5. The security deposit shall not carry any interest.

6. If the value of work done at any time exceeds the contract value, the amount of Security Deposit will be correspondingly enhanced and the additional security deposit will be immediately deposited by the successful bidder or recovered from payments due to the contractor from Monthly bills(RAB).
7. **SD REFUND:** 50% of the Security Deposit amount will be returned after 30 days from the date of submission of final bill on certification by BHEL Site Engineer & on receipt of required declaration forms for release of SD. Balance 50% will be refunded after settlement of final bill and production of “No Due/No Demand Certificate” from BHEL EDN Site In-Charge, JOJOBERA Unit-1 DCS Replacement Project.

NOTE: Acceptance of Security Deposit against Sl. No. (4) and (6) above will be subject to hypothecation or endorsement on the documents in favor of BHEL. However, BHEL will not be liable or responsible in any manner for the collection of interest or renewal of the documents or in any other matter connected therewith.

16.4 Security deposit shall not be refunded to the Bidder except in accordance with the terms of the Contract.

16.5 The validity of the Bank Guarantee furnished towards Security Deposit shall be up to the period of completion of work as stipulated in the Letter of Intent + claim period of 6 months and the same will be kept valid by proper renewal till the satisfactory completion of the Guarantee Period.

16.6 If the value of the work done at any time exceeds the accepted agreement value, the Security Deposit shall be correspondingly enhanced and the extra Security Deposit shall be immediately deposited by the Bidder or recovered from payments due to him.

16.7 Failure to deposit the Security Deposit within the stipulated time, may lead to forfeiture of Earnest Money Deposit and Cancellation of the award of work.

16.8 If any part of Security Deposit of the Bidder is held in the form of approved securities, it shall be kept transferred in the name of Bharat Heavy Electricals Limited, in such a manner that the same can be realized fully without referring to the Bidder. BHEL shall not be responsible for any depreciation in the value of the Security while in BHEL's custody or for any loss of interest thereon.

16.9 BHEL reserves the right of forfeiture of Security Deposit in addition to other claims and penalties in the event of the Bidder's failure to fulfill any of the Contractual obligations or in the event of termination of Contract as per terms and conditions of Contract. BHEL reserves the right to set off the Security Deposit, against any claims of any other Contracts with BHEL.

16.10 RETURN OF SECURITY DEPOSIT : If the Bidder fully performs and completes the work

in all respects to the entire satisfaction of BHEL and presents an absolute "No Demand Certificate" in the prescribed form and returns properties belonging to BHEL taken, borrowed or hired by him for carrying out the said works, half the amount of Security Deposit will be released to the Bidder after deducting all costs, expenses and other amounts that are to be paid to BHEL under this or other Contracts entered into with the Bidder.

It may be noted that in no case the Security Deposit shall be refunded / released prior to passing of final bill. Balance half of the amount of Security Deposit will be released only after settlement of final bill and production of "No Due/No Demand Certificate" from BHEL EDN Site In-Charge

NOTE: All the BGs are to be submitted as per BHEL pro forma.

17. **No interest** shall be payable by BHEL on Earnest Money Deposit, Security Deposit or on any moneys due to the Bidder.

18. REJECTION OF TENDER AND OTHER CONDITIONS:

18.1 The acceptance of Tender will rest with BHEL which does not bind itself to accept the lowest tender or any tender and reserves to itself full rights for the following without assigning any reasons whatsoever.

- (a) To reject any or all of the tenders.
- (b) To split up the work amongst two or more Bidders.
- (c) To award the work in part.
- (d) In either of the contingencies stated in (b) and (c) above to modify the time for completion suitably.

18.2 Conditional and un-witnessed tenders, tenders containing absurd or unworkable rates and amounts, tenders which are incomplete or otherwise considered defective and tenders not in accordance with the tender conditions, specifications, etc., are liable to be rejected.

18.3 If a bidder expires after the submission of his tender or after the acceptance of his tender, BHEL may at its discretion, cancel such tender. If a partner of a firm expires after the submission of the tender or after the acceptance of the tender, BHEL may cancel such tender at its discretion unless the firm retains its character.

18.4 BHEL will not be bound by any Power of Attorney granted by the bidder or by changes in the composition of the firm made subsequent to the execution of the Contract. BHEL may, however, recognize such Power of Attorney and changes after obtaining proper legal advice, the cost of which will be chargeable to the Bidder concerned.

18.5 If the bidder deliberately gives wrong information in his tender, BHEL reserves the right to reject such tender at any stage or to cancel the Contract, if awarded and forfeit the Earnest Money/ Security Deposit/ any other moneys due.

18.6 Canvassing in any form in connection with the tender is strictly prohibited and the tenders submitted by the Bidder who resorts to canvassing are liable to be rejected.

18.7 Should a bidder or Bidder or in the case of a firm or Company of Bidders/ one or more of its Partners/ shareholders / Directors have a relation or relations employed in BHEL, the authority inviting tender shall be informed to the fact along with the offer, failing this BHEL may, at its sole discretion reject the tender or cancel the Contract and forfeit the Earnest Money/ Security Deposit.

18.8 The **successful bidder should not sub-Contract** the part or complete work detailed in the tender specification without written permission from BHEL. The bidder is solely responsible to BHEL for the work awarded to him.

18.9 **NO DEVIATIONS** to the tender conditions will normally be accepted. However, if the bidder insists for certain deviations to the conditions, financial implication thereof shall be loaded to the quoted price for evaluating the bidder's offer.

2.8.26 In case the contractor is required to undertake any work outside the scope of this contract, the rates payable shall be those mutually agreed upon if the item rates are not mentioned in existing contract

- i. For any item of work required to be carried out after the contract has been awarded and which is not covered by Contractors Schedule but is covered by C.P.W.D. schedule of rates the rate payable for such a fresh item will be derived from updated C.P.W.D. schedule of rates by the method of proportion as follows:
- ii. Rate as per estimated updated C.P.W.D DSR and loading tender excess (plus or minus) on pro-rata basis for nearest analogous items. For other items rate as per estimated C.P.W.D DSR and loading tender excess (plus or minus)
- iii. If rates are not available in C.P.W.D. DSR, deviated item rates will be derived from market rate with 15% profit and overheads.

2.9 PROGRESS MONITORING, MONTHLY REVIEW AND PERFORMANCE EVALUATION

2.9.1 A detailed plan/program for completion of the contractual scope of work as per the time schedule given in the contract shall be jointly agreed between BHEL and Contractor, before commencement of work. The above program shall be supported by month wise deployment of resources viz. Manpower, T&P, Consumables, etc. Progress will be reviewed periodically (Daily/Weekly/Monthly) vis a vis this jointly agreed program. The Contractor shall submit periodical progress reports (Daily/Weekly/Monthly) and other reports/information including manpower, consumables, T&P mobilization etc as desired by BHEL.

2.9.2 Monthly progress review between BHEL and Contractor shall be based on the agreed program as above, availability of inputs/fronts etc., and constraints if any, as per prescribed formats. Manpower, T&P and consumable reports as per prescribed formats shall be submitted by contractor every month. Release of RA Bills shall be contingent upon certification by BHEL Site Engineer of the availability of the above prescribed formats duly filled in and signed.

2.9.3 The burden of proof that the causes leading to any shortfall is not due to any reasons attributable to the contractor is on the contractor himself. The monthly progress review shall record shortfalls attributable to (i) Contractor, (ii) Force Majeure Conditions, and (iii) BHEL

2.10 TIME OF COMPLETION

2.10.1 Time is essence of the contract. The time schedule shall be as prescribed in the Contract. The time for completion shall be reckoned from the date of commencement of work at Site as certified by BHEL Engineers

2.10.2 The entire work shall be completed by the contractor within the time schedule

or within such extended periods of time as may be allowed by BHEL under clause 2.11

2.11 EXTENSION OF TIME FOR COMPLETION

2.11.1 If the completion of work as detailed in the scope of work gets delayed beyond the contract period, the contractor shall request for an extension of the contract and BHEL at its discretion may extend the Contract.

2.11.2 Based on the monthly reviews jointly signed, the works balance at the end of original contract period less the backlog attributable to the contractor shall be quantified, and the number of months of 'Time extension' required for completion of the same shall be jointly worked out. Within this period of 'Time extension', the contractor is bound to complete the portion of backlog attributable to the contractor. Any further 'Time extension' or 'Time extensions' at the end of the previous extension shall be worked out similarly.

2.11.3 However if any 'Time extension' is granted to the contractor to facilitate continuation of work and completion of contract, due to backlog attributable to the contractor alone, then it shall be without prejudice to the rights of BHEL to impose penalty/LD for the delays attributable to the contractor, in addition to any other actions BHEL may wish to take at the risk and cost of contractor.

2.11.4 A joint program shall be drawn for the balance amount of work to be completed during the period of 'Time Extension', along with matching resources (with weightages) to be deployed by the contractor as per specified format. Review of the program and record of shortfall shall be done every month of the 'Time extension' period in the same manner as is done for the regular contract period.

2.11.5 During the period of 'Time extension', contractor shall maintain their resources as per mutually agreed program

2.11.6 At the end of total work completion as certified by BHEL Engineer, and upon analysis of the total delay, the portion of time extensions attributable to (i) Contractor, (ii) Force majeure conditions, and (iii) BHEL, shall be worked out and shall be considered to be exhausted in the same order. The total period of time extensions shall be the sum of (i), (ii) and (iii) above and shall be equal to period between the scheduled date of completion and the actual date of completion of contract. LD shall be imposed/levied for the portion of time extensions attributable to contractor and recoverable from the dues payable to the contractor.

2.13 QUANTITY VARIATION

TENDER REF. NO.: CE/ES/2022-23/JOJOBERA RM/E&C/SJDB

Signature of Bidder

Terms & Conditions of Reverse Auction

Against this enquiry, BHEL may resort to “REVERSE AUCTION PROCEDURE” i.e., ON LINE BIDDING (THROUGH A SERVICE PROVIDER). The philosophy followed for reverse auction shall be English Reverse (No ties).

1. For the proposed reverse auction, technically and commercially acceptable bidders only shall be eligible to participate.
2. Those bidders who have given their acceptance for Reverse Auction (quoted against this tender enquiry) will have to necessarily submit “online sealed bid” in the Reverse Auction. Non-submission of “online sealed bid” by the bidder for any of the eligible items for which techno-commercially qualified, will be considered as tampering of the tender process and will invite action by BHEL as per extant guidelines in vogue.
3. BHEL will engage the services of a service provider who will provide all necessary training and assistance before commencement of on line bidding on internet.
4. In case of reverse auction, BHEL will inform the bidders the details of Service Provider to enable them to contact & get trained.
5. Business rules like event date, time, bid decrement, extension etc. also will be communicated through service provider for compliance.
6. Bidders have to fax the Compliance form (That shall be furnished later) before start of Reverse auction. Without this, the bidder will not be eligible to participate in the event.
7. In line with the NIT terms, BHEL will provide the calculation sheet (e.g., EXCEL sheet) which will help to arrive at “Total Cost to BHEL” like Packing & forwarding charges, Taxes and Duties, Freight charges, Insurance, Service Tax for Services and loading factors (for non-compliance to BHEL standard Commercial terms & conditions) for each of the bidder to enable them to fill-in the price and keep it ready for keying in during the Auction.
8. Reverse auction will be conducted on scheduled date & time.
9. At the end of Reverse Auction event, the lowest bidder value will be known on auction portal.
10. The lowest bidder has to fax/e-mail the duly signed and filled-in prescribed format for price breakup including that of line items, if required, as provided on case-to-case basis to Service provider within two working days of Auction without fail.

11. In case BHEL decides not to go for Reverse Auction procedure for this tender enquiry, the Price bids and price impacts, if any, already submitted and available with BHEL shall be opened as per BHEL's standard practice without seeking anymore price Impacts on account of BHEL not going for Reverse Auction. Hence please quote your best lowest price in first instant itself.
12. Bidders shall be required to read the "Terms and Conditions" section of the auctions site of Service provider, using the Login IDs and passwords given to them by the service provider before reverse auction event. Bidders should acquaint themselves of the "Business Rules of Reverse Auction", which will be communicated before the Reverse Auction.
13. If the Bidder or any of his representatives are found to be involved in Price manipulation/ cartel formation of any kind, directly or indirectly by communicating with other bidders, action *as per extant BHEL guidelines*, shall be initiated by BHEL and the results of the RA scrapped/ aborted.
14. The Bidder shall not divulge either his Bids or any other exclusive details of BHEL to any other party.
15. In case BHEL decides to go for reverse auction, the H1 bidder (whose quote is highest in online sealed bid) may not be allowed to participate in further RA process.

INTEGRITY PACT

Between

Bharat Heavy Electricals Ltd. (BHEL), a company registered under the Companies Act 1956 and having its registered office at "BHEL House", Siri Fort, New Delhi - 110049 (India) hereinafter referred to as "**The Principal**", which expression unless repugnant to the context or meaning hereof shall include its successors or assigns of the ONE PART **and**

_____, (description of the party along with address), hereinafter referred to as "The Bidder/ Contractor" which expression unless repugnant to the context or meaning hereof shall include its successors or assigns of the OTHER PART

Preamble

The Principal intends to award, under laid-down organizational procedures, contract/s for _____

_____ (hereinafter referred to as "Contract"). The Principal values full compliance with all relevant laws of the land, rules and regulations, and the principles of economic use of resources, and of fairness and transparency in its relations with its Bidder(s)/ Contractor(s). In order to achieve these goals, the Principal will appoint panel of Independent External Monitor(s) (IEMs),

who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1- Commitments of the Principal

1.1 The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles: -

1.1.1 No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

1.1.2 The Principal will, during the tender process treat all Bidder(s) with equity and reason.

The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/ additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.

1.1.3 The Principal will exclude from the process all known prejudiced persons.

1.2 If the Principal obtains information on the conduct of any of its employees which is a penal offence under the Indian Penal Code 1860 and Prevention of Corruption Act 1988 or any other statutory penal enactment, or if there be a substantive suspicion in this regard, the Principal will inform its Vigilance Office and in addition can initiate disciplinary actions.

Section 2 - Commitments of the Bidder(s)/ Contractor(s)

2.1 The Bidder(s)/ Contractor(s) commit himself to take all measures necessary to prevent corruption.

The Bidder(s)/ Contractor(s) commits himself to observe the following principles during

participation in the tender process and during the contract execution.

2.1.1 The Bidder(s)/ Contractor(s) will not, directly or through any other person or firm, offer, promise or give to the Principal or to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material, immaterial or any other benefit which he/ she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.

2.1.2 The Bidder(s)/ Contractor(s) will not enter with other Bidder(s) into any illegal or undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

2.1.3 The Bidder(s)/ Contractor(s) will not commit any penal offence under the relevant Indian Penal Code (IPC) and Prevention of Corruption Act; further the Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

2.1.4 Foreign Bidder(s)/ Contractor(s) shall disclose the name and address of agents and representatives in India and Indian Bidder(s)/ Contractor(s) to disclose their foreign principals or associates. The Bidder(s)/ Contractor(s) will, when presenting his bid, disclose any and all payments he has made and is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.

2.2 The Bidder(s)/ Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

2.3 The Bidder(s)/ Contractor(s) shall not approach the Courts while representing the matters to IEMs and shall await their decision in the matter.

Section 3 - Disqualification from tender process and exclusion from future contracts

If the Bidder(s)/ Contractor(s), before award or during execution has committed a transgression through a violation of Section 2 above, or acts in any other manner such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/ Contractor(s) from the tender process, terminate the contract, if already awarded, exclude from future business dealings and/ or take action as per the separate "Guidelines on Banning of Business dealings with Suppliers/Contractors", framed by the Principal.

Section 4 - Compensation for Damages

4.1 If the Principal has disqualified the Bidder (s) from the tender process before award / order acceptance according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/ Bid Security.

4.2 If the Principal is entitled to terminate the Contract according to Section 3, or terminates the Contract in application of Section 3 above, the Bidder(s)/ Contractor (s) transgression through a violation of Section 2 above shall be construed breach of contract and the Principal shall be entitled to demand and recover from the Contractor an amount equal to 5% of the

contract value or the amount equivalent to Security Deposit/ Performance Bank Guarantee, whichever is higher, as damages, in addition to and without prejudice to its right to demand and recover compensation for any other loss or damages specified elsewhere in the contract.

Section 5 - Previous Transgression

5.1 The Bidder declares that no previous transgressions occurred in the last 3 (three) years with any other company in any country conforming to the anti-corruption approach or with any other Public Sector Enterprise in India that could justify his exclusion from the tender process.

5.2 If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract, if already awarded, can be terminated for such reason or action can be taken as per the separate "Guidelines on Banning of Business dealings with Suppliers/ Contractors", framed by the Principal.

Section 6 - Equal treatment of all Bidder (s)/ Contractor (s) / Sub-contractor (s)

6.1 The Principal will enter into Integrity Pacts with identical conditions as this Integrity Pact with all Bidders and Contractors.

6.2 In case of Sub-contracting, the Principal Contractor shall take the responsibility of the adoption of Integrity Pact by the Sub-contractor(s) and ensure that all Sub-contractors also sign the Integrity Pact.

6.3 The Principal will disqualify from the tender process, all Bidders who do not sign this Integrity Pact or violate its provisions.

Section 7 - Criminal Charges against violating Bidders/ Contractors /Subcontractors

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the Vigilance Office.

Section 8 -Independent External Monitor(s)

8.1 The Principal appoints competent and credible panel of Independent External Monitor (s) (IEMs) for this Integrity Pact. The task of the IEMs is to review independently and objectively, whether and to what extent the parties comply with the obligations under this Integrity Pact.

8.2 The IEMs are not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He reports to the CMD, BHEL.

8.3 The IEMs shall be provided access to all documents/ records pertaining to the Contract, for which a complaint or issue is raised before them as and when warranted. However, the documents/records/information having National Security implications and those documents which have been classified as Secret/Top Secret are not to be disclosed.

8.4 The Principal will provide to the IEMs sufficient information about all meetings among the parties related to the Contract provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the IEMs the option to participate in such meetings.

8.5 The advisory role of IEMs is envisaged as that of a friend, philosopher and guide. The advice of IEMs would not be legally binding and it is restricted to resolving issues raised by a Bidder regarding any aspect of the tender which allegedly restricts competition or bias towards some Bidders. At the same time, it must be understood that IEMs are not consultants to the Management. Their role is independent in nature and the advice once tendered would not be subject to review at the request of the organization.

8.6 For ensuring the desired transparency and objectivity in dealing with the complaints arising out of any tendering process or during execution of Contract, the matter should be examined by the full panel of IEMs jointly, who would look into the records, conduct an investigation, and submit their joint recommendations to the Management.

8.7 The IEMs would examine all complaints received by them and give their recommendations/ views to the CMD, BHEL at the earliest. They may also send their report directly to the CVO, in case of suspicion of serious irregularities requiring legal/ administrative action. Only in case of very serious issue having a specific, verifiable Vigilance angle, the matter should be reported directly to the Commission. IEMs will tender their advice on the complaints within 30 days.

8.8 The CMD, BHEL shall decide the compensation to be paid to the IEMs and its terms and conditions.

8.9 IEMs should examine the process integrity; they are not expected to concern themselves with fixing of responsibility of officers. Complaints alleging mala fide on the part of any officer of the Principal should be looked into by the CVO of the Principal.

8.10 If the IEMs have reported to the CMD, BHEL, a substantiated suspicion of an offence under relevant Indian Penal Code / Prevention of Corruption Act, and the CMD, BHEL has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Vigilance Office, the IEMs may also transmit this information directly to the Central Vigilance Commissioner, Government of India.

8.11 After award of work, the IEMs shall look into any issue relating to execution of Contract, if specifically raised before them. As an illustrative example, if a Contractor who has been awarded the Contract, during the execution of Contract, raises issue of delayed payment etc. before the IEMs, the same shall be examined by the panel of IEMs. Issues like warranty/ guarantee etc. shall be outside the purview of IEMs.

8.12 However, the IEMs may suggest systemic improvements to the management of the Principal, if considered necessary, to bring about transparency, equity and fairness in the system of procurement.

8.13 The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

9.1 This Integrity Pact shall be operative from the date this Integrity Pact is signed by both the parties till the final completion of contract for successful Bidder, and for all other Bidders 6

months after the Contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

9.2 If any claim is made/ lodged during currency of this Integrity Pact, the same shall be binding and continue to be valid despite the lapse of this Pact as specified above, unless it is discharged/ determined by the CMD, BHEL.

Section 10 - Other Provisions

10.1 This Integrity Pact is subject to Indian Laws and exclusive jurisdiction shall be of the competent Courts as indicated in the Tender or Contract, as the case may be.

10.2 Changes and supplements as well as termination notices need to be made in writing.

10.3 If the Bidder(s)/ Contractor(s) is a partnership or a consortium or a joint venture, this Integrity Pact shall be signed by all partners of the partnership or joint venture or all consortium members.

10.4 Should one or several provisions of this Integrity Pact turn out to be invalid, the remainder of this Integrity Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

10.5 Only those bidders / contractors who have entered into this Integrity Pact with the Principal would be competent to participate in the bidding. In other words, entering into this Integrity Pact would be a preliminary qualification.

10.6 In the event of any dispute between the Principal and Bidder(s)/ Contractor(s) relating to the Contract, in case, both the parties are agreeable, they may try to settle dispute through Mediation before the panel of IEMs in a time bound manner. In case, the dispute remains unresolved even after mediation by the panel of IEMs, either party may take further action as the terms & conditions of the Contract. The fees/expenses on dispute resolution through mediation shall be shared by both the parties. Further, the mediation proceedings shall be confidential in nature and the parties shall keep confidential all matters relating to the mediation proceedings including any settlement agreement arrived at between the parties as outcome of mediation. Any views expressed, suggestions, admissions or proposals etc. made by either party in the course of mediation shall not be relied upon or introduced as evidence in any further arbitral or judicial proceedings, whether or not such proceedings relate to the dispute that is the subject of mediation proceedings. Neither of the parties shall present IEMs as witness in any Alternative Dispute Resolution or judicial proceedings in respect of the dispute that was subject of mediation.

- f) The Bidder shall abide by the statutory requirement of Minimum Wages Act 1948, payment of Wages Act 193.
- g) The Bidder shall arrange potable drinking water to its employees & workers.

- **CONSUMABLES**

- .1.** The Bidder shall provide within finally accepted rates, all consumables and materials like M.S Welding Rods, Cutting Gas, Teflon Tape, insulation tape, PVC sealing compound, sleeves of all sizes, **Nylon cable ties of all required sizes**, gaskets, cable lugs (up to 2.5 sq.mm cable size) Cable Identification Metal tag plates, cable sleeves, ferrules, anchor bolts and fasteners M 12 size and below, saddles, jumpers etc. **Please note 0.5 /1.0 sq.mm cable may be required to be lugged if insisted by TPCL at JOJOBERA Power Plant. The quoted rate for the work is deemed to have been inclusive of all the above consumables / materials.**
- .2.** It shall be the responsibility of the Bidder to plan the activities and store sufficient quantity of erection materials & consumables. Non availability of any materials or equivalent suggested by BHEL cannot be considered as reason for not attaining the required progress or for additional claim.
- .3.** BHEL reserves the right to reject the use of any consumable if it is not found to be of the required standard / make / purity or when shelf life has expired. Bidder shall ensure display of shelf life on consumable wherever required & records maintained.
- .4.** Storage of all consumables shall be done as per requirement / instruction of the Engineer by the Bidder at his cost.
- .5.** In case of improper arrangement for procurement of any consumable, BHEL reserves the right to procure the same from any source and recover the cost from the Bidder's first or subsequent bill at market value plus the departmental charges of BHEL from time to time (30% at present). Postponement of such recovery is normally not permitted. The decision of Engineer in this regard shall be final and binding on the Bidder.

- **TOOLS AND PLANTS / INSPECTION, MEASURING AND TEST EQUIPMENTS**

- .1.** T&Ps & IMTEs are to be arranged by the Bidder and the rates quoted are deemed to be inclusive of these charges. List of such T&P and IMTE is indicated separately.
- .2.** All T&Ps and IMTEs which are required for successful and timely execution of the work covered within the scope of this tender, shall be arranged and provided by the Bidder at his own cost in working condition (As per Annexure-I, II). In the event of the failure of Bidder to bring necessary and sufficient T&Ps and IMTEs, BHEL will be at liberty to arrange the same at the risk and cost of Bidder and hire charges as applicable shall be deducted from Bidder's bill. Decision of BHEL in this regard shall be final and binding on Bidder.
- .3.** All distribution boards, connecting cables, wire ropes, hoses etc. Including temporary air/water / electrical connections etc. shall have to be arranged by the Bidder at his own cost. Power cables including supply of **the main incomer cable of size 3 core X 35 sq.mm Aluminum conductor (from TPCL Provided feeder to Bidders point approx. length 500mtrs) and associated MCCB etc.** of sufficient capacity shall be arranged for the construction power supply requirement by Bidder .

- .4. Bidder shall ensure deployment of reliable and calibrated IMTEs (Inspection measuring and Test equipment). The IMTEs shall have test / calibration certificates from authorized / Govt. approved / accredited agencies traceable to National / International standards. Each IMTE shall have a label indicating calibration status i.e. date of calibration, calibration agency and due date for calibration. A list of such instruments deployed by Bidder at site with its calibration status is to be submitted to BHEL Engineer for control.
 - .5. Retesting/ re-calibration (calibration equipment's) shall also be arranged at regular intervals during the period of use as advised by BHEL Engineer within the Contract price.
 - .6. The Bidder will also have alternate arrangements for such IMTE so that work does not suffer when the particular instrument is sent for calibration. Also if any IMTEs not found fit for use, BHEL shall have the right to stop the use of such item and instruct the Bidder to deploy proper item and recall i.e. repeat the readings taken by that instrument, failing which BHEL may deploy IMTEs and retake the readings at Bidder's cost.
 - .7. BHEL shall have lien on all T&PS, IMTEs & other equipment of the Bidder brought to the site for the purpose of erection, testing and commissioning. BHEL shall continue to hold the lien on all such items throughout the period of Contract. No material brought to the site shall be removed from the site by the Bidder and/or his Sub-Bidders without the prior written approval of BHEL Site Engineer.
 - .8. It shall be the Bidder's responsibility to deploy the required T&P, for timely and successful completion of the job.
- **SUPERVISORY STAFF AND WORKMEN**
 - .1. The Bidder shall deploy all the skilled workmen like riggers, electricians, instrument technicians, etc., in addition to other skilled, and unskilled workmen required for all the works of unloading, handling and transporting from site storage to erection site, cable laying, testing and commissioning as contemplated under these specification.
 - .2. Only fully trained and competent men with previous experience on the job shall be employed. They shall hold valid certificates wherever necessary. BHEL reserves the right to decide on the suitability of the workers and other personnel who will be deployed by the Bidder. BHEL reserves the right to ask for removal of any employee workman of the Bidder at any time, if they find him unsuitable and the Bidder shall forthwith remove him.
 - .3. The adequate supervisory staff, including qualified Engineers, shall be deployed by the Bidder to ensure proper out-turn of work and discipline on the part of the labor put on the job by the Bidder and in general see that the works are carried out in a safe and proper manner and in coordination with other labor and staff deployed directly by BHEL or other Bidders of BHEL or BHEL's client / other agency.

- .4. The work shall be executed under the usual conditions without affecting major power plant construction and in conjunction with numerous other operations at site. The Bidder and his personnel shall cooperate with other personnel / Bidder, coordinating his work with others and proceed in a manner that shall not delay or hinder the progress of work as a whole.
- .5. The Bidder's supervisory staff shall execute the work in the most substantial and workman like manner in the stipulated time. Accuracy of work and aesthetic finish are essential part of this Contract. The Bidder shall be responsible to ensure that assembly and workmanship conform to the dimensions and tolerances given in the drawings /documents/ instructions given by BHEL Engineer from time to time.
- .6. The Bidder shall deploy the necessary number of qualified and approved full time electricians at his cost to maintain his temporary electrical installation till the completion of work.
- .7. During the course of erection, if the progress is found unsatisfactory, or if the target dates fixed from time to time for every mile stones are to be advanced or in the opinion of BHEL, if it is found that the skilled workmen like Electricians , technicians etc. deployed are not sufficient, BHEL after giving reasonable opportunity to the Bidder, will induct on the work the required workmen in addition to Bidder's workmen to improve the progress and recover from the Bidder's bills any charges incurred for engaging the additional workmen with overheads. Decision of BHEL Engineer will be final and binding on the Bidder
- .8. It is the responsibility of the Bidder to engage his workmen in shifts or on overtime basis for achieving the targets set by BHEL and also during the period of commissioning and testing of unit. The Bidder's finally accepted rates / prices shall include all these contingencies.
- .9. If the Bidder or his workmen or employees shall break, deface, injure or destroy any part of a building, road, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wire, trees or any other property or to any part of erected components etc., the Bidder shall make the same good at his own expense or in default, BHEL may cause the same to be made good by other workmen or by other means and deduct the expenses (of which BHEL's decision is final) from any money due to the Bidder.
- .10. The month wise manpower deployment plan to be submitted as per format (at Annexure-B to General Conditions of Contract) is only to assess the capability as well as understanding of the Bidder to execute the work. It shall be the Bidder's responsibility to deploy the required man power, for timely and successful completion of the job, to any extent over and above those indicated in the above deployment plan (including those which are not covered in the plan submitted) without any compensation on this account. Separate persons shall be identified at site for quality control and safety by the Bidder.

- **MATERIAL HANDLING AND STORAGE**

- .1. All the equipment and material furnished under this Contract shall be received from the project stores, sheds/storage yards (any place within site) and transported to erection site and stored (at Bidder's stores) in the storage spaces in a manner so that they are easily retrievable till they are erected by the Bidder. While issuing cable schedules from BHEL / Customer stores, Bidder shall ensure that the balance / other materials are stacked back immediately.
- .2. The Bidder shall take delivery of components, equipment from storage area after getting the approval of BHEL engineer on standard indent forms.
- .3. The Bidder shall identify and deploy necessary Engineers/ supervisors / workmen for the above work in sufficient number as may be needed by BHEL, for areas covering their scope.
- .4. All the equipment shall be handled very carefully to prevent any damage or loss. No untested wire ropes/ slings etc. shall be used for unloading / handling. The equipment shall be properly protected to prevent damage either to the equipment or to the floor where they are stored. The equipment from the stores shall be moved to the actual location at the appropriate time so as to avoid damage of such equipment at site. Test certificates for lifting tackles shall be produced by the Bidder before use.
- .5. Bidder shall ensure that while lifting, slings shall be put over the points indicated on the equipment or as indicated in the manufacturer's drawings. Slings/ shackles of proper size shall be used for all lifting and rigging purposes. All care shall be taken to safe guard the equipment against any damage. In no case piping should be dragged. In case of any damage the cost shall be covered from the Bidder.
- .6. Approach road conditions from the stores / yards to the erection site may not be equipped and ideal for smooth transportation of the equipment. Bidder may have to be adequately prepared to transport the materials under the above circumstances without any extra cost to BHEL.
- .7. Bidder shall be responsible for examining all the plant and material issued to him and notify the Engineer immediately of any damage, shortage, discrepancy etc. before they are moved out of the stores / storage area. The Bidder shall submit to the Engineer every week, a report detailing all the receipts during the week. However, the Bidder shall be solely responsible for any shortages or damages in transit, handling, storage and erection of the equipment once received by him. As the erection work will be spread in different areas / locations of the project, Bidder has to arrange sufficient no. of watch/ward personal to avoid any pilferage of material. In case any equipment / material is lost / damaged while in the custody of the Bidder, the cost of repair / replacement if any to bring back the equipment in original order shall be deducted from the Bidder's bill.

BHEL's decision in this regard shall be final and binding on the Bidder.

- .8. The Bidder shall maintain an accurate and exhaustive record detailing out the list of all equipment received by him for the purpose of erection and keep such record open for the inspection of the engineer at any time.
- .9. All the material in the custody of Bidder and stored in the open or dusty locations must be covered with suitable weather proof / fire retardant covering material wherever applicable and shall be blocked up on raised level above ground. All covering materials including blocks and sleeper shall be arranged by the Bidder at his cost.
- .10. If the material belonging to the Bidder are stored in area other than those earmarked for his operation the engineer will have the right to get it moved to the area earmarked for the Bidder at the Bidders risk and cost.
- .11. The Bidder shall ensure that all the packing materials and protective devices used for various equipment during transit and storage are removed before the equipment are installed.
- .12. The Bidder shall be responsible for making suitable indoor storage facilities to store all equipment (drawn by the Bidder from BHEL / Customer stores) which require indoor storage till the time of their installation. The Engineer will direct the Bidder in this regard, which item in his opinion will require indoor storage and the Bidder shall comply with Engineer's decision.
- .13. The Bidder shall ensure that all surplus / damaged / scrap / unused material, packing wood / containers/ special transporting frames etc. are returned to BHEL / Customer at a place in project area identified by the Engineer. An account will be maintained by the Bidder for all such items received and returned to BHEL and duly reconciled before closing of the Contract.
- .14. The Bidder shall hand over all parts / materials remaining extra over the normal requirement with proper identification tags to the concerned BHEL / Customer or at a place in project area as directed by BHEL Engineer.

Note: Any failure on the part of Bidder to carry out works according to above clauses will entail BHEL to carry out the job from any other party and recover the cost from Bidder.

- **PROGRESS REPORTING**

- .1. Bidder is required to draw mutually agreed monthly cable laying programs in consultation with BHEL well in advance. Bidder shall ensure achievement of agreed program and shall also timely arrange additional resources considered necessary at no extra cost to BHEL
- .2. Weekly progress review meetings will be held at site during which actual progress during the week vis-a-vis scheduled program shall be discussed for actions to be taken for achieving targets. The program for subsequent week shall also be presented by Bidder for discussions. The Bidder shall constantly update/revise his work program to meet the overall requirement. All quality problems shall also be discussed during above review meetings. Necessary preventive and corrective action shall be discussed and decided upon in such review meetings and shall be implemented by the Bidder in time bound manner so as to eliminate the cause of non-conformities.
- .3. The Bidder shall submit compulsorily daily, weekly and monthly progress reports, manpower reports, materials reports, and other reports as per pro-forma considered necessary by the Engineer.
- .4. The progress report shall indicate the progress achieved against planned, with reasons indicating delays, if any, and shall give the remedial actions which the Bidder intends to take to make good the slippage or lost time, so that further works again proceed as per the original program and the slippages do not accumulate and effect the overall program.
- .5. The daily manpower reports shall clearly indicate the manpower deployed, category wise specifying also the activities in which they are engaged.

- **CABLE SCHEDULE AND OTHER DOCUMENTS**

- .1. The detailed cable schedule available with BHEL engineers will form part of this tender specification. These documents will be made available to the Bidder during execution of work at site. The Bidder will also ensure availability of all necessary drawings / cable schedule/documents at work place.
- .2. The Bidder shall maintain a record of all drawings, cable schedules and documents available with him in a register as per format given by BHEL Engineer. Bidder shall ensure use of pertinent drawings / data / documents and removal of obsolete ones from work place and returning to BHEL.
- .3. The data furnished in various Annexure enclosed with this tender specification are only approximate and for guidance. However, the change in the design and in the quantity may occur as is usual in any such large scale of work.
- .4. Should any error or ambiguity be discovered in the specification or information the Bidder shall forthwith bring the same to the notice of BHEL before commencement of the work, BHEL's interpretation in such cases shall be final and binding on the Bidder.

- .5. Deviation from design dimensions should not exceed permissible limit. The Bidder shall not correct or alter any dimension / details, without specific approval of BHEL.

- **GST**

- .1. Income tax & surcharge, if any at prevailing rates shall be deducted on gross invoice value from the running bills unless Exemption Certificate from appropriate Income Tax Authority is furnished.
- .2. Price quoted shall be exclusive of GST. The GST, as legally levied & payable by the Bidder under the provisions of applicable law/act, shall be paid by BHEL as per Bidder's bill. However, Bidder shall have to submit proof of GST deposited by them immediately after the deposit but not later than the next bill submitted after the due date of deposit. The Bidder shall furnish proof of GST registration with covering the services covered under this Contract and indicate HSN/SAC Code in the prescribed format enclosed in the Tender.
- .3. Bidder has to make his own arrangement at his cost for completing the formalities, if required, with Tax Authorities, for bringing their materials, plants, and equipment at site for the execution of the work under this Contract.

- **PRICE VARIATION**

The finally accepted rates for scope of work as defined in this tender shall be **FIRM for the entire Contract** period. No price variation on accepted unit rates is allowed.

- **RATE SCHEDULE**

- .1. Bidder shall fully understand equipment description and scope of work before quoting. The scope of work and responsibility of the Bidder as mentioned under these specifications shall be covered within the quoted rates / price.
- .2. The Bidder shall quote the rates / Price as per the rate schedule only, in part II price bid (Original). Conditional price bids or price bids with any deviation / clarification etc. are liable to be rejected. No cutting / erasing / over writing shall be done.
- .3. Bidder's total quoted price as per rate schedule will be taken as tentative only.
- .4. The quantities indicated in the rate schedule against each item may vary as per the actual engineering / requirement to complete the work. The upward / Down ward revision in quantity is without any limit.

Some of the items may be added or deleted which shall have to be executed by the Bidder within his scope of work and shall be paid as per the rates awarded in the Contract. The Bidder undertakes to erect / commission actual quantities as per advice

of BHEL Engineer and accordingly the final Contract price shall be worked out on the basis of quantities actually erected at site and payments will also be regulated for the same on the basis of unit rates.

- .5. The bidders are advised to actually visit the site and fully acquaint themselves with site conditions, location of stores, transportation routes, quantum of work etc. before quoting their rates for this work. BHEL shall not be responsible in any way for non-familiarization of site conditions. Once the bidder has quoted for the work, it is implied that he has ascertained various site condition and NO CLAIM whatsoever will be entertained by BHEL on any such account.
- .6. **PENALTIES:** If the Bidder fails in providing safe working environment as per the safety rules of Customer/TPCL or continues to work even after being instructed to stop the work by the Engineer in charge / Safety co-coordinator the Bidder shall be penalized at the rate of appropriate per day or part thereof till the instructions are complied with and so certified by the Engineer in charge.

If the Bidder does not take all safety precautions or fails to comply with the safety rules as prescribed by the owner or under the applicable law for the safety of the plant and equipment, the Bidder shall be responsible for payment of penalty to TPCL as per the following schedule:

The Contractor of its liabilities including statutory liabilities towards safety violations, injury or death (whether by accident or otherwise). An amount between INR 0.5 to 5 million as deemed appropriate by Owner's appointed Committee for incident investigation and/or as determined by statutory authorities (whichever higher), will be payable by the Contractor in case of such severe incidents of injury leading to loss of property or partial/ permanent disablement (e.g. loss of limb/s, vision etc.) or death

If any worker of the Bidder is found working without safety equipment like safety helmet, safety shoes, safety belts etc. The safety officer of TPCL / BHEL shall have the right to penalize the Bidder for Rs. 200/- per person per day and such worker shall be sent out of the work place and shall not be allowed to work on that day.

- **SECURITY DEPOSIT**

The Bidder shall submit Security Deposit within 15 days from the date of issue of LOA/WO as per the General Conditions of Contract (GCC) or before commencement of work whichever is earlier. In case the Bidder opts to furnish Bank Guarantee as a part Security Deposit, the BG shall be issued as per the Pro forma enclosed as per Annexure-G of the SCC Part- B and also that the BG should be issued preferably through any of the Member Banks listed in the SCC.

For BG through any other Nationalized Bank (Not covered in the list of Member Banks of SCC), the discretion of its acceptance shall lie solely with BHEL.

The security deposit BG value will be calculated based on the Contract value including the taxes like GST, WCT etc.

The Security deposit BG will be valid for the time schedule period indicated in the GCC / SCC plus additional **claim period of Six months**. The BG format will be as per format to be approved by BHEL.

- **OTHERS**

- .1. In case of any contradiction between General Conditions of Contract (GCC) and Special Conditions of Contract (SCC), the latter shall prevail.
- .2. The bidder shall specifically confirm he has inspected the site of work and is fully conversant with the prevailing conditions under which work is to be executed and will not raise claim of any nature due to lack of knowledge of site condition. He will also confirm that local taxation laws at the site have been clearly understood by him.
- .3. For price bid opening, only those bidders will be considered who will be qualified for the subject job on the basis of pre-qualification evaluation/ techno commercial bids. BHEL reserves the right to reject the bidders with unsatisfactory past performance in the execution of the Contract. BHEL's decision in this regard shall be final & binding.

SECTION VI

SPECIAL CONDITIONS OF CONTRACT (SCC)

PART-B

INDEX

Sl. No.	Description
•	Scope of Work
•	Time Schedule
•	Cable Laying
•	Cable Termination
•	Terms of Payment

16. SCOPE OF WORK

Laying of Cables for RTD and Thermocouple signals along with existing Tray from Cable Gallery to newly installed Field JB, Installation of JB, Dis-mantling of old JB in field and Cabinets in control Room, removal of old cables with proper Identification from JB and existing panels and terminating on to new panels and JBs as per cable schedule, Removal of old cabinets and shifting them to assigned location. Any small civil works along with material to complete the job. Modification to existing base frame to match the foot prints of new cabinets. Termination of existing I/O cables to the new system with appropriate harnessing arrangements to relieve cable stress. Laying and termination of Inter panel cables and UTP cables along with HDPE Conduits. Interconnection of cabling with existing master clock system. Establishing connectivity between BHEL system and backup panels/Existing Customer Panels. Installation of HMI and LED Display as per BOQ. Sealing of all cable entries in the cabinets, control desk/ consoles etc.

Bidder to ensure services of qualified and experienced Degree / Diploma Electronics / Instrumentation Engineer having experience in Power plant Control and Instrumentation work, entirely for Erection and commissioning activities from the First day of mobilization of pre-shutdown work till Synchronization and full load. This shall be indicated separately in man power deployment plan to be submitted by Bidder. The rates quoted in the rate schedule applies to this requirement. These Engineers shall be reporting directly for Technical matters to BHEL Engineers at Site and will carry out works in areas as per the work schedule. Engineers shall be supported by other workmen like Electrician, Technicians, Fitters, Welders and helpers etc. Sufficient manpower along with supervisory staff for carrying out work will be ensured at all costs. Bidder to ensure minimum qualified man power availability during the entire contract period as deemed fit by BHEL.

Bidder shall dismantle, erect, test, commission JB, cabinets, panels, etc. as per sequence prescribed by BHEL Engineer at site. The sequence of dismantling / erection / commissioning methodology will be decided by the BHEL Engineer depending upon the availability of materials / work fronts in consultation with TPCL. **No claim for extra payment from the Bidder will be entertained on the grounds of deviation from the methods of erection / commissioning adopted in Dismantling / erection / commissioning of jobs elsewhere or for any reasons whatsoever.** For some of the equipment, Erection supervision or Commissioning expertise will be arranged by BHEL. The details against such item are indicated in the BOQ (Annexure-1). However all assistance with sufficient manpower, required tools and facilities (like temporary power supply, Lighting, Scaffolding) required shall be provided by the Bidder. The Bidder under this contract shall also provide services of Semi-skilled/ Unskilled manpower exclusively for use by BHEL where ever necessary. No separate payment shall be made for providing the services as per this clause. This Manpower requirement may vary depending on the activities at site.

BHEL customer may depute their representative for checking and supervision of important stages of work. The Bidder shall be required to provide all facilities for inspection of works, without any cost implications to BHEL.

Any defect in quality of work or deviations from drawings / specifications pointed out during such inspection shall be made good by the Bidder in the same way as pointed out by BHEL Engineer, without any cost implication to BHEL.

The purpose of this manpower is for meeting the pre-commissioning, Commissioning, post commissioning upto defect liability period as required by BHEL

In case the manpower is needed by BHEL beyond the contractual schedule, Bidder Shall provide the same and the rates will be mutually decided for the respective Category. Payment will be made by BHEL only for the extended period. Decision of BHEL in this regard is final & binding on the Bidder. It is preferred that the Bidder maintains the same set of manpower as long as the requirement is needed by BHEL.

. In case Bidder fails to provide above mentioned manpower, BHEL shall have the Right to hire such services from other agencies at the risk and cost of the Bidder.

EXECUTION METHODOLOGY:

PRE-SHUTDOWN WORK: Frame fabrication, Erection of New JB, Cable Laying from DDCMIS to Marshalling cabinet to Newly erected JB, Erection of cabinets, Cable termination at One end in JB, New Marshalling Panel and New DDCMIS Panels (as identified by BHEL/ TPCL), Inter panel Cable laying and terminations etc. as per Cable Schedule under supervision of BHEL Engineer(s) and complete continuity and loop checking of newly laid cables from JB End up to marshalling panel end has to be completed during this period.

SHUTDOWN WORK: Identification of existing field cables at Panel End, Dismantling of existing DDCMIS panels, Erection of new DDCMIS panels, Termination of already identified field cables at newly erected panels and marshalling panel end, Termination of existing field cables at newly erected JB, Complete loop checking up to Field end and Commissioning of complete DDCMIS system as per commissioning protocol is required to be completed during Shutdown Period.

TIME SCHEDULE

- a. **The Bidder is required to mobilize the manpower and T&Ps and commence the work within 7 Days from the date of issue of letter of award or Work Order after submission of required security deposit as mentioned in this tender unless BHEL decides to fix any other later date. However, the actual date of start of work, to fix up zero date of the Contract, will be certified by BHEL Engineer after adequate mobilization of manpower and T&Ps by the Bidder.**
- b. **This is a Shut-Down oriented Job and completion of work within the shutdown schedule is the main essence of this contract. Failing to execute the work within the stipulated shut-down schedule will attract an L.D of 0.5% to 5% per week at the maximum of 10% of Order value.**
- c. **Work Period: 20 Days of Pre-Shutdown Work + 30 Days of Shutdown Work**

Note:

Depending upon front and material availability above milestones may be required to be pre-poned. Bidder is required to mobilize additional resources to meet above requirement within their quoted price.

Bidder has to mobilize additional resources including manpower to achieve above schedule for which no separate compensation will be payable. The work under the scope of this Contract is deemed to be completed in all respects, only when the Bidder has discharged all the responsibilities laid down in the Contract. The decision of BHEL on completion date shall be final and binding on the Bidder.

In case due to reasons not attributable to the Bidder, the work gets delayed and additional manpower / resources scheduled have to be mobilized so as to meet various mile stones, same shall be done within the quoted rates, at no extra cost to BHEL. In the event the Bidder fails to respond to these requirements, BHEL shall take appropriate actions to meet Customer's commitments in line with provisions of general Conditions of Contract.

DISMANTLING: The bidder's scope shall include dismantling of existing equipments including field instruments/panels/ cabinets/ Control Desk/ Control Panel/ terminal blocks inside JB's/ Cables etc. which are to be replaced with the newly supplied equipments from BHEL and handing over the dismantled materials at a designated place identified by BHEL in consultation with TPCL. The quantity of items to be dismantled is indicated in the Rate Schedule/Bill of Material in Part-II Bid. Dismantling of existing field instruments if any are being replaced, are to be handed over to BHEL after listing out the qty. of items dismantled is "as it is" condition after cleaning at the location identified by BHEL in consultation with TPCL.

17. Instrumentation and Control Cable Laying:

- **BOP Area:** The instrumentation AND control cables in BOP area shall be laid. This includes inter panel cabling, laying of new cables from newly erected JB and from this JB to marshalling panel/new DDCMIS.

General Conditions for Laying of Cable:

a) Laying, dressing & clamping (by Nylon / PVC ties or Aluminum strips or any other method specified by BHEL Engineer) of the cables in the cable trays / angles. The cables shall be terminated in the enclosure through cable glands of appropriate size. The final dressing of all cables laid by the Bidder and in all cable trays erected by the Bidder shall also be done with Nylon Cord / Aluminum strip. Cost of cable laying as per Bill of Quantities Cum Rate Schedule shall include the cost of Nylon / PVC ties & Aluminum strip required for dressing / clamping.

The cables shall be laid in the cable trays and the route as given in the cable schedule. Extra cables if laid by the Bidder due to mistake, the same shall be removed at no extra cost to BHEL.

b) The cable run number shall be provided by punching Aluminum Tag plates and tying suitably with nylon ties (at both ends and **at regular intervals of 5 meters or** as advised by BHEL Engineer) which shall be arranged by Bidder at his cost.

While laying cables, existing cable tray covers and false flooring may require removing and re-fixing. The same has to be done within the quoted rates & at no extra cost to BHEL.

c) The screen of signal cables shall be run in insulated sleeve (of approved quality to be provided by the Bidder) and shall be terminated as per the instruction of the BHEL Engineer.

d) UTP Cabling: UTP cables are to be laid through HDPE pipes with complete sealing against exposure to rat bite. 10 mm ferrule sleeve to be supplied by the Bidder for Printed ferruling of both ends of the UTP. Metallic tags shall not be permitted for UTP cables inside the panels.

MEASUREMENT OF INSTRUMENTATION CABLES

The methodology for measurement of instrumentation and control cables laid by the Bidder shall be as under.

1. The lengths shall be measured from terminal to terminal plus height plus depth of the panels. Only one left over cut length of cable from each cable drum shall be acceptable.
2. The Bidder shall hand over cut length of cable from each cable drum and cut pieces / scraps to BHEL stores or any place identified by BHEL.
3. The bidder shall keep a proper record drum wise and submit to engineer in charge periodically the details of cables laid.

The scope of work shall also include but not limited to the following within the quoted item rates:

- Re-rolling of cables on drums as required by site engineer.
- Return of cut pieces & scrap cables to the scrap yard /BHEL/Customer stores as directed by BHEL engineer in charge.
- Before erection, all instruments shall be subjected to calibration and other functional checks as per manufacturer's standard at bidder's site laboratory in presence of BHEL/TPCL representative. BHEL and bidder shall jointly decide the details and modalities of such checks and calibration.
- Providing Frames with supports for JB'S by fabricating at site. Required material for these will be provided by BHEL & all consumables including gas, welding electrodes etc. to be arranged by the Bidder.
- Obtaining provisional and final approvals from Electricity Authorities & Obtaining all clearances and permits from statutory authorities for the installation.
