erection, and fixing of balance 150 NB GI Rainwater Down-Take Pipes (58 RM), complete with clamps, bends, shoes, supports, painting, and all associated accessories at CPU Regeneration Building, 1x660 MW SgTPP Unit #5, Manigram, Sagardighi.

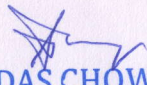

The work is to be carried out as per relevant IS standards/specifications, and as directed by BHEL Engineer. All materials required for the job will be in the scope of successful bidder and as per tender document.

Required manpower, material, T&Ps, consumables and resources along with skilled and experience supervisor (s) for execution & completion of job as per BHEL requirement to be provided by the successful bidder.

The successful bidder will be responsible for preparing the protocols & other relevant quality documents in line with field quality plan or as per direction of BHEL Engineer.

In addition to above, following are also in the scope of work of contractor:

- Labour license and group insurance of the workmen employed by the contractor and other statutory requirements shall be complied, as applicable, by the contractor.
- All labour rules, factories act, statutory requirements to be strictly adhered by the contractor.
- Arranging gate passes is in the contractor's scope, however BHEL shall provide necessary supports if required.
- All Statutory procedure (wage payment, Gate pass, Medical certificate, insurance, PF, UAN, accommodation, transportation etc.) for payment compliance as per govt procedure in the scope of contractor.
- Any unrest / strike / IR to be handled by the contractor.
- All PPE kit in the scope of contractor.
- Contractor must comply with BHEL standard safety policy.
- The Contractor shall be responsible for safety of his workmen, materials and equipment deployed at site
- Prevailing BHEL HSE norms shall be strictly adhered by the contractor.
- Job must be executed by contractor as per BHEL FQP and BHEL standard quality policy in consultation with BHEL Engineer.

### Power Sector Eastern Region

WBPDC, Sagardighi Thermal Power Project STAGE III (1X660 MW, Unit. 5)

P.O.: Monigram, Dist.; Murshidabad, W.B.PIN: 742237

Ref: PSER/SGD/June, 26/CVL/CPU Regen/RWDP/1/2559

Date: 20.06.2026

- Quantities mentioned in the BOQ cum rate schedule/price schedule may vary upto any extent. However, contractor's quoted rate shall remain firm for the entire contract period.

**2. TAXES, DUTIES ETC: As per BHEL General Conditions of Contract**

**3. REVISION OF ACCEPTED RATES/PRICE/OVER RUN CHARGES:**

No revision of rates/over run charges shall be paid to the contractor in the event of the completion period getting extended for any reason whatsoever.

**4. CONSTRUCTION WATER & ELECTRICITY:**

Construction water and electric power supply, if required for the job, will be provided free of cost.

**5. COMPLETION PERIOD:**

Work to be carried out within 30 (Thirty) days from the date of actual start of work at site.

**6. TERMS OF PAYMENT:**

**Payment Terms:**

100% payment shall be released after satisfactory completion of the work in all respects and certification by the BHEL Engineer-in-Charge.

Payment shall be made within 30 days from the date of receipt of the correct and complete invoice at the BHEL site office, duly supported by the Engineer's Certificate/Joint Measurement Sheet and all applicable statutory documents, including Master Roll, Wage Sheet, ECR Challan, Labour Licence (where applicable), BOCW Registration, BOCW Cess documents, and any other relevant records.

Measurements shall be recorded and certified by the BHEL Engineer as per the relevant provisions of the GCC for the actual work executed. All statutory deductions, recoveries, taxes, duties, and other contractual adjustments, as applicable, shall be made from the bill.

Payment shall be made through RTGS/Bank Cheque. GST shall be reimbursed separately upon submission of valid tax invoice and supporting statutory documents, subject to compliance with applicable GST provisions.

**7. SECURITY DEPOSIT: Not applicable.**

**8. COMPENSATION FOR DELAY:**

Time is essence of the contract. If the contractor fails to complete the work and clear the area as per time schedule prescribed in the contract (contractual completion period), contractor without any prejudice to any other right or remedy of BHEL on account of such breach, shall pay compensation (penalty) to BHEL

equivalent to ¼% of the total contract value per week of delay or part thereof of the delay, subject to maximum of 10% of the contract value.

**9. HEALTH, SAFETY & ENVIRONMENT:**

Contractor has to comply with minimum HSE requirements as applicable for this Sagardighi U#5 Extn. Project.

**10. TERMINATION OF CONTRACT:**

If, at any stage during the execution of the contract, it is observed that the Contractor is not fulfilling the obligations stipulated under the contract or is failing to meet BHEL's requirements with respect to quality, progress, resource deployment, or timely completion of the work, BHEL reserves the right to terminate the contract.

Prior to termination, the Contractor shall be provided adequate opportunity for corrective action. For this purpose, BHEL shall issue a minimum of three (03) successive warning letters, each separated by an interval of at least one (01) day, highlighting the deficiencies and calling upon the Contractor to take corrective measures.

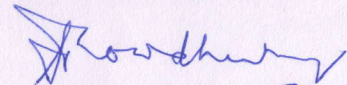

In the event that the Contractor fails to take satisfactory corrective action despite the aforesaid warnings, BHEL may terminate the contract by serving a three (03) days' advance notice. Upon such termination, BHEL shall be at liberty to engage an alternate agency for completion of the balance work at the risk and cost of the Contractor, and any additional expenditure incurred shall be recoverable from the Contractor as per the applicable contractual terms and conditions.

**11. GUARANTEE/WARRANTEE:**

Even though the work shall be carried out under the supervision of BHEL, contractor shall be responsible for the quality of workmanship and shall guarantee the work for a period of 01 (One) month commencing from the date of completion of entire work as certified by BHEL.

Any other terms and conditions, not covered above, will be governed by BHEL General Conditions of Contract.
