

**CORRIGENDUM-4 TO TENDER SPECIFICATION BHEL: PSSR: SCT: 1662**

**Sub:** Piling and Pile Cap Works for Coal Handling Plant and Ash Handling Plant (Inside and Outside Plant Boundary) Containing Package-1 and Package-2 for 2 X 660 MW sets Ennore SEZ Super Thermal Power Project at Ash dyke of North Chennai TPS, Chennai, Tamil Nadu State

1. **Some of the Bidders had raised queries in the published Tender Specification & subsequent Corrigendum. The Clarification issued by BHEL are furnished below:**

S.No.	Clause ref.	Bidders Query	BHEL Reply
1.		There is a severe scarcity of River Sand in Tamil Nadu. Only 10 out of 38 sand quarries are functional and due to which over 30-40% of construction activity has been hit across the State. Chennai, Kanchipuram, and Thiruvallur districts are the worst hit. Hence, please arrange to confirm that the M-Sand will be permitted for all Concrete and Sand filling works.	Tender condition prevails.
2.	BOQ Item No. 2515	It is also understood that the installed MS casing pipe will be the property of Contractor and the same shall be removed and taken back by the Contractor after completion of work. Please confirm. Also, please arrange to confirm the fill material of cavity made by driving the MS pipe.	MS casing pipe shall be taken back and the hole shall be filled using good quality soil.
3.	BOQ Item No. 2516	Please arrange to provide specifications and drawings for sheet piling work without which vendors are unable to quote the correct price. It is also understood that the installed sheet piles will be the property of Contractor and the same shall be removed and taken back by the Contractor after completion of work. Please confirm.	As per the item description, the design of the sheet piling is in the scope of bidder. Bidder shall submit the design of sheet piling according to the site condition to BHEL for approval during the work. As per the item, the installation is only in the scope of bidder. Removal is not included in the scope.

S.No.	Clause ref.	Bidders Query	BHEL Reply								
4.	NIT, Clause No.1, Sl. No. V) Due Date & Time of Offer Submission	<p>The proposed construction of piling and pile cap works both inside and outside plant boundary including pile and pile cap works across canal/ water bodies for CHP and AHP necessitates detailed site investigation and market survey for collection of various input costs to prepare and submit the tender. Also, interaction with various vendors such as piling contractors, machinery suppliers, construction material suppliers and other specialized vendors are essentially required to assess the actual cost of work and which consumes substantial time in exchanging communications and meetings/ interactions to collect actual input costs for various works/ services. Hence, to prepare &amp; submit the tender based on correct inputs from various vendor's adequate time shall be required. Also, we are still waiting for the receipt of revised input costs from many of the vendors due to introduction of GST.</p> <p>Hence, we would request you to kindly arrange to extend the due date of tender submission up to 25.08.2017.</p>	<p>In line with Corrigendum-2 dated 28.07.2017 issued for the subject tender, the following may please be noted.</p> <table border="1"> <thead> <tr> <th>Description</th> <th>Revised as per Corrigendum-2</th> </tr> </thead> <tbody> <tr> <td>Sl.
