- h) In case GST credit is delayed/denied to BHEL due to non/delayed receipt of goods and/or tax invoice or expiry of timeline prescribed in GST law for availing such ITC, or any other reasons not attributable to BHEL, GST amount will be recoverable from vendor along with interest levied on BHEL.
- i) In case vendor delays declaring such invoice in his return and GST credit availed by BHEL is denied or reversed subsequently as per GST law, GST amount paid by BHEL towards such ITC reversal as per GST law will be recoverable from vendor/contractor along with interest levied/leviable on BHEL.
- j) Penalty if any, charged to successful bidder during execution of the job, GST as applicable will be recovered along with penalty amount.
- k) As per GOI, Ministry of Finance - 1st day of October, 2018, as the date on which the provisions of section 51 GST Act shall have come into force. If applicable for this contract to be acceptable to contractor for deduction of GST TDS @1% on taxable value excluding GST.

SECTION-2

CABLE & FLEXIBLE CONDUIT LAYING WORK AT NTPC- TANDA STPP (2 X 660MW)

A) SCOPE OF WORK:

Laying, dressing and clamping (by Nylon / PVC ties or Aluminum strips or any other method specified by BHEL Engineer) of the cables in the cable trays / angles. The final dressing of all cables laid by the contractor shall also be done with Nylon cord / Aluminum strip. Cost of cable laying as per BOQ shall include the cost of Nylon / PVC tied and Aluminum strip required for dressing / clamping.

The cables shall be laid in the cable trays and the route as per cable schedule. The contractor shall intimate the engineer in charge whenever the cable tray is filled. Extra cables if laid by the contractor due to mistake, the same shall be removed at no extra cost to BHEL.

The cable run number shall be provided by punching Aluminum Tag plates and tying suitably with nylon ties (at both ends and regular intervals of 5 meters as advised by BHEL Engineer) which shall be arranged by contractor at his cost. Indelible tags to be provided at all terminations, on both sides of the wall or floor crossing, on each conduit / Duct / Pipe entry /exit and at every 20 mtr. In cable tray/ trench.

While laying cables, existing cable tray covers and false flooring may require be removing and re-fixing. The same has to be done at no extra cost to BHEL.

Cable clamping: All cables laid on trays shall be neatly dressed up & suitably clamped/ tied to the tray.

Road crossing: Cables to pass through buried high density PE pipes encased in PCC. At least 300 mm clearance shall be provided between

- LT power & LT control cable
- LT control & Instrumentation cables.

Power cables and instrumentation cables are to be segregated and laid separately.

In vertically stacked cable trays, the higher voltage cable shall be in higher position and instrumentation cable shall be in bottom tier of the tray stack. The distance between instrumentation cables and those of the other system shall be as follows:

From 415V tray system	: 610 mm
From control cable tray system	: 305 mm

The civil works including excavation, covering with bricks, road cutting etc. shall be carried out by the contractor. After cable laying the excavated area / roads shall be refilled and restored by the contractor. Supply of all materials for civil works like bricks, sand, cable route markers, preparation of pits etc. shall be carried out by the contractor including within the quoted rate.

The quantities as mentioned in BOQ are tentative only. The actual / final quantities of cable laid, trench digging & Road / RCC cutting shall be freezed after a joint measurement by BHEL EDN Site Incharge & Contractor Site Incharge. The joint protocol signed in original should be furnished along with bill.

B) OTHER WORKS:

- Removal of related debris and cleaning of area
- Any other minor work for satisfactory completion of contract

C) MAN POWER:

Supervisors & Helpers required for the job are to be mobilized in adequate numbers to complete the job as per the time schedule mentioned.

D) SUPPLY OF MATERIALS:

All types of consumables like clamps, cable ties, bricks, sand, conduit etc. required for this cable laying, trenching & dressing job are included in bidder scope.

E) ALL TOOLS & TACKLES: required for carrying out the cable laying, trenching & Road / RCC Cutting work to be arranged by the Contractor.

Any other associated minor works required for the satisfactory completion of cable laying, trenching & Road / RCC Cutting work is in the scope of the Contractor even if it is not exclusively mentioned in the scope of work.

As customer is insisting BHEL for early completion of this cable laying work, the same has to be completed within 60 days as said in point 12 (page 2 of 12) and shall be carried out immediately upon issue of LOI / WO.

The Contractor should be able to depute required manpower as desired by BHEL Site Engineer intimation.

SECTION 4

SPECIAL CONDITIONS OF CONTRACT

The work is to be executed at NTPC-Tanda (2 X 660MW)

1. The Contractors shall get themselves familiar with the site and nature of job in advance where the works is to be executed before quoting their rates.
2. Apart from GST any other govt. taxes as applicable from time to time shall be borne by the Contractor.
3. The Contractor shall arrange to obtain valid gate passes for his men and equipment's from the concerned authorities.
4. No man / material / equipment not covered by valid gate pass shall be permitted within the power station area and no material / equipment shall be permitted to be taken out of the thermal power station unless authorized by concerned authority. The Contractor shall be held fully responsible for any delays / losses / damages that may result consequent on any lapses that may occur on the part of his employees in this regard.
5. Carrying / striking of matches, lighters or smoking or other acts which may cause fire hazards in the restricted area of power station such as Hydrogen plants, Hydrogen storage area, fuel oil plant / storage areas etc. is strictly prohibited.
6. In the prescribed areas inside power plant, no hot work such as welding, gas cutting etc., which may cause fire hazards shall be carried out unless valid gas safety / fire permit is obtained from the BHEL site Engineer and necessary precautions are taken to avoid any risk of fire hazards.
7. The Contractor shall compulsorily provide Personal Protective Equipment's (PPE's) to his employees as per the NTPC safety standards/ guidelines & in the event of not providing the same by date specified by Customer or as mentioned in contract, it will be provided by BHEL/NTPC-TANDA at Contractor's risk and cost of the same will be recovered from the bill/s.
8. All necessary personal safety equipment as considered adequate by the BHEL site Engineer or the safety officer of NTPC-TANDA should be made available at Contractor's cost for use by the persons employed at the site and be maintained in a condition suitable for immediate use. The Contractor should also give sufficient safety training and instructions to his workmen and ensure proper use of safety equipment by those concerned.
9. The Contractor shall obtain permission from appropriate authority / license if required under any applicable law regulations for engaging labours for execution of the work and observe all terms and conditions of the said authorization / license.
10. The Contractor shall comply with the provision of all applicable labour legislation / Acts pertaining to payment of wages and shall pay his workers wages not less than minimum as applicable in NTPC-TANDA premises.

11. The Contractor has to make his own arrangement for T&P safety appliances and consumables required for the above job.
12. The work shall be executed as per the direction and to the satisfaction of BHEL site Engineer. Decision of BHEL site Engineer will be firm and binding on all matters.
13. Any person below the age of 18 years shall not be deployed for the work.
14. The Contractor shall be required to pay full wages to the workers as per prevailing rules.
15. If the Contractor fails to deploy required numbers of labors as per the terms of contract, then recovery @ double the minimum wages of unskilled labour shall be effected for number of labour less than the specified requirement, if not specially mentioned otherwise.
16. The Contractor has to comply fully with the safety requirement of the NTPC-TANDA premises.
17. The Contractor shall possess “**Independent PF code**”. Contractor has to observe all formalities as per PF act or Workmen Compensation Insurance, as applicable.
18. The Contractor shall furnish a copy of Labour license from the Dy. Commissioner of Labour, if applicable.
19. The Contractor shall be liable to comply with provisions under the various labour legislations. Besides other obligations under the labour legislations he is required to ensure payment of minimum wages as per Minimum Wages Act, grant of leaves, as per the notification of Chief labour commissioner, Provident fund under the Provident Fund Act, compensation under the workmen compensation Act, Retrenchment compensation etc. The Contractor shall indemnify NTPC-TANDA against all claims, damages and compensations on account of his failure to comply with statutory provisions.
20. The Contractor shall not subcontract, transfer or assign any part or full work of this award without prior written permission from BHEL.
21. In case of any conflict amongst the various drawings and other tender documents, the decision of the BHEL site Engineer shall be final and binding.
22. If any dispute or difference of any kind whatsoever shall arise between BHEL-EDN and the Contractor arising out of the contract or with respect to its interpretation, whether during or after its completion or whether before or after its termination, abandonment or breach of the contract, it shall be referred to the sole arbitration of the Unit head of BHEL-EDN or any Officer duly authorized by him in this behalf and the decision of the Arbitrator shall be final and binding on the parties.
23. It would be the responsibility of the Contractor to give weekly off and other holidays to their employees as applicable at the place of working (NTPC-TANDA).
24. As per NTPC-TANDA statutory requirement, the Contractor and their workers shall follow all safety rules while working so that there should not be any accident, which may cause loss of life and damage to Customer's property. Contractor shall also take

insurance cover for workmen compensation for the workers employed by him at his own cost.

25. No complaints from Contractor's workmen with regard to nature of work entrusted or place of work will be entertained.
26. The Contractor or his authorized representative shall be available at plant site daily for receiving necessary instructions from Engineer-In-Charge, BHEL and to carry out the work accordingly.
27. The Contractor should note that the labour under their contract will be working in the vicinity of running equipment's and they should give proper instructions to all the workers under their control to be careful so as to avoid any accidents.
28. The Contractor is required to carry out the work in controlled conditions so as to contain air pollution, water/land contamination within relevant legislative and statutory requirements.
29. Quantities likes cable laying & removal will be paid to contractor on actual laid / removal quantity after measurement only. Similarly for other BOQ also any addition in quantities will be paid on pro-rata basis as per quoted rates.
30. LD / Penalty Clause – Delay attributable to contractor with proper intimation will be recovered at ½ % of the contract value per week of delay & maximum limited to 10% of the contract value.

Note: The term 'Company' means BHEL and 'Customer' means NTPC Tanda STPP.
