Clarification to bidder's query(ies) and Revision of tender clauses

Annexure-A1 to TCN-01

Sl. No.	Reference Clause of Tender Document	Existing Provision	Bidder's Query	BHEL's Clarification/Revision
1	Clause no. 1.4 of Part-2: Technical Specification (TS) of Vol-ID & II [Special Conditions of Contract (Service) & Technical Specification (TS)] - Technical Specification – Crane Age (YOM Clause).	Crane Year of Manufacture shall not be more than 12 years old.	Request to revise the permissible crane age from 12 years to 20 years, subject to submission of valid fitness, load test, and safety certificates. Many well-maintained cranes beyond 12 years are operationally sound and compliant with safety norms. Extending to 20 years will increase bidder participation, improve competition, and ensure better availability of suitable cranes without compromising safety.	As per Tender.
2	NIT – Bid Submission Due Date	Bid submission due date: 01-06-2026	Request extension of bid submission date by 7 days. Additional time is required for detailed technical evaluation, arrangement of compliant cranes, and preparation of complete documentation. Extension will enable submission of more competitive and technically compliant bids.	Due date of submission of offer is extended from 01-06-2026 to 05-06-2026 (13-00 hrs. IST) (refer TCN-01 dtd. 01-06-2026)
