

Sl. No.	Pre –Qualification Criteria – PR 132271614	Bidder remark
1	<p>Bidder shall be a manufacturer of the Quoted items or an authorized dealer of the same.</p> <p>If the offer is quoted by agent, letter of authorization or agreement duly signed by the manufacturer is required to consider the offer.</p>	
2	Quoted brand name or Make	
3	Quoted Product Catalogue	
4	<p>Vendor should give confirmation to BHEL's Technical Specification. Any deviation from the Specification are to be mentioned in the "Bidder remark Space".</p> <p>If There is no deviation vendor should indicate "<b>No Deviation</b>".</p>	
5	Manufacturer shall submit manufacturing process flow chart (Raw material to finished product) along with offer for Quoted Item.	

Seal and sign of Authorized person

## A. Technical Specifications

SL. No	Description and Technical Specification of the item	QTY	UNIT
1.	<p><b>Thermal Chalks - 100 degree Celsius.</b>                      Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 100 degree Celsius.                      i. MSDS copy is required along with the offer.                      ii. Batch/Lot number identification required.                      iii. Date of manufacture is to be printed in the box.                      iv. Length of crayon has to be specified in the offer.                      v. Warranty period of TWO YEARS is to be guaranteed.                      vi. The chalk should not break during continuous usage.</p>	250	Nos.
2.	<p><b>Thermal Chalks - 120 degree Celsius.</b>                      Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 120 degree Celsius.                      i. MSDS copy is required along with the offer.                      ii. Batch/Lot number identification required.                      iii. Date of manufacture is to be printed in the box.                      iv. Length of crayon has to be specified in the offer.                      v. Warranty period of TWO YEARS is to be guaranteed.                      vi. The chalk should not break during continuous usage.</p>	150	Nos
3.	<p><b>Thermal Chalks - 150 degree Celsius.</b>                      Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 150 degree Celsius.                      i. MSDS copy is required along with the offer.                      ii. Batch/Lot number identification required.                      iii. Date of manufacture is to be printed in the box.                      iv. Length of crayon has to be specified in the offer.                      v. Warranty period of TWO YEARS is to be guaranteed.                      vi. The chalk should not break during continuous usage.</p>	500	Nos
4.	<p><b>Thermal Chalks - 200 degree Celsius.</b>                      Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 200 degree Celsius.                      i. MSDS copy is required along with the offer.                      ii. Batch/Lot number identification required.                      iii. Date of manufacture is to be printed in the box.                      iv. Length of crayon has to be specified in the offer.                      v. Warranty period of TWO YEARS is to be guaranteed.                      vi. The chalk should not break during continuous usage.</p>	450	Nos

5.	<p><b>Thermal Chalks - 220 degree Celsius.</b>  Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 220 degree Celsius.  i. MSDS copy is required along with the offer.  ii. Batch/Lot number identification required.  iii. Date of manufacture is to be printed in the box.  iv. Length of crayon has to be specified in the offer.  v. Warranty period of TWO YEARS is to be guaranteed.  vi. The chalk should not break during continuous usage.</p>	100	Nos
6.	<p><b>Thermal Chalks - 260 degree Celsius.</b>  Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 260 degree Celsius.  i. MSDS copy is required along with the offer.  ii. Batch/Lot number identification required.  iii. Date of manufacture is to be printed in the box.  iv. Length of crayon has to be specified in the offer.  v. Warranty period of TWO YEARS is to be guaranteed.  vi. The chalk should not break during continuous usage.</p>	400	Nos
7.	<p><b>Thermal Chalks - 280 degree Celsius.</b>  Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 280 degree Celsius.  i. MSDS copy is required along with the offer.  ii. Batch/Lot number identification required.  iii. Date of manufacture is to be printed in the box.  iv. Length of crayon has to be specified in the offer.  v. Warranty period of TWO YEARS is to be guaranteed.  vi. The chalk should not break during continuous usage.</p>	400	Nos
8.	<p><b>Thermal Chalks - 300 degree Celsius.</b>  Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 300 degree Celsius.  i. MSDS copy is required along with the offer.  ii. Batch/Lot number identification required.  iii. Date of manufacture is to be printed in the box.  iv. Length of crayon has to be specified in the offer.  v. Warranty period of TWO YEARS is to be guaranteed.  vi. The chalk should not break during continuous usage.</p>	250	Nos
9.	<p><b>Thermal Chalks - 100 degree Celsius.</b>  Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 100 degree Celsius.  i. MSDS copy is required along with the offer.  ii. Batch/Lot number identification required.  iii. Date of manufacture is to be printed in the box.  iv. Length of crayon has to be specified in the offer.</p>	300	Nos

	<p>v. Warranty period of TWO YEARS is to be guaranteed.</p> <p>vi. The chalk should not break during continuous usage.</p> <p>First delivery schedule - 100 numbers within 16 weeks from date of Purchase order.</p> <p>Second delivery schedule - Balance numbers in April 2023</p>		
10.	<p><b>Thermal Chalks - 150 degree Celsius.</b></p> <p>Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 150 degree Celsius.</p> <p>i. MSDS copy is required along with the offer.</p> <p>ii. Batch/Lot number identification required.</p> <p>iii. Date of manufacture is to be printed in the box.</p> <p>iv. Length of crayon has to be specified in the offer.</p> <p>v. Warranty period of TWO YEARS is to be guaranteed.</p> <p>vi. The chalk should not break during continuous usage.</p> <p>First delivery schedule - 250 numbers within 16 weeks from date of Purchase order.</p> <p>Second delivery schedule - Balance numbers in April 2023</p>	850	Nos
11.	<p><b>Thermal Chalks - 220 degree Celsius.</b></p> <p>Temperature Indicating Crayons (Melting Type Lead and Sulphur free) 60 mm to 125 mm long with suitable holder for 220 degree Celsius.</p> <p>i. MSDS copy is required along with the offer.</p> <p>ii. Batch/Lot number identification required.</p> <p>iii. Date of manufacture is to be printed in the box.</p> <p>iv.
