

Corrigendum-II dtd 9/12/20

RAJBOS0066 for Supply and Commissioning Support of 2.7MVA AND 5.3MVA Outdoor Inverter Transformers for NTPC Simhadri 25MW and Kayamkulam 22MW Floating Solar PV Project.

Description of corrigendum:

In the BOQ Sheet for calculation of prices for price bid submission, in case GST value calculations (or) any other automatic calculations are not being done correctly or missing, the unit prices for all the line items along with the corresponding GST rates mentioned in the unpriced bid and/or price bid shall be considered for calculating the final prices.
