

Pre-Qualification Criteria for PR: 133105278/dt.03.01.2023:

Item Description: MILLING INSERT T PAN 1103-P30-PPN

The BIDDER/VENDOR has to meet all the following requirements to get qualified for consideration of the technical offer. If the vendor does not qualify as per PRE-QUALIFICATION CRITERIA, the technical offer of such bidder(s)/vendor(s) offer will not be evaluated.

1. Acceptable Make: Kennametal, TaeguTech, Widia, Sandvik, Seco or equivalent are only acceptable.

2. For Manufacturer:

Manufacturer of the item should declare that they are the manufacturer of the quoted item.

3. Other than Manufacturer:

Other than manufacturer participating in this tender should attach (Scanned copy) the following documents along with their Quotation.

In case of dealers, Authorised Dealership certificate or Valid Authorization letter from manufacturer of the item to participate in this tender, has to be submitted along with the offer. If certificate is not enclosed, the offer will be rejected.

4. BHEL will verify the information provided by the BIDDER for the material at their referred customer's works, if required. In case the information provided by BIDDER is found to be false/incorrect, the offer shall be rejected.

5. After PO, vendor shall supply an initial lot of 10 nos inserts for performance testing at our Works. If the performance is not satisfactory, the entire PO quantity is liable for rejection.

6. Offers submitted without confirming the above points will summarily be rejected. All the relevant documents should be uploaded in Part-I of tender along with company seal & signature.
