2. Introduction:

BHEL is the largest engineering and manufacturing enterprise in India in the energy related/infrastructure sector, today. BHEL was established more than 50 years ago, ushering in the indigenous Heavy Electrical Equipment industry in India - a dream that has been more than realized with a well-recognized track record of performance. The company has been earning profits continuously since 1971-72 and paying dividends since 1976-77.

BHEL manufactures over 180 products under 30 major product groups and caters to core sectors of the Indian Economy viz., Power Generation & Transmission, Industry, Transportation, Telecommunication, Renewable Energy, etc. The wide network of BHEL's 16 manufacturing divisions, four Power Sector regional centers, over 100 project sites, eight service centers and 18 regional offices, enables the Company to promptly serve its customers and provide them with suitable products, Systems and services. The high level of quality & reliability of its products is due to the emphasis on design, engineering and manufacturing to international standards by acquiring and adapting some of the best technologies from leading companies in the world, together with technologies developed in its own R&D centers.

BHEL's vision is to become a world-class engineering enterprise, committed to enhancing stakeholder value. The company is striving to give shape to its aspirations and fulfill the expectations of the country to become a global player.

3. Background:

Corporate Finance has implemented a web-based Finance Planning System, deployed pan-BHEL, which has been developed by M/s Antino Labs. The system facilitates financial planning across the entire project life cycle for various units, divisions and regions. The tender has to be submitted in Hard Copy in a sealed envelope in SINGLE PART PAPER BID

4. Scope of Work:

Maintenance, Enhancement, and Support (MES) work of Project Execution & Planning System (PEPS) for completion of Performance Plan 2026-27 to be carried out are listed below: -

- i. Performance Planning in the Financial Module of PEPS is to be completed for FY 2026-27. So, for this, all necessary Maintenance, Enhancement, and Support to be provided.
- ii. Provide continuous technical support for addressing issues reported by Units/Regions
- iii. Develop and customize MIR reports, User-Interface, Work-Flow revision, Dashboard Designs and its Key Performance Indicator (KPI) etc. as desired by senior management during review process.
- iv. With the change in the Financial Year, the Financial Module has to be made dynamic to cater to flexible planning requirements.
- v. Any other incidental work related to PEPS

To carry out above work, 3 resources (Front End Developer-1, Back End Developer-1, QA/DevOps Engineer-1) to be deployed at BHEL premise for the duration of the work.
