CLARIFICATION				
Sl. No	Reference clause of tender document	Existing Provision	Bidder's Query	BHEL's Clarification
1	Clause No.28.0 ,29.0 ,30.0 of VOLUME-IF-TCC CML(REV-00):TECHNICAL CONDITIONS OF CONTRACT , SCOPE ETC(PAGE 19 OF 38)	28.0 OVER RUN CHARGES Not applicable for this tender. 29.0 REVISION ON ACCEPTED CONTRACT RATE Not applicable in this tender. 30.0 PRICE VARIATION CLAUSE Not applicable in this tender.	1, PRICE VARIATION CLAUSE , 2, REVISION ON ACCEPTED CONTRACT RATE, 3, OVER RUN CHARGES Are the above said Clause APPLICABLE FOR THIS TENDER OR NOT. In the present very volatile market conditions and also increase in minimum wages in every six months (Central labour rules are applicable for NTPC North Karanpura site, in the year 2017 ministry has adjusted / increased the minimum wages with a percentage increase of almost 43% and every six months wages are getting increased to 5% and also very soon labour ministry is likely to have another round of minimum wages adjustment similar to that of the year 2017), Central labour minimum wages are 35% more than the State minimum wages. BHEL power sectors have / are implementing Price Variation Compensation (PVC) from Zero date itself for new tender works. Looking into the ongoing BHEL projects none of the package works are getting completed as per schedule and projects are getting abnormally delayed due to various reasons. For completion of the scope of works, timely project financing and cash flow are to be ensured and for the same PVC is a major contributing factor. So implementation of PVC is mandatory from Zero date will encourage the vendor to offer a very competitive price for the tender works and completion of the project works.	Provision shall be as per the tender.
