Corrigendum to Open Tender Notice No. MM/MOD/21-22/ E8013008 is published on BHEL site on 18.04.2022 for due date extension. Due to some technical error the corrigendum could not be effected though system acknowledged our request in NIC portal hence the Enquiry is retendered as there was no other option for us..

In view of the above it is requested to withdraw the referred corrigendum from the BHEL site to avoid any confusion to vendors, if exist.
