

Pre-Qualifying Requirement (PQR) for Indent No: 20240590

SL.No	REQUIREMENT	REMARKS
1.	Only those vendors should quote who have following machine installed & operational at their works for following operations of ESVCV Casing drawing no 01122230035/00 and 01122230035/01: -	Vendor to Note
A.	<u>Horizontal Boring Operation: -</u>	
i.	<p>CNC Horizontal Boring machine with rotary table and CNC controlled Boring Heads:</p> <ul style="list-style-type: none"> Rotary table: 3.5 m X 3.5 m or more Table Loading Capacity: 25 T or more CNC Boring Head working Length with Tool: 2000 mm or more and suitable to work through bore diameter range 250mm to 900 mm. <p>Machine should be capable to carry out all Boring and milling operations as per drawing and Technical requirement.</p>	Vendor to confirm & submit positional accuracy of the machine and CNC Heads along with basic machine details (X,Y,Z traverse, table size, spindle diameter & runout).
2.	Vendor to confirm that above machines A installed at their works are in good working condition with capability of achieving all the dimensions, surface finish, accuracies & tolerances as per drawing.	Vendor to confirm.
3.	Vendor to confirm that all the dimensions & surface finish of the component shall be met as per drawing. vendor to provide detail of complete manufacturing process including the detail of machining of Buttress Thread and Steam tight surface.	Vendor to confirm & Provide the detail.
4.	Vendor to note that all tools, measuring equipment's, technological items etc. required for manufacturing of subjected item shall be arrange by the vendor, in case of order.	Vendor To Confirm
5.	BHEL reserves the right to verify the information provided by vendor. BHEL may also visit vendor works if so desired by BHEL. In case the information provided by vendor is found to be false/ incorrect, their offer shall be rejected.	Vendor to note & agree.
