

PRICED BID for Design , Supply,I&C of Cell Cycling System for Li-Ion Cell manufacturing facility at BHEL - ESD

Price bid - RKR0000105

Sl. No.	Description	Quantity (NO)	Currency	Unit Price	Total Price	Remarks
1	KA9018209925 Cell Cycling system	1				
2	Installation and Commissioning of KA9018209925 Cell Cycling system	1				
3	AMC for 3 years for KA9018209925 Cell Cycling system (excluding spares as mentioned in S. no. B)	1		-		
4	GST for KA9018209925 Cell Cycling system (if applicable indicating %)	1				
5	GST for Installation and Commissioning of KA9018209925 Cell Cycling system(if applicable indicating %)	1				
6	GST AMC for 3 years for KA9018209925 Cell Cycling system (if applicable indicating %)	1				
A	Total cost including equipment, I&C, AMC and applicable taxes for KA9018209925 Cell Cycling system (in figures)	1				
	Total cost including equipment, I&C, AMC and applicable taxes for KA9018209925 Cell Cycling system (in words)					
B	Price of Spares required during post warranty 3 year AMC period (list of spares to be enclosed along with technical bid)	1				
	GST for spares for KA9018209925 Cell Cycling system (if applicable indicating %)	1				
C = A+B	Total cost including equipment, I&C, AMC, Spares and applicable taxes for KA9018209925 Cell Cycling system (in figures)	1				
	Total cost including equipment, I&C, AMC, Spares and applicable taxes for KA9018209925 Cell Cycling system (in words)
