|--------|-------------------------------------|--|---|---|
| 4 | Clause No. 1.21.1 of TCC | Material Handling Open land as available shall be provided by BHEL an free of cost basis. Contractor shall maintain one centralized fenced store cum fabrication yard at his own cost. Hard surfacing of this yard and all round drain shall be carried out by the contractor at his own cost within the quoted rate. | Please provide the tentative area (Length x Breadth) that shall be made available to the contractor in order to evaluate the cost of fencing, hard surfacing, etc. and can submit the most competitive offer. | Bidder shall be requested to submit the area requirement to BHEL after the successful award of the work. BHEL will study the requirement and the area will be allotted considering the use of land by other Civil /mechanical/ electrical contractors and the storage of plant machineries and materials, as availability of land within plant boundary is very limited and the contractor has to plan and use the existing land. The existing land shall be shared by all erection agencies. |
| 5 | Clause No. 1.13.4 of TCC | Steel Consumption and Wastage Serviceable materials as stipulated under clause "Scrap and Serviceable Material (Refer Clause 1.13.2.2 above)" returned by the contractor to BHEL store along with relevant documents. | "(Refer Clause 1.13.2.2 above)" shall be replaced by "(Refer Clause 1.13.3 above)" Please confirm | Clause No. 1.13.4 of TCC "(Refer Clause 1.13.2.2 above)" shall be replaced by "(Refer Clause 1.13.3 above)" |
