A. Some of the Bidders had asked queries in the published Tender Specification. The clarifications issued by BHEL are furnished below:

SI No.	Reference clause of Tender Document	Existing provision	Bidder's query	BHEL's clarification
1	-	Tender Floated for Executing STG along with its accessories at Unit# 3	Execution of complete package of 2 units comprising Main Turbine, Generator, Condenser and its auxiliaries operationally & fiscally reasonable and cost effective to execute the works. Keeping the same in view we request BHEL to float the revised RFQ combining both the units i.e. Unit #3 &4.	Unit 4 Main TG package will be floated separately based on work front availability .
2	TCC VOLUME-IA PART-I CHAPTER - VII TERMS OF PAYMENT (From Page No 277 to 287 of 566)	-	We came to know that BBU is prepared for service and supply combined. Payments towards supply will affect our cash flow during the execution of work. Hence, we request BHEL to provide the separate line tern including separate payment terms for Suoolv items	Tender condition prevails.
3	-	-	With regard to the advance payment request, we again reiterate our submission seeking interest free advance as this will facilitate smooth project take off and early stabilization of deliveries. With the current market	Interest free advance is not applicable for this tender.
