

Technical Pre-Qualifying Requirements – For MS ROD– Fatehgarh II and Bhadla II

Bidder must meet the following requirements:

1. Bidder shall be a POWERGRID approved manufacturer of M S Rod.
Or
A trader/ agent sourcing the material from POWERGRID approved sources- An undertaking in this regard shall have to be submitted along with the offer.
2. Bidder should have supplied the material in the last 10 years, from the date of technical bid opening. Proof of supplies completed, like customer certificates/PO copies/CIPs/Dispatch Documents/MRC etc, needs to be submitted along with the technical offer. National steel producers like SAIL/RINL/JSPL manufacturing and supplying MS Rods need not furnish these supporting documents.
