ANNEXURE-A

### Special Terms & conditions of the job

These Special Conditions shall be read and construed along with General Conditions of Contract and in case of any conflict or inconsistency between the General & Special Conditions of Contract; the content in this specification shall prevail.

#### 1. SCOPE OF WORK:

Area grading and soil compaction work at BCN-36 below (approx. 146 m × 27 m) using roller, JCB/POCLAIN (1 No.), Hydra (1 No.) for shifting of surface materials (excluding heavy materials), along with engagement of 30 Nos. manpower and minimum 3 Nos. tractors at 1x660 MW SgTPP U#5.

The work is to be carried out as per relevant IS standards/specifications, and as directed by BHEL Engineer. All materials required for the job will be in the scope of successful bidder.

Required manpower, material, T&Ps, consumables and resources along with one skilled and experience supervisor for execution & completion of job as per BHEL requirement to be provided by the successful bidder

The successful bidder will be responsible for preparing the protocols & other relevant quality documents in line with field quality plan or as per direction of BHEL Engineer.

In addition to above, following are also in the scope of work of contractor

- Labour license and group insurance of the workmen employed by the contractor and other statutory requirements shall be complied, as applicable, by the contractor.
- All labour rules, factories act, statutory requirements to be strictly adhered by the contractor.
- Arranging gate passes is in the contractor's scope, however BHEL shall provide necessary supports if required.
- All Statutory procedure (wage payment, Gate pass, medical certificate, insurance, PF, UAN, accommodation, transportation etc.) for payment compliance as per govt procedure in the scope of contractor.
- Any unrest / strike / IR to be handled by the contractor.
- All PPE kit in the scope of contractor.
- Contractor must comply with BHEL standard safety policy.
- The Contractor shall be responsible for safety of his workmen, materials and equipment deployed at site
- Prevailing BHEL HSE norms shall be strictly adhered by the contractor.
- Job must be executed by contractor as per BHEL FQP and BHEL standard quality policy in consultation with BHEL Engineer.
- Quantities mentioned in the BOQ cum rate schedule/price schedule may vary upto any extent. However, contractor's quoted rate shall remain firm for the entire contract period.

#### 2. TAXES, DUTIES ETC: As per BHEL General Conditions of Contract

#### 3. REVISION OF ACCEPTED RATES/PRICE/OVER RUN CHARGES:

No revision of rates/over run charges shall be paid to the contractor in the event of the completion period getting extended for any reason whatsoever.

Date: 09.03.2026

**4. CONSTRUCTION WATER & ELECTRICITY:**

Construction water and electric power supply, if required for the job, will be provided free of cost.

**5. COMPLETION PERIOD:**

Total work in all respect is to be completed within 10 (Ten) days from the date of issue of LOI/WO.

**6. TERMS OF PAYMENT:**

95% of the payment shall be released after completion of the work in all respects, duly certified by the BHEL Engineer. All admissible recoveries/adjustments, if any shall be made from the bill. Payment shall be made within 30 days from the date of receipt of a correct and complete invoice at the BHEL site office, along with the BHEL Engineer's certification / jointly signed measurement sheet, PF compliance documents, and other statutory documents, subject to their completeness and correctness in all respects.

The balance 5% of the payment shall be released after expiry of the guarantee period, which shall be a minimum of 3 months from the date of completion of the entire work, duly certified by BHEL.

Measurements shall be recorded as per the relevant clauses of the BHEL General Conditions of Contract (GCC) and shall be certified by the BHEL Engineer for the actual work executed. Payment shall be made after deduction of statutory taxes, duties, and other applicable deductions as per prevailing rules from time to time.

Payment shall be made through RTGS / Bank Cheque.

Amount on account of GST will be reimbursed on submission of required documents/challan.

**7. SECURITY DEPOSIT:** Not applicable.

**8. HEALTH, SAFETY & ENVIRONMENT:**

Contractor has to comply with minimum HSE requirements as applicable for IOCL, Paradip Refinery Project.

**9. TERMINATION OF CONTRACT:**

In case at any point of time, if it is observed that the contractor is not fulfilling the requirement/ requirements stipulated in the contract or is not complying BHEL requirement in terms of quality and progress for timely completion of works under this contract, BHEL reserves the right to terminate this contract for which 3 days advance notice will be served to the contractor. However, prior to issuance of this advance termination notice, contractor will be given enough opportunities for course correction. At least, 3 successive letters of warnings within a gap of 1 day will be issued for this purpose

**10. GUARANTEE/WARRANTEE:**

Since the work is being executed prior to the upcoming monsoon season, the agency shall ensure that the levelling, grading, and compaction are carried out properly and uniformly, so that the area remains adequately levelled and stable during rainfall. The finished surface shall be free from undulations, depressions, or low-lying pockets and proper grading shall be maintained to avoid water stagnation or accumulation at any location.

ANNEXURE-B

PREAMBLE

- 1.0 This preamble forms part of the tender document and schedule of items. The tenderer should read this preamble carefully before filling up the rates for various items. Clauses of this preamble shall be read in conjunction with GCC and other terms of the tender document and shall have precedence over any contrary statement mentioned anywhere in the above documents.
- 2.0 The work shall be carried out as per specifications, descriptions of the items in the schedule and or as per engineer's instructions.
- 3.0 Unless specifically mentioned otherwise in the tender document, the tenderer shall quote for the finished items and shall provide for the complete cost towards supply of materials including consumables, labour & other misc. elements that may be required for carrying out the job including transport, layout, rectification, maintenance till handing over, supervision, overheads, profits etc. including all incidental items complete.
- 4.0 The quantities in this schedule are approximate and may vary to any extent or may be deleted altogether. The rate quoted against each item of the schedule shall remain firm till the contract value remains within "+" or "-"15%.
- 5.0 The rates shall be quoted both in figures & words in clear legible writing. No overwriting is allowed. All scoring and cancellations should be countersigned and in case of illegibility, the interpretation of engineer shall be final. All entries shall be in English. The rates quoted are inclusive of all taxes and duties, etc.
- 6.0 The tenderer shall be deemed to have studied detailed specifications and terms & conditions of the tender.
- 7.0 Engineer's decision shall be final & binding on the contractor regarding clarification of items in the schedule with respect to other terms & conditions of the contract.
