Dear Sir,

We have thoroughly examined the technical specification PS-439-1436 Rev 01 and corresponding drawings as per your tender enquiry No. dated
Having understood the requirements outlined in the specification and BHEL's requirement for the tendered work, I confirm compliance without deviations / with deviations as specified in the format provided in the tender document (strike off as applicable).

Additionally, I have enclosed the required documents to meet the tender Pre-Qualification Criteria.

Sincerely,

Signature of authorized Representative
