

Global Tender Notice

Sealed tenders (with pre-qualification system) in two parts are invited from reputed and competent indigenous vendors as well as overseas manufacturers/suppliers for supply of Alloy Steel castings and Forgings (Creep steel) and required for Steam Turbines.

Cost of tender documents: Nil

Eligibility criteria (Pre Qualification Requirements):

1. Tenderer should have manufactured and supplied of similar items (similar to all BHEL specification /drawings /testing requirements). Reference list of Customers along with documentary evidence is to be submitted along with Techno Commercial Bid.
2. Tenderer should have adequate manufacturing /testing facilities, for supply of the items as per tender.
3. Tenderer should have adequate financial strength for manufacturing and supply of the items as per tender, payment will be made only after supply.
4. For rotor forgings, the following are to be followed:
 - a. In case of first time supply to BHEL Hyderabad, vendor should comply with the requirements of HY0800099 (first-piece qualification) and HW0850197 (thermal stability test). However, these requirements can be reviewed based on the reference list of the vendor.
 - b. Vertical heat treatment of rotors is mandatory.
 - c. Wherever trepanning of rotors is called for, specifications HW0850394 and HW0850395 are to be complied with.

Notes:

1. Approved/registered vendors of BHEL-HYDERABAD-INDIA for the above items need not respond through this global tender.
2. Vendor should specifically confirm all clauses of the relevant specifications for every item quoted.
3. The tender should be accompanied by 2 separate envelopes, i.e., Techno commercial bid & Price bid, duly super-scribed on it, the Enquiry no. (Tender no.) & Due date name of the supplier and sealed with the following particulars:

Techno commercial Bid: Should contain all technical, commercial parameters (except Prices).

Price Bid: Should contain only prices, as per techno commercial bid.

The above two envelopes should be enclosed in an overall envelope duly sealed and super-scribed with Enquiry no. & Due date, name of the supplier and addressed to the undersigned.

4. Tenders will be opened on respective due dates by 11.00 hrs (IST), hence suppliers shall ensure to reach all sealed covers to Tender Box before the due date and time. Late offers will not be qualified.
